They say there "is plenty of snow coming down form Cherryville and up in the mountains" and it almost times, but the real rush will probably changed his mind after throwing a few flakes around.

Tax payers around here should remember that on December 28 there will be a meeting of county tax payers at Oregon City and the budget for the year will be discussed. A movement is under consideration for an ranging with the Multnomah Co. Con taissioners for the care of our poor, instead of putting up a new build round, even though it be farther. The ing., which would cost at least ten Pleasant Home-Gillis route is the thousand dollars. It is claimed that the greater the number of "boarders" the less the expense, and many are Viser refreshment parlors one night favoring the plan of uniting with Multnomah County and, paying our dropping in. Mrs. Frank Smith and proportion for each inmate we would send there would undoubtedly be an economical procedure, especially when material and labor are still so These Mttle "affairs" will high.

> Mrs. Bonett, president of the Parent-Teacher's Association announces the next meeting will be held on the last Friday evening of the month at 8 o'clock at the City Hall to finish the appointment of committees and outline work for the year. Some suggested extending the meeting into a Watch Night party, but no definite action was taken. A large attendance is desired- everybody come!

> The Oregon Chamber of Commerce has invited the Sandy branch of the Development League to send delogates to the annual meeting in Portland, and Paul Meinig and Ed. Hart, president of the League, will probably attend.

> Mr. and Mrs. Johnnie Sinclair stayed over night with the Chown family one night last week. They came over to pack up their things which will be shipped over to Eastern Oregon as soon as the roads are in bet ter shape. They will remain in the Juniper Flat country this winter, anyway, as Mrs. Sinclair is so much bet

Last Friday night there was an exceptionally hard wind storm in this Sandyridge were over to the song part of the county ,almost every neighborhood receiving it's share of the gaie. Trees fell in every see tion, thundering down every little the E. L. Power ranch house last Fri- while; fences were broken on nearly all timbered sections, old mill buildings razed, and some logging camps had to close down until the "strays" that it was "hard lines" to pay such, could be sawed up and put out of the way. Mr. Wilson found seven logs sary last spring and then have no across the road when he carried the mail over the Marmot way on Saturday. It has been many years aince was sold by George Beers last week there was such a hard windstorm. to John Thompson of Portland who Rain was the accompaniment nature furnished while the storm was on.

Monday night it cleared up after a variety of weather all day, rain, ball, snow, and old "Jack" brought a freeze up in the night ,and Monday was the

were down in the city hurrying about pected from the doctor. Last winter

there were mild cases of scarlet week fever in town and in the school Mr. Ogden of Marmot spent a night most of the winter. This year a very at the Sandy hotel recently rather alight form of diptheria began, but

nw it is soon to be a thing of the past.

in another week, and the Sharnke's it's big frolic. SANDY, Dec. 15 .- The splendid One farmer near here said recently
