## HUNDREDS ENJOY BIG ANNUAL COUNTRY FAIR OF CANBY STUDENTS

CANBY, April 20.—The annual "country fair" given by the students of the Canby high school last Friday evening was one of the most successful events ever given in this city, and was attended by 350 people, who pointed in the festivities of the evening, and making merry until 12 o'clock.

With prettily decorated booths arranged about the auditorium, speakers from each class doing their best to bring the trade to their booths added to the interest of the evening's program. No class outdid the other, for the speakers could not be excelled even by professionals, and the way they "coined" in the money wasn't slow.

After the expenses of the entertainment had been met, it was found that there remained \$171 to be applied to the piano fund and other necessities of the school.

Ice cream and cake, soda pop and "hot dogs" disposed of during the evening, as well as homemade cakes and pies that brought good prices. There remained a few at the close of the evening's program, and an auction took place, when M. J. Lee and J. Morris proved their worth as auctioneers.

# HUGE AMOUNT OF POWER TAX LOST TO OREGON CITY

Oregon City will have \$7,110 less to spend from the city tax fund and \$1,856.50 in its road fund as a result of an error in transferring figures on the assessment roll just discovered Tuesday.

West Linn will receive \$3,550 more for its city tax fund and \$1,856.50 in its road fund as a result of the error.

This came about in transferring figures on the rolls of the assessed valuation on water power sold by the I. R. L. & P. Co., to the cities of West Linn and Oregon City. The assessed power valuation was set at \$896,000 and in the assessor's office, when the figures were put upon the record Oregon City was credited out of this amount with \$445,000 while West Linn was given \$251,000. With an 18 mill tax for Oregon City, the amount credited on this side of the river would bring around \$17,000, while a 5 mill tax at West Linn on its share would bring that city something like \$10,000.

According to the corrected entry on the tax rolls, Oregon City has been credited with \$250,000 assessed power valuation sold, while West Linn gets credited with the bulk of the valued power sold, or \$646,000, and therefore receiving \$3,550 more in tax than was first supposed.

Not only this, but the P. R. L. & P. Co., will get a refund of something like \$3,550.00 or the difference between the 5 mill tax in West Linn and the 18 mill tax in Oregon City on the assessed water power sold direct.

Assessor Cook has put the matter up to the county court to have the records changed and order the refund to the electric company on the first half of the taxes paid. The court has taken the matter under advisement.

## I. O. O. F. LODGES OF COUNTY HOLD BIG CONVENTION

Molalla was the scene of the semi-annual district convention of Odd-fellows of Clackamas county, Saturday, when every lodge, except that of Wilsonville, was represented at the gathering. It was one of the best, and most successful conventions of its kind ever held in this locality, and several prominent members from over the state were in attendance. The convention opened in the Molalla hall at 2:00 p. m., to transact business of the order. It was voted to hold the annual picnic this year at Gladstone park on Sunday, June 19, and elaborate plans for the occasions will be perfected by a special committee appointed to take charge of the event. It was decided to hold the next semi-annual convention at Estacada.

After the business of the afternoon was completed, the main feature of the day—that of the degree teams of the Oregon City and Canby lodges in competition for a silver cup—took place. Each team went through the degree ritual without a hitch, and at the end of the contest, it was hard for the judges to decide which team was the winner. However, Canby, was awarded the cup, which will be up again at the next convention.

An excellent dinner was served by the ladies of the Rebekah lodge, when between 300 and 400 people sat down to a sumptuous banquet. The tables were loaded down with the delicacies of the season, and the scene was a mass of color and good fellowship.

The lodge convened at the hall again to hear the entertainment of the evening and listen to the main address of the day given by Grand Marshal Fred J. Meindl, which was excellent and well received. The program numbers were: Invocation, Rev. S. J. Kester, of Molalla; address, Chris Schuebel, of Oregon City; vocal solo, Miss Agnes Clifford, of Molalla; address, J. N. Hart; song by the Meade Male Quartette; character sketch, Herman Chindgren, of Oregon City; piano solo, Miss Leilah Fitzloff, of Colton.

A special train over the Willamette Valley Southern carried the local delegations to Molalla, running from this city at 1:45 in the afternoon and returning about midnight. Just before Oregon City lodge No. 3, left this city, an impromptu parade with the members in uniform took place from Seventh street to the W. V. S. depot.
