"This bill embodies the big idea in education, which is that the state or the county as a whole must be taxed for the support of the schools, in order to aid the poorer districts," she said.

She said the purpose is to increase the county-wide school tax so the backward districts may have the same educational facilities as the centers of population.

## Legislator's Son Who Was Decorated Three Times

Lieut. FRED A. TILLMAN

Winning decorations seem to be one of the best things our boys did in France. Lieutenant Fred A. Tillman, son of the Representative in Congress from Arkansas, has returned wearing the Croix de Guerre and D. S. C., and he has been honored by the Legion of Honor.

Backache? Rheumatism? Those of us who are past middle age are prone to eat too much meat and in consequence deposit lime-salts in the arteries, veins and joints. We often suffer from twinges of rheumatism or lumbago, sometimes from gout, swollen limbs or feet. There is no longer the slightest need of this, however, as the new prescription, "Anuric," is bound to give immediate results as it is many times more potent than lithia, in ridding the impoverished blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for "Anuric" for kidneys or backache. It will overcome such conditions as rheumatism, dropsical swellings, cold extremities, scalding and burning urine and sleeplessness due to constant arising from bed at night. Send to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a 10c. trial package. MADERA, CAL.—"I recommend Doctor Pierce's Anuric very highly. I have suffered for the last three years with catarrh of the bladder, having tried every remedy I heard of but without relief. I saw Anuric advertised in the paper, and like a drowning man grabbing at a straw I thought I would try it also, which I did with great success, as it relieved me almost immediately, before I had taken all of the trial package, and having great confidence in the remedy I immediately sent to the drug store and bought a full-size package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy and suffer no longer. I have great faith in Dr. Pierce's Anuric."—A. E. Hargray.
