

MILWAUKIE & NORTHERN CLACKAMAS

The committee having in charge the publication of the Maroon are busily engaged in preparing the subject matter for their publication, which gives promise of being highly creditable to the school.

With residences at a premium, and inquiries for houses coming in every day Milwaukie is bound to enjoy a substantial building boom during the coming season, despite the scarcity of labor and the high prices of building material.

LeRoy Monckton, who has been spending the past week with relatives in Milwaukie, has returned to his home in North Yakima, Wash. Roy has just returned from France, where he saw service with Battery B, 69th artillery.

Edward Lee, who served with Battery B, 14th Field Artillery, with the A. E. F. has received his honorable discharge, being mustered out at Camp Lewis and is now at the home of his mother, Mrs. W. E. Morand, resting and recovering from severe wounds. He saw two years active service.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. Ex-Kaiser's Helmet, Worn on Parade, Part of Loot Found in Former Palace

William Hohenzollern used to wear this helmet on parade occasions but the odds are ten to one that it didn't look as well on him as it does on this friend of Lowell Thomas, American war correspondent. The helmet was appropriated as his part of the loot by a Spartan soldier during the riots in which the deposed Kaiser's palace in Berlin was sacked and all his uniforms taken. Mr. Thomas, who was reporting the rioting, bought this interesting souvenir from the Spartan and brought it to New York.

She alleges the boy was kidnapped last September in a window of the Fifth Avenue home of her mother-in-law, Mrs. Phoebe Thorne. In answer to a writ the elder Mrs. Thorne denies the boy is with her. Thorne's marriage greatly displeased his relatives.

PLANS ARE MADE IN COUNTY FOR VICTORY LOAN

The Victory Loan drive starts May 21, and plans are taking shape rapidly in Clackamas county. M. D. Latourette is county chairman and committee and district chairmen have been appointed throughout the county.

Great efforts will be made to put Clackamas over the top in record time as we have never failed in the other drives and the managers are confident that we will be successful in this drive.

Chairmen and committees have been appointed for the seven different banking districts of the county as follows:

1. Oregon City, Raymond Cautfield.
 2. Canby, W. H. Bair.
 3. Molalla, L. W. Robbins.
 4. Estacada, H. C. Stephens.
 5. Sandy, W. A. Proctor.
 6. Milwaukie, Phillip Streib.
 7. Wilsonville, Dwight L. Seely.
- Speakers Committee—Jos. E. Hedges, Oregon City, chairman for the county.

The speakers of the campaign will start work May 14.

Transportation Committee—John R. Humphrys, chairman for Clackamas county.

Publicity Committee—E. E. Brodie, Oregon City, chairman for Clackamas county.

County chairman, M. D. Latourette, Oregon City.

Victory Loan (5th) notes will probably be dated May 20, and payments required will be as follows: 10 per cent with application on or before May 10, 10 per cent, July 15th, 20 per cent, August 12, 20 per cent, September 9, 20 per cent, October 7, and 20 per cent November 11, with accrued interest on deferred installments.

Quota for Clackamas county or the rate of interest and time has not yet been determined.

State headquarters will send A. G. Clark for county conference to be held at the Commercial Club Thursday afternoon at one o'clock.

Quotas and subscriptions for previous loans are as follows:
Quota first loan, none; amount subscribed, \$138,500.

Quota second loan, \$308,500; subscribed, \$348,550, or 112 per cent.
Quota third loan, \$257,052; subscribed, \$16,700, or 201 per cent.
Quota fourth loan, \$491,120; subscribed, \$619,500, or 126 per cent.

Our government does not necessarily have to float a Victory Liberty Loan. A government less decent would raise the money by taxation. The Kaiser, if he had been victorious, would be taxing you right now, and your receipts wouldn't be good for their face, five, ten, fifteen, or twenty years from now—not by a "Sparks Vaisankt," not to mention that little interest coupon due every six months, either.

STRIKE ENDS

SAN FRANCISCO, April 4.—A strike which has involved approximately 10,000 machinists in the San Francisco bay region since early in February ended today, when the local machinists agreed to accept an offer submitted by their employers and return to work tomorrow.

TROOPS PREPARE FOR REDS

BERLIN, April 8.—Seventy thousand government troops have been concentrated around Berlin in preparation for an uprising, it was learned today.

The troops are also ready to cope with any disorders if a general strike is called.

It was reported that the Reds might attempt to proclaim a soviet government.

The German government is intensely nervous, anticipating further strikes.

An official warning was issued to the people through the Wolff bureau "to be prepared for any emergency."
