BRODIE IS NOT CANDIDATE FOR POLITICAL JOB

E. E. Brodie, publisher of the Morning Enterprise, announced Saturday that he would not be a candidate for the Republican nomination for Secretary of State at the primary election next May.

"My many friends among the newspaper editors of the state," said Mr. Brodie, "were the first to propose my name in connection with the office of Secretary of State, and I have already received, without my solicitation, the endorsement and promised support of more than 30 papers throughout the state."

"This, of course, is extremely gratifying and flattering, and I am deeply appreciative of the kind things that have been said about me. This is the first time that I have ever been even a prospective candidate for public office, though I have been honored by election and appointment to non-salaried positions in the state, and have been for four years chairman of the Republican county central committee for Clackamas county, which gave a plurality of 1015 to the Republican nominee for President four years ago, and a clear majority for Mr. Hughes of 227 over all other candidates for president."

"After long reflection, I cannot separate myself from a profession with which I have been connected since boyhood. The publishing of a newspaper, in my opinion, is of greater dignity and service than holding a public office. The true newspaper man may be tempted by visions of easier tasks and shorter hours, but if he is true to the calling of his own choosing, he will stick and resist the temptation to forsake a legitimate business wherein he should be a leader in influencing public opinion within the radius of his newspaper's circulation."

The Enterprise was established 54 years ago, and has been published continuously in Oregon City since 1866. Only two newspapers in Oregon are older. My connection with The Enterprise covers 15 years, the last 12 years as publisher. We have just purchased and remodeled a building and have the finest newspaper home in the state, outside of Portland. The Morning Enterprise is healthy, its growth and progress have been marked and I expect to continue as its publisher and do my part in making Oregon a better state to live in for many years to come."

CANBY AND SOUTHERN CLACKAMAS

CANBY HIGH TEAM WILL PLAY MOLALLA ON FRIDAY

CANBY, Or., Jan. 14.—A practice game between the American Legion of Oregon City and Canby high school was played last Tuesday at Canby. This was the second game for both teams and was considered by Canby as the most important and best practice they have ever had.

Hankins, of the Legion team, has offered his services as coach for Canby and the team is busily engaged in inventing and making up plays with which they hope to "wallop" Molalla next Friday.

This game was rather fast for Canby as it was the first game in which they were forced to keep moving. Before Canby even knew they were on the floor the Legion team had scored twenty points to Canby's two.

Thus the first half ended with a score of 20 to 2.

But Canby soon found out what the matter was, so they started the second half with "The Big Swede" in center and Gribble helping Mack at guard. The second half was somewhat different. Everybody played real basketball. The half ended with a score of 19 to 10 in the Legion's favor.

This showed that both teams settled down to real work. The final score was 49 to 14.

The Legion's team work was great and Canby is looking forward to the time when they can say that a few more good practice games like we had and we can. Our motto is "At 'em Canby" and if you want to see us get them come to the game next Friday when we play Molalla.

We are holding all practice games under closed doors now and we expect you wonder why. There is a train runs to Molalla twice a day and we can't afford to lose any valuable information.

MILWAUKIE BEATEN AT BASKETBALL BY MOLALLA HIGH TEAM

Probably one of the best attended and hardest fought basket ball games ever played in this neck of the woods occurred last Friday evening at Milwaukie between the Molalla High and the Milwaukie High lads. Although the score resulted 15 to 26 in favor of the Molallites, just the same the game was a good one from start to finish. The Molalla lads won from the American Legion team of this city last week, at Molalla, by a small margin. The winning team is a good one, and they know how to put over the ball in grand style.

Following is the lineup of Molalla: Harold Ridings, captain and guard; Leslie Palfrey, manager and guard; Ray Heiple, center; Verne Faurie, forward; Harold Jackson, forward; Chester Grandquist, sub.

The lineup for Milwaukie: Adams, William Adams, Green Johnson, Smith and Wilson.
