CHRISTMASS TREES
FROM CLACKAMAS
IN GREAT DEMAND

The Portland Chamber of Commerce has received word from San Francisco that there will be a big demand for Oregon, and especially Clackamas county Christmas trees this year. This county has some of the finest fir trees in the world for Christmas purposes. Two years ago, Geo. Brownell shipped a car load of the trees south, and received a fancy price for them. Included in the car was a vast quantity of Oregon holly, which made a great hit in California.

SAVE SILVER FROM
GERMANS TAKEN BY
THIEVES IN PORTLAND

PORTLAND, Nov. 4.—Hidden in the walls of her house in Belgium which was occupied by the Germans for four years, Mrs. A. Happel's family plate came through the war safely to be stolen last night by American burglars from the home of her daughter, Mrs. A. VanRoosendaal, at 1474 Halsey street. Mrs. Happel arrived in America from Belgium last May and brought with her all of her most valuable silver plate and heirlooms. Most of these comprised the loot of the thieves.

ELWELL FOUND
GUILTY BY JURY
IN CIRCUIT COURT

C. A. Elwell was found guilty of arson in the circuit court here yesterday afternoon, after the jury had been out for 30 minutes. His attorneys immediately appealed for a new trial, which appeal was granted by Judge Campbell, the time limit fixed for ten days.

Elwell was arrested some time ago at Jennings Lodge, charged with setting fire to his store building at that place on the night of December 6, 1919. The Elwell family lived above the store, and during the night of the fire, Mrs. Elwell, in attempting to escape from the burning structure, fell from a window and broke her hip and wrist.

It is rumored that a more serious charge against Elwell will be brought by the federal officials, as the store housed the U. S. postoffice at Jennings Lodge, and the records of the department went up in flames on the night of the fire.

WAR VETERANS
IN POOR HOUSE
LEADER CLAIMS

INDIANAPOLIS, Nov. 8.—The American Legion must put itself before the disabled service men and government incompetency, F. W. Galbraith, Jr. of Cincinnati, national commander, told department adjutants of 30 states in conference here today. Mr. Galbraith also disapproved of placing world war soldiers in old soldiers' homes along with veterans of other wars.

"The trouble is," Mr. Galbraith declared, "that the men are regarded as mere cases, and not as human beings. They appear to be sheaves of paper, rather than the nation's heroes. The situation is pitiful—even frightful. The conditions in the tuberculosis hospitals are particularly bad fundamentally because the government did not build any hospitals for the demented coming back from the war. In Chicago seven former service men were found on a poor farm."

Mr. Galbraith said he was trying to raise \$500,000 from "an agency whose work is closely related to the problem of the disabled service men," so that the legion might have the facilities to carry out its plans.

Califfs Go Strong
On G. O. P. Vote

Mr. and Mrs. George Califf, of this city, who are among the staunchest Republicans of Clackamas county, are proud to say that fourteen members of their family voted the Republican ticket Tuesday.

Mervin Califf, their son, who is employed at the Crown Willamette Paper Company, was on the night shift leaving the paper mill at 12 o'clock, arose the following morning at 6 and was the first at the polls. He has to his credit the first vote cast in Ward 3 on the Republican ticket.

Mr. and Mrs. Califf both are members of the good old G. O. P. stock. The former's father, Captain B. Califf, was a Civil War veteran, Republican from the time he was of age until his death. His wife was also as staunch Republican.

In the Califf family voting the Republican ticket were Mr. and Mrs. George Califf, Sr., Mr. and Mrs. George Califf, Jr., Mervin Califf, Mr. and Mrs. Walter Morris, Mr. and Mrs. Howard Eberly, of this city; Mr. and Mrs. E. Ennon, Califf, of Portland, the former a baseball player Billy Califf, of Vancouver, B. C., who came home to vote; Mr. and Mrs. Louis Shott, of San Francisco, Cal. Next year there will be another voter in the Califf family, when Raymond Califf will follow in the footsteps in politics of his parents.

JAP LAND OWNERS
IN CALIFORNIA VOTED
AGAINST BY 3 TO 1

SAN FRANCISCO, Nov. 2.—California voters yesterday emphatically registered their approval of legislation aimed at the Japanese, which will prohibit them from owning or holding land in the state, carried by at least three to one. The vote in San Francisco was about four to one in favor of the measure. Some upstate counties, in which feeling against the Japanese was especially strong, went six to one for the law.

The Harris prohibition act modeled after the Volstead enforcement measure, which would have given state officials power to enforce prohibition, was defeated. The vote available is three to one against the measure, but rural districts will cut this ratio down probably. Returns indicate, however, that the voters have registered emphatically against the measure.

LUTHERAN CHURCH
BUYS C. SCHUEBEL
PROPERTY--TO BUILD

The C. Schuebel property, between Seventh and Eighth streets, on Jefferson, has been sold to the German Lutheran church of this city. The consideration is not known.

Mr. Schuebel will hold the property for a residence until September 1st, when he will erect a new home in the city. According to the board of trustees, the church has had crowded quarters for some time, and in buying the Schuebel property, will allow another lot which will give room enough for a fine structure and parsonage, to be built some time in the future.

It is reported that the church will use the Schuebel property to a parsonage, after it is vacated, until plans for a new edifice can be drawn up and approved.

Service Men to Get
\$2,200,000 Bonus

SEATTLE, Wash., Nov. 9.—Eleven thousand Seattle men, one-fifth of the total number estimated to be residents of the state, will be eligible in the distribution of the state soldiers' bonus appropriation of \$11,000,000, American Legion officials said Sunday night. Estimating the length of service for these men as being, on the average, equal to that of other service men in the state, officials believe the Seattle men will receive \$2,200,000.

Bonus payments will return \$90,000, it was estimated, to the coffers of the Veterans' Welfare commission of the state, loaned to ex-service men. A clause of the bonus bill provides that unpaid loans to service men will be deducted when payments are made.

According to one official of the Legion here, the boys must have financial help, or the team cannot hold up its record in Oregon City and play the best in the state. The boys are sadly in need of funds to carry on the sport, and it is expected that a big sale of tickets for the dance will be recorded. The best music obtainable for the occasion has been procured, and the hall will be appropriately decorated, with special numbers on the program.

A few apples, potatoes, a jar of fruit and a bit of clothing will not be missed in your neighborhood, and I assure you that the Aid Society will appreciate your efforts."
