A PATRIOTIC SERVICE AND A BIG OPPORTUNITY

Save the Nation's coal—save money—save labor—save transportation—save time for essential things—these are the standards of the United States at present, and every one of them is measured up to by Perfection oil heater. No greater saver of fuel, money, transportation, labor and time can go into a home than Perfection oil heater. It effects real, helpful, war-time economy without sacrificing essential comfort and home cheer.

Think what an opportunity for service this gives to Perfection oil heaters! Every oil heater sold at this time fills a double service—a service to the government through conservation and a service to the individual home through economical heating that gives cozy, comfortable home cheer.

People will use more oil heaters this year than ever before; the U. S. fuel administration through newspapers, magazines and posters everywhere, appeals to you to conserve the nation's coal supply. That is why you should heat your home with a Perfection oil heater. Conditions are right. It is your opportunity to serve your own government and the governments with whom we are allied.

Now warming 2,500,000 homes

Why? Because of the comfort, convenience and economy in heating with Perfection Oil Heater. Lights at the touch of a match—gives instant, cozy warmth. No smoke or odor. Easy to carry about.

Steady, comfortable heat for many hours on one filling with Pearl Oil, the ever-obtainable fuel. Oil consumed only when heat is needed—no waste.
