This organization also asked that some much needed improvements be made to the public lavatory in the way of painting the walls to remove the writing on these. This will be referred to the health committee.

It had been suggested that the dates to collect garbage be changed as the present dates were so near the first of the month that many people did not get their garbage out in time. The street committee was given power to act on this.

It was suggested at the meeting that when a light in the city was discovered to be out this be reported to the police and by so doing the city would get the rebate allowed for this. Considerable discussion resulted over the suggestion that the city dispose of some of its property that they hall. The installing officers were C. A. have been paying taxes on and save
