A MESSAGE FROM FRANCE. (By Augusta Kirchem.) In memory of Private Frank E. TAX ON OUTSIDE

council Wednesday was teatured by numerous petitions, that regarding the licensing of commercial vehicles bringing out the most discussion.

This petition had been circulated by J. F. Albright and was signed by about 150 voters who asked that the matter be put before the people at the next election. This petition had completely tied the hands of the coun cil, but to offset this fact, Attorney Eby had prepared a new ordinance on the question which contained a clause declaring an emergency.

This new ordinance was given its MEDFORD, Or., April 4.-With hail first reading at the Wednesday meetsage at the next regular meeting of Rogue river valley suffered one of the council. The emergency clause the worst freezes in its history early will allow the city to collect the license fee as soon as it is passed. whereas, if this new ordinance had not been provided it would have been impossible to do so until after the election.

The names of the signers were read and Councilman Pretzold called attention to the fact that only three of the signers were merchants of the city. Robert Scheubel, one of the signers, was present and claimed that he signed because he thought it was the proper thing to do. He urged that the council provide for the IIcensing of all business and professional men of the city, which he claimed would be as fair as the licensing of out of town vehicles. Councilman Mount explained that the ordinance was to help raise money for street improve ments and that none of those affected were objecting to the payment of the

license. A petition of the residents near Seventh and Harrison asked permisthe city engineer establish grades. start in the near future.

A petition was submitted providing for an are light at Thirteenth and Monroe. After considerable discussion this petition was granted, the work to be done as soon as the money in the budget is available. Residents of Greenpoint presented a

petition for the improvement of their streets and the building of sidewalks. This was referred to the street committee. Councilman Cross claimed that four-foot walks was all the people of Greenpoint asked, which was considerable less in cost than the regular six-foot walks. Mr. Brown, local agent of the South ern Pacific company, asked permis-

sion of the council to trim the limbs

of the trees along the railroad, which

This constant menace is hanging he claimed were interfering with the over American marines stationed in telegraph lines. Permission was asked on account of the city stopping the cutting of these trees some time ago when they claimed unnecessary cutting was being done. This matter was referred to the street con mittee with instructions to oversee the work. entatives of the Glad city council were present and asked the council to sell them one of the
