# Why You Should Vote For C. SCHUEBEL for STATE SENATOR

### BECAUSE

He prepared and passed the law taxing power. The Law regulating Hours of labor in mills and factories. The General Fund Bill which saves the State about \$10,000 annually in payment of interest. The repeal of \$1,000,000 standing appropriations. State Board of Conciliation and Arbitration law. The Foreign Corporation License Fee law, which adds about \$85,000 to the general fund annually. Amendment to the inheritance tax law which adds \$435,000 to the general fund annually. BECAUSE HE HAS PREPARED THE FOLLOWING LAWS AND WILL ENDEAVOR TO PASS THEM:

Tax law will assess corporations at the same rate as farmers and small property owners. This will add about \$10,000,000 to the assessed valuation of Clackamas County.

Allen Ownership of land law. Must become a citizen to own land in Oregon.

Equalizing fees of domestic corporations, which will compel large corporations to pay at the same rate as small corporations. Will add approximately \$100,000 to the general fund annually.

State Highway commission to purchase all road material and sell to counties at cost. Buying in large quantities will save thousands of dollars on road material.

### BECAUSE

The Paving Trust and Corporations are against him. You should be for him.
