BUILD YOUR OWN HOME CAMPAIGN

The Milwaukie Commercial Club held a meeting at the High School building Monday evening and planned for their annual "High Jinks" for St. Patrick's day, at which time the club will start its campaign for "build your own home".

Good speakers will be present and a program of general interest will be rendered.

All members are urged to be present, and the general public is cordially invited to attend and meet with the club and get acquainted.

MAYOR SURPRISES COUNCIL.

A pleasant surprise was given by Mayor Snyder to the members of the council when he invited them to take an auto ride with him over the city to look at some repair work, and then stopped at his home and invited the gentlemen in.

They found a banquet spread in the dining room, which had been prepared by Mrs. Snyder.

The table was tastefully decorated and the councilmen did ample justice to the repast after which they proceeded to the City Hall for the transaction of regular business.

RETURNED SOLDIER WEDS.

Wayne Arnold, one of the returned heroes of the great war, who arrived home about two weeks ago, surprised his friends by slipping quietly away and getting married last Saturday "to the girl he left behind." Congratulations are being showered on the happy couple. They are at the home of Wayne's parents.

MERGE BUSINESS AND PATRIOTISM.

The city council met in regular session Tuesday evening. Routine business was taken up and disposed of. Then a movement by the parents of

the boys in service to give them a fitting welcome home was given consideration.

The council will meet next Wednesday, when the committee from the parents and one from the city firemen will join the council in making arrangements for an entertainment and dance to raise the necessary fund for the home-coming reception of the boys. The date of the entertainment and dance will be fixed at this meeting.

GRANGE PLANS MEETING.

The Milwaukie Grange will hold their regular session on March 15th. All members are urged to attend, and visitors are cordially invited. The lecture hour will be open to any one wishing to listen to or take a part in the discussion which will be introduced by Mr. H. A. Thiessen on "At the Present High Prices of Forage and Feed, Can We Afford to Produce Meat, Milk and Eggs for the Market?"

At roll call the members present are expected to answer with their favorite verse or quotation.

Captain John Jacob Astor, Twice Wounded, and His Titled Wife Visit America

After an absence of twenty years Captain John Jacob Astor, son of Lord Astor, is in America with his wife, Lady Violet, daughter of the Earl of Minto, who was governor general of Canada and viceroy of India. He entered the war with the First Light Guards of the British army and in October, 1914, was wounded at Messines Ridge in the right elbow. At Cambrai, on Sept. 1 last, when he was in command of Battery No. 529 of the Royal Garrison Artillery, he was so badly wounded by a shell which fell in a group that his right leg had to be amputated. Captain Astor and Lady Violet will spend a few days at Palm Beach.

There will be a meeting of the County Loyalty league at the court house in Oregon City at 10:30, Saturday, March 8. It is desired to have one or more representatives of each league in the county to attend this meeting. An effort will be made to have an interesting speaker at the meeting.

School Activities

The Armenian drive has been very materially helped by the Milwaukie schools—a total of \$142.05 having been subscribed by the High and Grammar schools.

Milwaukie 22—Beaverton 16.
Beaverton Girls 32—Milwaukie girls 19.

The boys' and girls' basketball squads journeyed to Beaverton for a double header last Friday. The boys annexed a game and the girls fought a good losing fight.

Because of the small floor and the tendency on the part of Beaverton to employ football tactics, the game as played by the boys was slow. Adams was high-point man for Milwaukie, with ten points to his credit.

Considering the fact that the Milwaukie girls played their first outside game with those of Beaverton, they did well indeed, even though they lost 32 to 19. They hope to recoup when Beaverton plays here on the 14th.

Henson triumphed over Milwaukie Seconds Tuesday last 31 to 10. The second team put up a good fight and at the end of the first half the score was 8-4. Henson leading but unfortunately they lost out in the windup.

Highly gratifying results of the first semester's study are now approved. There are no total failures and very few partial ones. Due credit must be given Professor Barker and the others of the faculty for the past successful term.

Frederick W. Coan, for forty-seven years a missionary in Armenia, spoke of the poignant sufferings of those peoples to the assembled High school recently.

SAN FRANCISCO, March 5.—A strike of 9000 telephone operators and 2000 linemen in California, Washington, Oregon and Nevada has been ordered by the executive committee of the International Brotherhood of Electrical Workers in the event that Postmaster General Burleson does not speedily grant wage demands of the brotherhood. It was announced here today by T. C. Robbins, personal representative of L. C. Grasser, vice-president of the organization.

Robbins today received a telegram from Charles P. Ford, secretary of the brotherhood, indicating that a recent referendum of the workers in the four states mentioned favored a strike.
