# Meet at Oswego

OSWEGO, May 24 .- The committees on publicity and exploitation met last Thursday and prepared a budget of expenses needed to carry forward the work of boosting Oswego for the 1925 fair. E. T. Valliant was given the work of getting estimates together for the next meeting of the Osvego Lake Hydro Elecric club Friday evening.

County Judge Harvey Cross attend ed the last meeting of the club at the request of the club. Road maters in the northwest corner of the county were discussed. The Lake Grove delegation asked for some improvements on the road leading from their district to Oswego and to the Multnomah county line. Judge Cross stated that the county commission has plans un der way for paving in the near future but are handicapped on account of the county only being allowed to spend

\$11,000 per mile for road work. Club members urged that some steps be taken immediately to improve these roads. Judge Cross relied that he has hopes of the paving being commenced this summer. discribed qualities of paving being considered by the commission.
