### Oswego-Portland Road Work Starts

SWEGO, April 12.-The Oswego-Portland highway work began the first of this week. Heavy barracades were erected across the bridge at Wilsonia Monday, and it is the understanding Club Fund Aided that the laying of the cement will begin in a few days if it doesn't rain.

This section of the road has been waiting for a dry spell of two or three weeks since the contract of hard surfacing was let Septemeber 28. The contractors are expected to lay between 275 and 300 feet per day which should bring the stretch, which is 3700 feet long, to completion in about 14 days. After that it must harden for six weeks or more before being used
