## CANBY AND SOUTHERN CLACKAMAS

# INTENSIVE FARMING ON KAUPISCH FARM

A visit to the farm home of Mr. and Mrs. J. C. Kaupisch of Canby will readily convince one what energy and intensive work can accomplish on a \* small riact of land. For many years @ clated by the Enterprise. Mr. Kaupisch was a butter maker for the Corvallis Creamery Company, and established the creamery at Corvallis. Miss Hills Joins as well as one at Canby, but preferring the out-of-door life, he decided on engaging in the farming industry on a small scale. For several years he nursery. This was about two years

varieties of squash, mammoth pumpkins, some of which have already attained a weight of 100 pounds, and still growing, and which will be shown at the coming county and state fairs; which were planted as late as June, and are of as large proportion as those in other yards planted at a much ear-There are rows and rows of carrots and various kinds of beets, some of mammoth size. Tasseling cornstalks have been arranged at each side and between these tall stalks are ter melons. Separating the garden from the green lawn and fronting the home, are rare plants of bright colors. growing. Further on are more vegetable gardens, where one will find mammoth peppers, more corn, melons, tomatees, and in fact almost everything that is found in a garden. There Clackamas county. He still proudly fair Mr. Fortune reports that at every to spend a vacation. Mrs. Freeze enis also a large strawberry garden still has six varieties of these many ready for the second bearing. Chinese pheasants are also raised, and a pretty little park is formed in these birds have become great pets, of the fog of Oregon.

At the rear is a large barn and silo for the cows, two of these being Holstein, one of which has a wonderful record and requires three milkings a the institution. day at the present time. This is "Datsy," and the name is well suited. Queen and Trixic are also good pro-

In the big barn is the grain just harvested, and although Mr. Kaupisch has not devoted much of his attention to growing grain, he has had excellent aunt. Mr. and Mrs. E. P. Dedman, of crops this year. From his half acre of planted to oats, 144 bushels was the re.

Near the barn is the chicken park. ing, with 62 spring chickens laying. Even pigs have been given attention, for Mr. Kaupisch believes in keeping this class of livestock to keep from wasting any of his produce. Various kinds of nuts, including Filberts and Frankforts are found on well cared-for trees, and prunes and peaches as well as other choice fruits and berries are in abundance.

The interior of the home is modern throughout, with handsome mantel and Miss Lorraine Lee. fireplace, beautiful rugs of Turkish design, one of which is an heirloom and has been in the Kaupisch family for Lorraine Lee and Violette Evans were of previous years, and it is predicted 100 years, and still has the most beautiful and rich coloring effect. The living room is reached by way of a reception hall, and handsome pillars of the rear is a cozy den. and at the and Mrs. M. J. Lee. right is a Dutch gitchen with all modern conveniences. A wash room with hot and cold water is among the con- nesday veniences on the first floor. On the second floor are three large sleeping apartments and bath. The house is lighted by electricity, and has a private water system with a tank having a capacity of 5000 gallons, the water being pumped from a 112-foot well by means of a gasoline engine. All each has its attachment of hose for irrigation purposes.

lightenment in farming on a small She had a most delightful time, and more blacksmith shop. scale on a six acre tract of land. The farm work is done principally by Mr. Kaupisch and his wife, the only outside help used this season being when the threshing was done.

Mr. and Mrs. Kaupisch are preparing to have one of their excellent exhibits at the Clackamas county fair She visited at the home of her aunt, this year. They have won the first Mrs. R.Soper. prize every time they have entered in the class for individual farm exhibits.

Mr. and Mrs. Kaupisch are most hospitable to the visitors at their home, delighting in showing them what can be produced on a little tract of land as they have done. They extend an invitation to those desiring to see this in California, has a position with the were reported to be beyond control. Canby farm to visit them at any time.

### "Ever Occur to You?" says the Good Judge

That it's foolish to put up with an ordinary chew, when it doesn't cost any more to get real tobacco

Every day more men discover that a little chew of real good tobacco lasta longer and gives them real contentment.

There's nothing like it.

THE REAL TOBACCO CHEW put up in two styles

RIGHT CUT is a short-cut tobacco W-B CUT is a long fine-cut tooacco

nen-Bruton Company, 1107 Broadway, New York C

satisfaction.
