MILWAUKIE AND NORTHERN CLACKAMAS

ADOPT RESOLUTION

MILWAUKIE, Jan. 19.-In as much as the members of Milwaukie Grange are vitally interested in the welfare, growth and development of Milwaukie and the surrounding country, and in as much as such growth and develty and whereas the said county of ing in one of Mr. Griffin's houses. Clackamas is unable to do the things necessary to the development and welfare of this community and whereas nearly all our business is transacted in Multnomah County and this northern section of Clackamas County is naturally tributary to Portland, therefore we, the members of Milwaukie Grange No. 268 in regular meeting assembled, believing it for the general best interest of both counties involved, do most earnestly urge the legislature to take such action as may be necessary to bring about the edsired change of boundaries so that this section may be made a part of Multnomah County.

Adopted unanimously at a regular meeting of Milwuakie Grange No. 263, mind her they had not forgotten her and were favorably impressed with held on the 15th day of January 1921.

SANDY, Jan. 19 .- The local branch of the Oregon dairymen's League was able to return to school for some held last Tuesday at the call of the time. president, Anton Malar and was adtheir husbands at an old fashoined dressed by Albert Hall, General Manager, J. W. Pomeroy, manager of the the Duncan home. League creamery in Portland and D. W. Denny of Washington county. The hostess on Wednesday, February 2, question of taking over the Sandy Creamery was discussed at length, the trouble being somthing like a nérvous claim being made that the time had arrived for dairymen to "get together as one big selling organization." It Old Iowa friends called on Mrs. to Canby on Tuesday to look at land was brought out that the day was Finch on Friday of last week to re- and on Thursday went to Woodburn past for getting together in small cooperative groups because the surplus product must finally go to the big center. "On Front Street, dairying has birthday cake was made by Mrs. to the little daughter of Mr. and paid" was the assertion of one speaker, no matter what the cost of feed, kind of cows, the money is made there on the product that comes in, regardless of the income to the producer. "The whole system of industry dedepends on the dairy cow, and that the farmers cannot get together and stay together is mere propaganda or circulated to "make them think so." was the opinion of the speaker.

Manager Hall explained the league's workings in detail, claiming it's present pooling system is practically the same as the Hood River fruit organization. Asked "where do you get money to own plants," Mr. Hall said only preferred stock is issued in the amount it takes to buy a factory, and one fifth is paid off each year for five years, then the stock is retired, and the league owns the factory free from incumbrance, and equipment is availa visitor. After lodge closed a gen able to go on producing. There were eral good time was enjoyed. There was a man in our town went to Portland-once upon a time (last week) and parked his Hupmobile on the draw of the Morrison street bridge! The bridge tender was not very "tender" when the "Hup" man track in the snow that resembled a appeared for his car.

Henry Kamp is helping load ties at Bull Run for the Sandy Lumber Co. and Dixon, both mills are fluming down there now. Wilfred Elliott. "Bill" Peterson and Mr. Kamp drive back and forth to Bull Run.

The Ridge Lumber Co. has shut down on account of the snow over at Marmot, accorring to John Nelson, Senior partner ni the firm.

Eri and Jonsrud the new general merchandise firm at Kelso are reported to have bought a piece of land across the road from the present store from Robert Jonsrud and they expect to put up a new store building, it is said, which will be a big improvement for the business of the firm.

The Dixon mill is also shut down on account of the heavy snow, but is trying to get ties to market by way of the Bull Run car line.

The Sandy Lumber Co. mill has been running intermittently for the past few weeks, closing down altogether for a week or two past. First the high water interfered with the boiler, and then came seven inches of snow shortly after.

John Haley is having some hard luck with his herd of hogs having lost a few and the other getting stiff from over feeding. He wants to market around fifty in March.

Carl Langer has sold his personal property including all of his farm bee! There is more real fun in implements and leased the place to Joe Haley for a term of three years game enough to "try" than in any Carl and his mother are going to move to Portland to remain at least three years. It will seem odd to have the Truble place go into other hands even temporarily.

Fall grain is looking very fine-better than usual at this time of year. The recent storms blew down a great many trees on the Ridge, according to Charley Krebs who says sound "Firwoodeen", during

trees were blow down and broken off

at the roots. John Hoffmeister a stockholder in Frank Christiansen has been roamthe Sandy creamery from Damascus ing all around the country on foot the past week hunting for "trouble", and every one was glad when he found it! Even the long distance lines were out as the result of high winds last Friday night, some claiming that a "near" C. Scharnke secured several signers cyclone was rampaging all around

these parts, but the sound sleepers failed to hear the commotion. The Firwood road is getting in bad shape again as all the travel started And now Boring has it's first pic- ing out to get signatures to deeds that that way again as soon as the road this end is the trouble, the mud being so deep and the traffic so heavy

A party was given at the home of it will not hold. The regular annual meeting of the Sandy Creamery Board was held last Saturday. After the accounts and other business were passed on F. W. Canning and H. H. Watkins were elected members of the board again.

spirit in which these young people R. G. Scott is in surrounding vicinities getting signers for the Dairyhymnals in a book-binding contest. men's League. He may call meetings at Kelso, Cottrell and perhaps Boring, soon, to try to get the dairymen to work together as a unit in the organ-

Sandy all the week visiting at the ization Anton Malar said at the recent Dairymen's League meeting that "in week to see all the sights that were in Eastern Oregon and Idaho the past the enforcing of the pooling system shown in the big automobile doings, two or thre years but have now locat, all have suffered, but sacrifice marks every success."

W. W. Canning made some telling remarks at the League meeting that were well received by the large crowd. Eight thousand dollars has been subscribed between Gresham and New Pleasant Home to bring electricity out to farmers, along the way. The canvass is not yet made from the latter place to Cottrell, but no doubt the movement will be as successful to Cottrell, at least the feeling is gen-

eral that the movement will succeed. A party who attended the Farm Bureau week at Gresham on poultry day said that there were ninety-nine Mr. and Mrs. Carl Aschoff and Dor- Sandy Sunday night. They were persons present that day who were

gone down to Portland to board for thousand hens! "Bill" Fabiam was in Sandy one and there wasn't much eating for for Jack Sacles from his mountain

Surveyors are now located in Sanly to work on the highway lines and

weeks. The Dwyer Logging R. R. is ready Teacher meeting recently and after to jump the road at the Wilcox place, the business part of the session was even the rails are laid that far, acover, a part of which was to appoint cording to Gus Dahrens who was a committee to visit the school, Mr. handling the pile driver while the Brown and Mr. Radford furnished logging camp was shut down, but is some instrumental music and then now "herding the donkey" since the

came the real sport of the evening new camp is opened. was "put on." Mr. Crissey of gladiola the Dwver camp recently when the fame pronounced the words and Miss book tender's right arm was spiniter-Beers, a Sandy high school student ed up to the shoulder when the block the "donkey." He was packed in ing the whole "school" down, Mr. H. three quarters of a mile by the "boys" Mr. Lehnfield went up to Wild Cat, H. Watkins was next in honor, and to where he could reach a car for the

spellers. After the "bee" a pie social shoulder. Charley Krebs did not attend the was next in order and pie-pie-pie-James Bell of Sandy Ridge was over of every description was auctioned Farm Bureau at Gresham last week

A new family has moved into the little cabin by Anderson's and the twenty-five. This is the second spell- father is cutting cord wood on the forty that Robert Jarl sold to Joe Sandy folk were expected, but too Donaldson. There are five children, two of school age, in the family. The Sandy-ridge school is full this winter.
