## MILWAUKIE DEFEATS CANBY.

The Milwaukie high school basketball team easily defeated the Canby five last Friday on Milwaukie's floor. The game was one of the best played games of the season although Canby displayed a little roughness during the last half. Milwaukie's goal was never in danger during the whole game due to the splendid team work.

Mace and Pace showed up strongly for Milwaukie each shooting some very excellent baskets.

Score was 25 to 13 in favor of Milwaukie.

## MRS. MULLIN IS DEAD.

Mrs. R. C. Mullin died at the family home on Main street at 8:30 Tuesday evening at the age of 76 years, 9 months and 27 days, after a lingering illness.

Grandma Mullin as she was familiarly called was an old and highly respected resident of Milwaukie having moved here 35 years ago where she has resided ever since.

The funeral will be held from the Walter Kenworthy undertaking parlors Thursday afternoon with burial in the Milwaukie cemetery.

Grandma Mullin is survived by four sons and two daughters, Elmer Mullin of Pasadena and H. M. Mullin of Eureka, California and I. S. Mullin, Chas. and Misses Laura and Carrie Mullin of Milwaukie; nineteen grand children and five great grandchildren, other relatives and many friends to mourn the passing of a kindly neighbor and friend.

## BOOTLEGGERS FINED.

As the S. P. train from California passed East Milwaukie Tuesday morning it slowed down a little and a fellow tossed off two suit cases filled with booze, and then jumped off himself closely followed by a federal officer who placed the man under arrest and telephoned to the Union station and had another man and woman arrested who had more liquor in their possession. Their trial was held in the federal court in Portland and the three of-

fenders who gave their names as Morris Bruce, Mrs. Bruce and Thomas Backen, were fined \$250 each for having liquor in their possession.

They told the court they had just a little for friends.

## COMMERCIAL CLUB ELECTION.

The board of governors of the Milwaukie Commercial club held a meeting Tuesday and elected officers for the coming year as follows: C. B. Hanson, president; M. A. Lehman, vice-president; Mrs. Maggie A. Johnson, secretary; A. J. Weller, treasurer.

A special meeting of the club will be held at the high school building Monday evening at 8 o'clock, March 3. All former members are urged to be present and a cordial invitation is extended to all interested in civic affairs in Milwaukie to attend the meeting or hand their names to the president or secretary before that date.

## EARLY RESIDENT DIES.

Esias Hoesley of Groveland, California, died at that place February 7th of pneumonia. Mr. Hoesley was the oldest brother of Mrs. J. C. Emmel and Mrs. J. E. Wetzel and will be remembered by many old time residents of Milwaukie. He and his brother Henry went to California 25 years ago and engaged in mining, which business they followed ever since. The funeral was held at that place. Mr. Hoesley came with his parents to Milwaukie about 45 years ago and attended the school here for some time and later worked in the Old Standard Flour mill until that pioneer mill was closed. He is survived by his two sisters and many other relatives.

## LOCALS

The annual reception of the Womens Social Service club was held last Thursday afternoon at the home of Mrs. Phillip Streib, Milwaukie. A large attendance and a very pleasant afternoon was spent. Mrs. Waldren sang three beautiful solos. Light refreshments were served. The dining room table was prettily decorated with spring flowers.

Rev. Father Barnerds has the plans about completed for a school house to be erected on the church property. The building will be started in a few days. It is planned to have the building ready for the opening of school in September. The building will be modern and up-to-date and will correspond to the church and rectory.

The first dance of the season at Riverside park under new management was held last Sunday and a large attendance was present and thoroughly enjoyed the good music and fine floor. It is planned to give dances every Sunday evening.

The Oregon Field Artillery auxiliary to Batteries A and B will give a benefit dance at the East Side Business Mens Club, Monday, March 1st. A jazz orchestra will furnish music and a good time is promised by the ladies of the auxiliary.

The Woman's Work club will meet at the home of Mrs. O. H. Hadden, Wednesday, March 5th. The ladies are requested to come early as there is a quilt ready for them to work on. Dinner will be served at noon and a short business session will be held in the afternoon.

Some of the Milwaukie boys are expected to arrive home with the 162 regiment. It is not known whether there are any Milwaukie boys with any other units that have landed in the past few days. Letters received indicate that the two batteries A and B are still in France.

L. H. J. Laxdal has purchased the T. N. Hodge property on Monroe street adjoining the Catholic church grounds. Mr. Laxdal and family are recent arrivals from Canada and will occupy their new home in a few days. The deal was made by Mrs. Johnson and the property brought a good figure.

## Doughboys Halt German Girls to Search Cart

after two doughboys of the American Army of Occupation had halted two German girls. A thorough search of the cart the girls were drawing showed that its load was perfectly harmless—only cornmeal.

Germany generally may hate the American soldiers because of the part they played in winning the war for the allies but one look at this photograph shows that some of them conceal their feelings very well. The picture was taken at Hundsangen just

## SPARTACAN FORCES ARE RIOTING IN MUNICH

COPENHAGEN, Feb. 22.—Civil war broke out in Munich at 2 o'clock Friday afternoon, it was reported in dispatches received here today.

At that hour the church bells were rung and 10,000 workmen marched from the suburbs into the city. Shortly afterward violent fighting broke out.

The mobs plundered shops and residences. Hundreds of civilians fled from the city. Others were prevented after the Spartacans seized the railway stations.

According to the latest reports workmen dictatorships have been proclaimed and Spartacans in armed automobiles were rushing through the streets. Many anarchists were said to have joined them.

War Minister Rosshaupter, wounded during the shooting in the diet chamber, was reported to have been arrested later by the Spartacans. (A Zurich dispatch via Paris said Rosshaupter had died from his wounds).

## CHICAGO REDS PLANNING TO JOIN STRIKERS

CHICAGO, Feb. 22.—Bolshevik and other varieties of reds are making strenuous efforts to participate in union labor strikes in Chicago, circulating workmen with appeals to "rise against their oppressors," and attempting to bring about a situation similar to that recently existing at Seattle, according to federal authorities.

It was because of this situation that Victor L. Berger, congressman-elect and his four co-defendants, sentenced to 20 years' imprisonment for violation of the espionage act, were forced to take the pledge not to participate in propaganda work as a provision of their release on \$25,000 bonds each.

## VICTOR BERGER SENTENCED TO SERVE 20 YEARS

CHICAGO, Feb. 20.—A maximum sentence of 20 years was imposed by Federal Judge Landis today on Representative-elect Victor L. Berger of Milwaukee and four other socialist leaders, who in final pleas likened themselves to history's greatest martyrs. The five men, convicted of conspiracy to obstruct the draft in violation of this espionage act, obtained release on \$25,000 bail from Judge Aleshauler and declared they would carry their legal fight to the United States supreme court if necessary.

## First American Woman in Germany After the War

MISS FRANCES MARION

Much has been written about the first American woman to set foot on German soil. This woman, Miss Frances Marion, is said to have been the first American woman to cross the Franco-German border after the armistice was signed. She went as the representative of the Committee on Public Information in the role of a scenario writer and we have Mr. Creel's word that she staged a special government picture.

## WARNING GIVEN BY EX-ENVOY AGAINST LEAGUE

WASHINGTON, Feb. 22.—David Jayne Hill, speaking here today before Sons and Daughters of the American Revolution, said the proposed league of nations meant abandonment of the traditional policy of Washington, and against which there were many great constitutional objections.

"I would not be understood as offering offensive criticism of the plan," Mr. Hill said. "There are many admirable features in it, but in view of complications that I believe are certain to arise, I would wish to qualify our participation in any compact by precisely the words that were employed in accepting The Hague convention in 1899, and again in 1907.

Mr. Hill is a member of the permanent administrative council of The Hague, and a former ambassador to Germany.

## MANY SPARTACANS KILLED OR WOUNDED IN FIERCE FIGHTING

BERLIN, Feb. 21.—Seven hundred Spartacans were killed or wounded in the fighting with government troops in the Ruhr district of Rhenish Prussia.

They received easy reinforcements from Berlin.

The Deutsche bank at Mulheim has been looted and 400,000,000 marks stolen.

BERLIN, Feb. 20.—Following his arrest at Munich after an unsuccessful attempt to restore Kaiserdom, Prince Joachim, the sixth son of the former emperor, has been interned in the Bayerischer hotel, in the Bavarian capital.

The prince was arrested while masquerading under the name of Count Merz.

A committee was organized ostensibly to protect the Lantag. An attack was made on Wednesday with sailors aiding the counter-revolutionaries and police headquarters at Munich were occupied.
