AMERICAN LABOR IS KEEN TO CARRY WAR TO FINISH--GOMPERS

PARIS, Sept. 26.—Samuel Gompers, president of the American Federation of Labor, told more than a score of French labor leaders, representing every phase of workmen's activities in France, that American Labor is determined to carry the war on to a victorious finish.

Gompers said there will be no listening to any peace proposition and no peace talk "until it's over."

From many of the French leaders the Gompers' delegation received the same assurance that France's labor will stand with America and maintain the home front until victory has been won by arms, turning deaf ears to peace trap lures.

"American workers will not participate in any conference with representatives of enemy countries until after the war," Gompers declared to the United States correspondent after he talked with the French leaders.

"The organized workers of America have so declared. The inter-allied conference at London has declared to do practically the same. We are behind President Wilson in the achievement of our principles, cost what it may."

"The purpose of this mission is to convince the European workers of this determination and to attempt to bring about a great solidarity or unity of allied workers toward the same purpose."

PRESIDENT DEMANDS THAT SENATE PASS SUFFRAGE MEASURE

WASHINGTON, Sept. 30.—Speaking before the senate as commander-in-chief of the army and navy, President Wilson today demanded that the senate pass the suffrage amendment as a "war measure."

The United States must not be alone in accepting the lesson that the women shall have equal share in settling not only the problems now, but those which will come after the war ends. Safety in handling the big problems that will follow the end of the fighting demands that women be given direct participation in our counsels, the president declared.

NORMAL SCHOOL WILL RUSH CERTIFICATES GOOD ONLY ONE YEAR

MONMOUTH, Oct. 1.—Owing to the war conditions and the scarcity of teachers, the Oregon Normal school will divide the remainder of the year into three separate terms commencing as follows: November 16, 1918; February 8, 1919, and April 12, 1919. Only two years of high school preparation will be required, instead of four, but applicants must be 18 years of age.

This action was taken because the demands for teachers are so urgent that many schools throughout the state have been forced to close for lack of teachers.

WIRELESS PLANT WAS SECRETED ON GRAND RONDE RESERVATION

DALLAS, Sept. 30.—Sneriff John W. Orr Sunday found what may be the remains of a wireless plant secreted in an isolated part of the Grand Ronde Indian reservation. The plant was discovered a few days ago by an Indian, who reported the matter to the sheriff.

Accompanied by an Indian and two white settlers of the vicinity as guides, Orr visited the place Sunday. It was near the forks of Rock creek in a thickly wooded, mountainous country, reached by a steep trail four miles from the nearest road.

Power had been secured from a small falls on Rock creek. The dynamo, if one were used, had been removed. There was evidence of a camp for several persons and it had been abandoned but a few days. Four strange men were reported by the fire warden to have camped there for several weeks.
