BURGLAR MAKES ESCAPE.

Monday evening Mr. Bassett of the depot waiting room came home near midnight and after putting his auto in the garage noticed that the light in the store was out so he and his son Eldon went to make an investigation and as he unlocked the front door a burglar jumped out of the back window and fled leaving a mackinaw coat and pair of gloves.

The thief did not get anything as he evidently had only effected an entrance through the window shortly before Mr. Bassett surprised him and he made a hasty get away before securing any booty.

Mr. Bassett will probably have a coat and pair of gloves for sometime with the owner unknown.

MOTHERS

Should see that the whole family take at least 3 or 4 doses of a thoro, purifying, system cleaning medicine this spring. Now is the time. The family will be healthier, happier, and get along better if the blood is given a thoro purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system, driven away. Hollister's Rocky Mountain Tea is one of the very best and surest Spring medicines to take. Get it and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy.

JOHN T. SPENCER OF CLACKAMAS HEIGHTS PASSES AWAY MONDAY

John Theodore Spencer of Clackamas Heights, Oregon City, died at his home Monday morning. His death was due to heart trouble caused by a recent attack of influenza.

Mr. Spencer was born at Canton, Illinois, in 1837, and has resided in Oregon City for some time.

The deceased is survived by his widow of Oregon City, and six sons four of whom reside here.

The funeral services are to be held from the E. A. Brady funeral parlors Tuesday afternoon at 2 o'clock, and the interment will be in Mountain View cemetery. Rev. Sea mann, pastor of the Presbyterian church, will officiate. Four sons are to be the pallbearers.

Many friends of the deceased attended the services both at the Elks' Temple and at Clackamas cemetery.

The floral tributes were in profusion, and were beautiful. The pallbearers were old-time friends of the deceased.

These Are Your Dollars

The expenditure of millions of dollars is contemplated under initiative measures that will be submitted to the people of Oregon at a special election June 3, such election having been authorized by the state legislature. Two of the measures provide for the issuance of bonds amounting to \$7,500,000, and the people will be asked to pass upon a bill authorizing bonds of \$5,000,000 for what is known as the reconstruction program, providing for the expenditure of this large sum for the construction of hospitals at Portland and Salem, agricultural college buildings at Corvallis, university buildings at Eugene, normal school buildings at Monmouth, hospital buildings at Pendleton, armories at Marshfield, Astoria, Baker, Bend, LaGrande and Medford, for the construction of a new penitentiary in Marion county, and to develop reclamation projects on arid, swamp and logged-off lands and to provide for the settlement thereon of honorably discharged soldiers, sailors and marines.

The issuance of \$2,500,000 in bonds for a Roosevelt Memorial Highway from the mouth of the Columbia river down the Coast to the California line is contingent upon congress appropriating a similar sum.

As it is provided that these bonds shall be paid off through the media of direct taxation upon all of the property of the people of Oregon, it behooves the voters to carefully examine into the merits of these measures and determine whether the expenditure, under the conditions of payment is necessary.

The question of levying an annual tax of one mill for the construction of market roads will also be submitted to the people at the June election. The bill provides that the county courts shall have supervision and control of the construction of these roads, and authorize the county courts to levy a property tax in each county for the construction of market roads in an amount equal to the sum apportioned to such county. This proposal is backed solidly by the farming interests of the state, and is distinct from any state highway program for the construction of trunk roads.

Payment by the State of irrigation and drainage bond interest for the first five years by issuing State bonds and the repayment of money with interest to the State by such districts is another proposal that will be before the people requiring the use of the money of the taxpayer.

It is certain that the people of Oregon will be fully informed about these various measures long before the date of the election. The legislature has declined to accept the responsibility for the appropriations, and has quite properly referred them to the final tribunal of the State. The expenditure of millions of money, to be repaid by taxation, is a serious matter, to be considered fairly by those whose money will be spent, if these bills are indorsed by the voters.

Ralph Carson, Carl Hogg, army; Ray Maple, Gerald Warner and Edward Vonderhe, navy.

The interment was in the family lot in Mountain View cemetery.

Many attended the services at the funeral parlors and at the cemetery. The floral tributes covered the grave and were in large quantities, and

most beautiful. Among the lodges sending floral tributes were the Pythian Sisters, Knights of Pythias, Poochontas. The barbers of this city also sent a handsome piece.

There were a large number from Portland and out of town people, friends of the young man and family attending the services.
