OH, DEAR! MY BACK!

Merciful Heavens, how my back hurts in the morning! It's all due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking "Anuric" (anti-uric-acid). This can be obtained at almost any drug store, in tablet form.

When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout, or sleep is disturbed two or three times a night, get Dr. Pierce's Anuric, it will put new life into your kidneys and your entire system. Send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for trial package.

SAN FRANCISCO, CALIF.—"I have used Dr. Pierce's remedies in my family for fifteen years and have found on every occasion that they gave satisfactory results. Recently I was troubled with my kidneys and my back constantly pained me. I took three packages of Dr. Pierce's Anuric Tablets which removed all pain and cleared up conditions. I advise every one to give Dr. Pierce's remedies a fair trial."—Mrs. E. E. Eys, 422 Brannon Street.

Mrs. Amelia Dreier Dead at Macksburg

MACKSBURG, Oct. 13.—Our entire community was deeply grieved last week by the death of one of our most highly esteemed and best-beloved neighbors, Mrs. Amelia Dreier, which took place in the night of October 7th.

Mrs. Dreier's illness had been a lingering and painful one but her last hours were peaceful and serene.

The patient fortitude with which she bore her suffering as well as the tender solicitude which she manifested for those who ministered to her endeared her more closely than ever to all who knew her. Her kindly helpful life won for her an imperishable place in the memory of many a recipient of her kindness, who feels most deeply the void left by her death.

A large and sympathizing concourse of neighbors and friends gathered on Saturday morning for a short memorial service at her home. Burial service was held at the Canby Evangelical church of which Mrs. Dreier was a member. The interment was in the cemetery adjacent to the church.

Did you ever see so much rain! It reminds us of this little verse:

Lives of great men oft remind us, that a poor man has no chance.

The more we work there grows being us.

Larger patches on our pants.

Once our pants were new and shiny.

Now are stripes of different hue.

And these bloom Oregon showers, keep us feeling mighty blue.

Let us then be up and doing.

Working rain or shine.

Or when we reach the spring time, We'll not have a single dime.

Since that meeting there has been a petition asking that the name of W. F. Cary be placed on the ballot for city recorder. Also another asking that C. E. Allen and Mr. Kimmel be placed on the ticket as councilmen.

A letter to Estacada friends from Mr. and Mrs. E. W. Bartlett, who are visiting in California, say that they will leave for home the 21st of this month.

JACK BERRY WINS DRAW WITH CRITES IN PRETTY BOUT

The opener at the Milwaukie arena Wednesday night was a knock-out. While it was a knockout in a technical sense it was a sorry exhibition as a fight, for Young Dempsey had it all over his taller and heavier opponent, Babe Rico, and booked the San Francisco a stiff one in the second round. Rico had to be carried to his corner.

Jack Berry, pride of Oregon City, drew par with Frankie Crites, of Newberg. Crites had lots of steam, and his arms were like a windmill, and through the six rounds, and he held frequently and wrestled all the time. Jack knocked him down in the first round and put up the best exhibition of real boxing. The six-round bout between Johnny Fiske, of Rock Island, and Dick Morris, of Kansas City, went to a draw. It was hammer and tongs from the gong and was a pretty display. In the semi-finals Eddie Shannon obtained a decision over Muff Bronson. Shannon was cool and hit Bronson early and often, but Muff was a game bird.

The main event between Johnny McCarty, of San Francisco, and Harvey Thorpe, of Kansas City, furnished few thrills. For a while it looked like a knockout for Harvey, but the Kansas City lad hung on in the clinches, and Old Man McCarty was seemingly unable to land the vitals punch, so Referee Tom Louttit called it a draw. The entire card was pleasing enough and furnished lots of entertainment for the fans.
