A Prominent Druggist Testifies

Redondo Beach, Calif.—"I wish to call attention to my experience in the sale of Dr. Pierce's Anuric Tablets. I have never sold an article that has given such universal satisfaction. It seems that every bottle sold another. I am very much inclined today, to sell the 'long shot' stuff at a greater profit, or something just as good, but in suggesting Anuric for uric acid and rheumatism I consider I have not only created business along that line but have gained the confidence of the public which more than repays me for my interest and suggestion, together with the satisfaction I get from having an article that I can place with perfect confidence. Nothing would please me more than to be able to introduce Anuric to the world for the benefit of all mankind. However, I have to content myself by simply calling attention to the satisfactory results that follow as reported to me by the individuals, extending their thanks."—C. D. KNOX.

Many of Your Neighbors Can Say the Same

Tuolumne, Calif.—"My back gave me considerable trouble, which I thought was due to kidney disease. After taking four packages of Dr. Pierce's Anuric (anti-uric-acid) Tablets I was fully recovered. I consider it a wonderful medicine. I also use Dr. Pierce's Pleasant Pellets whenever I am bilious, and they give immediate relief. I consider them a great medicine."—W. H. BOSCELL.
