Local Notes from The Sandy District

SANDY, Jan. 5.—This year's holiday mail in the Sandy P. O. was by far the heaviest that has ever passed through the office, according to Mr. Purcell, Postmaster. Mrs. Annie Cooper and oldest son, Jacob, who lives in Washington, were Sandy callers last week. Mrs. Cooper was a former Dover resident and did her part in the pioneering of that neighborhood. Her mother, Mrs. Cubbage, passed away October 15. Mrs. Cooper lives near Lents Junction. Mrs. Fred Proctor and little Arletha were in Pleasant Home several days last week visiting at the home of Mrs. Proctor's parents, the Lehman's. Why should the rest of the county suffer because a portion of people around Oak Grove and vicinity have a grievance. Mrs. A. H. Shumake, Mrs. Pulfer, Miss Letitia Pulfer, Percy Pulfer, of Gresham and Louis Scurlin of Albany surprised Mr. and Mrs. Ernest Bonnett last Sunday remaining the afternoon and evening. There was music, and a happy time for all. Mr. and Mrs. Bonnett also had New Year's guests for the afternoon and evening. Mrs. Nelson and Milton Nelson and Mr. and Mrs. Ed. Gilt. The R. A. Ten Eyck family were all together again at New Year's time except Lillie, who failed to make her car connection, but the vacant chair is always remembered, no difference how many in a family! The usual big dinner and frolicsome time was enjoyed at this reunion. Mr. and Mrs. Walter Kiser of Tangent and Mr. and Mrs. Shaffer from Bend spent the Xmas time with the Joe Landree family. Mr. and Mrs. Schaffer, mother and father of Mrs. Landree, will remain here for an extended visit. Miss Minnie Senzke was out from Portland to spend the holidays with her parents, Mr. and Mrs. August Senzke. On New Year's eve Mr. and Mrs. P. T. Shelley invited Mr. and Mrs. R. E. Esson and Mr. and Mrs. Jack Scates to spend the evening and watch the old year out and the new one in. A hot midnight supper was served, and those merry folks not only watched the "old one" out, but started the New Year well on his journey by the time four o'clock arrived in the morning. Mr. and Mrs. Scates invited the Esson and Shelley families to spend New Year's day with them and the report is "a wonderful dinner" and the best kind of time! Interspersed through the day was singing and playing by Dorothy Esson, reciting by Ruth Esson, whistling by Johnnie Shelley, and Mrs. Esson furnished her quota of pleasure at the piano. In the afternoon Mr. and Mrs. Floyd Reed of Corbett and son and daughter and Miss Blackhall drove over and Bella furnished piano selections for the crowd. In the evening the merry party went to the picture show, and the clock hovered around twelve before the "good nights" were said. The Matt Zogg family were all together for Xmas dinner at home on Sandy-ridge, Mr. and Mrs. Truman Richey, of Boring, driving over to enjoy the home fireside for the day. Pauline Zogg has not entirely recovered from her severe attack of spinal meningitis. She was greatly improved but last Thursday took down again, is now at Estacada with her sister, Mrs. Wilcox, and is improving rapidly again. Mrs. Zogg is with Pauline and Barbara Zogg is at home managing the household. Mr. and Mrs. Lonnartz, daughter Anna, and Rev. Earl Cotton spent New Year's day with the H. S. Eddy family, Anna remaining with the Eddy's until Sunday evening. This was another of the pleasant home affairs that helped to warm the firesides of Sandy into a rosy glow. Little Barbara Edwards of Portland, a niece of Mr. and Mrs. E. Beers, is visiting at the Beers home this week. Miss Hal was a guest of the E. L. Powers family over New Year's, attending the games and returning to Portland on Sunday. Joanne Shelley had a birthday party last week for her friends, Dorothy, Ruth and Ronnie Esson and Helnie Dittler. There were nine candles on her pink-brown-white cake. Sandwiches and lemonade were also served and young hearts were made happy. Joanne has always had these same guests on her birthdays. Mr. and Mrs. Ralph Lewis and children of Hood River and Mrs. H. S. Lewis of Portland drove in and surprised Mrs. Shelley one day last week on wash day, but she was equal to that emergency and everyone had a fine time regardless. Mr. Lewis, Sr., was the librarian at Woodstock until recently. Rev. Earl Cotton had Sunday evening supper with Mr. and Mrs. R. S. Smith. It was the birthday occasion for young Donald and his cake had two "young" candles on it. Mr. Cotton was entertained over night by Mr. and Mrs. Eddy. There was a children's program given at the Pleasant Home Methodist church during holiday week. Joe Caldo was the big Santa Claus. A collection of twenty-eight dollars was taken for the Armenian sufferers. "The Passing of the Melting Pot" is the subject of the next stereoscopic lecture by Rev. Earl Cotton. There are seventy-seven pictures in the set, and 23 pictures to illustrate the song, "America." The date is Jan. 25 (Tuesday night) and the price of admission is ten and fifteen cents to cover the film expense. Rev. Heisy of Gresham and Rev. Cotton began a series of special meetings at Rockwood on Monday night which will continue a week or two. Rev. Cotton has charge of the singing, and will assist in the preaching services also. There was a watch night service at Pleasant Home, Dec. 31.

church the first part of the program was pictures from Ben Hur; four songs by a chorus; Two duets by Mr. Ball and Mr. Crozier; Group of games arranged by Ruth Eckler; Then followed the watch night service led by the pastor, Rev. Cotton; Refreshments were served to the fine crowd, old and young all remaining to see the New Year dawn. Miss Gladys Rahe and her brother, Floyd Rahe of San Francisco, were visitors at the home of Dr. and Mrs. H. B. Lawton for a couple of days last week. The Rahe's are California orchard people, and Miss Rahe was a former school friend of Mrs. Dawton. Mrs. J. C. Duke spent the week end in Portland with friends, arriving in time on Saturday for a big New Year's dinner. Jack Scates and our new hotel proprietor, John Omer, were in Portland on Monday on a business trip. The Esson's are having some remodeling done in their home this week which will make things more convenient and "nifty", as well. Mrs. Mary Caron has found her long lost cow at last, and is duly delighted over the fact. It was found in the Eagle Creek region, and still had the strap around her neck. The stork brought Mr. and Mrs. William Updegrave a big fine nine pound New Year's present, but they have not been able to find any name in the citation that is good enough to call him. Mrs. Viola Updegrave is staying with her sister, and little Loretta is spending a month at the home of her grandparents, Mr. and Mrs. J. G. De Shazer. The stork also hovered over the home of Henry Eri at Kelson a day or two after Christmas, so they accepted his present altho a little tardy for the Xmas present! This young "fellow" also was a heavy weight, eight pounds. There was preaching services at the Lutheran church on New Year's day by the pastor Rev. F. Dobberful. Mrs. U. Trubel has returned from a week's visit during the holiday time with her daughters in Portland. Mr. and Mrs. August Hoernicke (Myra Revenue) left December 31 for Portsmouth where Mr. Hoernicke has a position on the Yon place. No person in Sandy or round-about has more friends than Mrs. Hoernicke and she will be missed in all the activities of the town, social and other wise. There is one hope—that this couple may decide to return some day and settle down among us "for keeps". There were 102 numbers sold at the New Year's dance at the Odd Fellow's hall Saturday night, it is said. A new coat of varnish decorates the I. O. O. F. hall floor up stairs, natural yellow folks will want to clean their feet. The wedding of Al Helms to a Portland young lady is reported to have taken place during the holidays. Mr. Helms works in Portland and the new-lyweds will live there. Mrs. Theiss, mother of Frank Theiss, moved to Portland last Tuesday. Frank will remain on his place and try his own cooking again. It is reported that Dorothy DeShazer was married in Portland recently but particulars are lacking. Mrs. Anton Malar spent a few days with her sisters, Pauline Heacock and Mrs. Byrd, at Damascus last week. Mrs. Wilson will remain with Miss Heacock this winter. The quarantine was lifted from the Henry Perret home on New Year's day so Mr. Perret gathered up the family at once and took them for a long drive, and later in the day ate his New Year's dinner at his own table, the first meal he had at home since Antonio took ill with diphtheria. The William O'Neil family is out of "prison" for their green card was taken down on Sunday morning. Now the whole town and surrounding vicinities are free from the light form of diphtheria contagion. Measles are dying out in the Bull Run community, also in the families "under the hill" that had them. No cases have yet appeared in town. Miss Caroline Vaerotti, principal of the Kelson school has recovered from an attack of the measles and is teaching again. The first week of her illness she remained with her sister, Mrs. Max Kileg. George Krebs is home from the Sanitarium where he took the milk cure for a number of weeks. He is much improved, looks fine, feels fine, only he is still weak, and the doctor insists he must take it easy for a month or two yet. A Schwartz had his eye painfully injured last week by a spring hitting him in the eye while trying to repair his truck. It is reported that Henry Koch has been taken to the open air Sanitarium at Milwaukee, which is a surprise to his friends, although it was known he had been ailing for some time. The Roberts family at Dover have been on the sick list the past week according to reports. Chas. F. Barber, a former neighbor, of the Walter Krebs family was out here Friday and Saturday, spending the night at the Miller home. Mr. Barber is a partner in the Cleaver Apple Syrup Co. which is located in Vancouver now. Mr. Barber's son, Leigh, is in California for the winter, and possibly may remain there. A. W. Shipley, "Bill" Peterson and Wilfred Elliott are hauling ties from Bull Run Lake to the station since the boom broke at the Sandy Lumber Co. mill. Joe Loundree drove a load of timber crusers over into the Marmot country on Monday and the road is said to be pretty bad in spots. There is great rejoicing in these parts as well as all along the line east of town because the road between Firwood and Sandy is all repaired and now the road is open all the way to the mountains: What this means in dollars and cents as well as convenience is best appreciated by those who travel the road every day. Ed. Bruns is very much worried over the accident he had in Portland, the first of the week. It seems a

Chinaman was crossing the street and suddenly changed his mind and darted back, just in time to be struck by the Bruns car. The Chinaman was dangerously hurt although Ed. stopped the car within four feet. The Sandy hotel equipment has been sold to John Omer of Portland, and the building leased for one year. The Omer family took possession about January 1. Geo. Beers made the transfer. Mr. and Mrs. Wolf who have owned and managed the hotel for eleven years will now take a rest and as soon as business arrangements are completed will go to California or Eastern Oregon for awhile, principally on account of Mr. Wolf's health. Rev. C. E. Cline of Portland was in town one day recently looking around for farm land. County Judge Harvey Cross, W. A. Proctor and W. F. Harris, Commissioners have been getting right-of-way transfers the past week and when that work is completed it is said the contracts will be let at once for the construction of the Mt. Hood highway. A bunch of surveyors are also at work running a few new lines in order to make certain changes to satisfy some property owners which will save a considerable amount to the county. Kelsker and Wencell have bought "Billy" Al's donkey and are moving it down to their mill at Linton from the Sandy Lumber Co. mill at Brightwood. Mr. and Mrs. Steelhammer and little Gretchen were out for the home Christmas dinner at the Power's ranch returning to Portland on Sunday. Young John Maroney and George Junior were out from Portland to spend New Year's with the John Maroney family, returning Sunday P. M. Mrs. Maroney had only nine for breakfast and dinner last Sunday, but she is always equal to such home hospitalities. Paul Koch was in Portland for the week end and went to see his brother at the Open Air Sanitarium. Mr. and Mrs. J. H. L. Maybee brought their daughter, Mrs. Alma Maroney home on New Year's morning. Mrs. Maroney had spent several days in the city, visiting. The party had their New Year's dinner at the Maroney's, and attended the dance in the evening. Mr. and Mrs. George Ten Eyck spent the week end at Cherryville with the home folks, the Averills. W. Dosholm, Walter Krebs and J. G. De Shazer all of Firwood attended the budget meeting at Oregon City last week. The Mickelson-Nelson mill was closed down several days during the week on account of the water being so high that the boiler could not run. The continuous pour-down makes it very inconvenient for work, but it might be worse. "Zeke" Beers said he remembers a winter sixteen years ago that was much like this, in fact we are three inches shy of the rain-fall of that winter! It is merely old-time Oregon come back again. John Maroney is still not able to work but is feeling much better. He had a siege with something akin to sciatica. George Maroney went to Portland with R. C. Frace on Monday. Mr. Frace had to have an operation on his face. A tooth had to be extracted, and opening drilled through the nose to make another outlet for the pus to drain. It is hoped this operation may be successful. Remember the song service next Sunday night! Good music is the echo of an inspirant that comes from the divine! The Grange session is on Saturday, January 8, and everybody should come to the lecture hour program in the afternoon. Ed. Hart, president of the local Development League, was enthusiastic over the state Chamber of Commerce meeting he attended in Portland last week. Oregon still moves.

through Multnomah county to get to Oregon City on account of bad roads anyway. Mr. Dunn proved to the gentleman he was not informed on his own subject. A number of Sandy business men attended the meeting at Milwaukie Monday night to protest against county division, particulars of which have no doubt already appeared in the dailies. However, it would be expected the enemies of good old Clackamas could carry their own neighborhood before going out of their way to inflict trouble on the rest of us! But, we shall see what we shall see! SANDY, Jan. 6.—Among the delightful home enjoyments of the week was the dinner given by Mr. and Mrs. E. D. Purcell for Mr. and Mrs. Casper Junker, Miss Mary Junker and Mrs. Frank Schmitz on New Year's eve. After the delicious meal was over the evening was spent in music; Miss Mary Junker sang a number of solos in her own sweet, artistic manner, home-songs were sung by the "rest" as a pleasing diversion, and the evening sped merrily away. As the footsteps of the old year died away hearty greetings for the dawn of the new-born year were exchanged, punch was served and though a simple home affair, it was a charming one for all present. SANDY, Jan. 4.—Word was received that the Chinaman injured by Ed. F. Bruns yesterday while driving along the street in Portland is dead, and Mr. Bruns is in Portland. The sympathy of the entire community is with him, as he is a highly respected citizen here and would not intentionally injure any mortal. SANDY, Jan. 3.—The parent-teacher meeting was held last Friday night at the city hall with the president, Mrs. Bonnett in the chair. The following committees were named: Advisory, Mrs. Vera Smith, Miss Esmer Mixer, Mrs. Dodson, Mrs. Lige Coleman and Mrs. Nicholas; Program, Mrs. Edna Esson, Mrs. Allen, Mrs. Blanche Shelley; Reception, Mrs. Shelley, Mrs. Alice Scates, Mrs. Alfred Bell, Mrs. Henry Perrett and Miss Myers; Decoration, Mrs. Minnie Proctor, Mrs. W. A. Proctor, Mrs. Grace Beers, Mrs. Mabel Beers and Mrs. Velvick; Refreshments, Mrs. Alma Maroney, Mrs. E. J. Mitchell, Mrs. Burmeister, Anna Glockner, Mrs. Dittler; Membership, Mrs. Lillian Ten Eyck, Miss Barton and Mrs. Scharnke; Publicity, Mrs. Scates, Mrs. Mattingly and Mrs. Dodson. There were new members united during the evening. A pleasant meeting and a good time was had, and it was requested that all who want a P. T. organization here should come out and take an interest in the meetings. Refreshments were served. An entertainment may be announced before long. Committees Named By Sandy Club
