

CANBY AND SOUTHERN CLACKAMAS

Prominent Girl of Canby Weds Lawyer

CANBY, Oct. 19.—One of the prettiest weddings of the season was held in Portland Saturday evening at the home of Mr. and Mrs. John F. Kaufman, of Nineteenth street, when Miss Katherine Evans, only daughter of Mr. and Mrs. Harry Evans, of Canby and Phillip Hammond, of Oregon City, were united in marriage. The impressive ring ceremony was performed in the presence of about fifty friends and relatives, by Rev. P. K. Hammond, of Ashland, father of the bridegroom.

The bride was attended by Miss Marguerite Hammond, of Gladstone, sister of the bridegroom, and the best man was Lee Shannon of Oregon City. The flower girl was Helen Kaufman and the ribbon bearers were Grace VanSicklin and Grace Hoch.

The bride was beautifully gowned in white satin, and her long veil was held in place by a coronet. Her shower bouquet was of bride's roses.

Miss Hammond, bride's maid, wore a becoming gown of blue crepe, and she carried a bouquet of Ophelia roses.

As the bridal party entered the parlors an orchestra played Lohengrin's Wedding March.

The ceremony was performed beneath a floral archway. The rooms were beautifully decorated with cut flowers and palms, and were artistically arranged.

Following the ceremony a reception was held and refreshments were served. Assisting Mrs. Kaufman in serving were Mrs. D. I. Grace and Mrs. Lily, of Lodi, Calif.; Mrs. Kimball Kaufman and Mrs. Earl Kaufman.

Mr. and Mrs. Hammond left on their honeymoon, which will be spent in California, upon their return they will make their home in Oregon City, where the bridegroom is practicing his profession as an attorney.

The bride is one of Canby's most popular and charming young women. She graduated from a high school in Portland as well as from one in Nebraska before taking up her college course in the University of Washington, from which institution she also graduated. She is a member of Delta Gamma of the University of Washington, and was chosen as a delegate to the East a number of years ago to represent the organization at a convention. She is also a member of the Phi Phi Epsilon, a musical fraternity.

Mr. Hammond, second son of Rev. and Mrs. P. K. Hammond, of Ashland, is an attorney of Oregon City, also city attorney of Canby. He was a member of the legislature at the last session of the Oregon Legislature, and is a member of the Phi Delta Theta fraternity of the University of Oregon, having taken a course in law at that institution.

Walnut Crops Are Good This Season

CANBY, Oct. 18.—The walnut crop of Clackamas county this year is larger than was anticipated by a number of growers, and the fruit is of exceptional fine quality. There are a number of farmers in the vicinity of New Era and Canby, who are specializing on nut growing industry and are making good. Among these are Herman Anthony and C. L. Strong, whose farms are located at New Era.

Mr. Anthony has 75 nut trees, a large number of these being 25 years old, while others are much younger, and commencing to bear their first crop. This year's crop will average one ton on the Anthony place, five acres having been planted to Franquette and Mayette nuts. Large bins filled with these nuts may be seen in the storehouse at the Anthony place. Eighteen hundred pounds have already been harvested, and the owner is busily engaged in harvesting the remaining 200 pounds.

New Canby Garage Nears Completion

CANBY, Oct. 18.—The garage under construction in this city for Grant White and located on the new highway is nearing completion. The building, which is of tile blocks, is 100 feet square, with concrete floor and roomy filling station fronting the highway. The main store room of the building is 10 feet square; the repair room, 30x55 feet; office, 9x14 feet and the storage room 45x100 feet. The main salesroom and office are to be plastered.

The building is being finished on the inside by Warren Kendall, B. H. and J. W. White, brothers of Grant White, owner of the building. The work is being pushed rapidly to completion, and will be ready for occupancy within a few weeks.

Brother of Teacher Killed In Canada

CANBY, Oct. 18.—Miss Mary E. Eyre, teacher in the Canby high school, has gone to her home in Salem for a few days, having received the sad intelligence of the death of her brother, George F. Eyre, son of a Salem banker and capitalist, who was killed in a railroad accident in Canada. The accident occurred at Regina, according to telegraphic advices received by the father of the young man. He was 27 years of age and lived at 650 East Hawthorn street, Portland. Mr. Eyre was in Canada looking after livestock and farming interests. So far there have been no details concerning the fatality causing the young man's death.

Miss Eyre will return after the funeral services. During her absence Miss Evelyn Harding, of Oregon City, is filling her duties in a most satisfactory manner. Miss Harding is a former student of the University of Oregon.

CANBY LOCALS
CANBY, Oct. 18.—Mrs. Kate Spulak,

residing near this city was in Oregon City on business Tuesday.

William Hissell was among those to transact business in Oregon City Tuesday. He formerly resided there.

Mr. and Mrs. Crawford are registered at the Cottage Hotel. Mr. Crawford is in charge of the thirteen men who are replacing new telephone poles in and near Canby.

The windows of the Huntley Draper Drug Company has been attractively arranged with articles that are to be placed on sale at the big one cent sale this week, and has been the means of drawing much attention by these passing that way.

Among the Canby visitors the latter part of the week was Mrs. Mary Hougham of Oregon City former resident of this city.

George Brown, of New Era, was among the Canby visitors Tuesday, coming here on business. Mr. Brown has finished harvesting his potatoes, and are now stored away in the new ware-house.

W. H. Lucke, commission merchant, was in Oregon City on Monday looking after his interests in that city.

Frank Kendall, who has been visiting his brother, Warren Kendall, in this city, has returned to California, where he is employed by the Southern Pacific.

Miss Ruth Raddatz, of Portland, has been in Canby visiting her sister, Mrs. John Steve. Miss Raddatz is employed by the telephone company.

Roy Kautz and family, who have been occupying the home owned by Mrs. John Eid, have returned to Portland, where they are to make their home.

Jeff Zabel and son left on Monday for Myrtle Creek where they are to make their home, having leased a 260 acre farm. Mrs. Zabel will leave later for that place.

Canby School Notes

CANBY, Oct. 18.—Miss Eyre is not with us this week on account of the death of her brother which occurred in Canada on Sunday. Miss Harding is taking her place, and we appreciate the spirit with which she entered into the school work.

The floor of the school gym is being oiled and the girls' basket ball practice is postponed till next week.

Franklin B. Launer, our high school music teacher, is going to appear in Portland next Friday evening in a musical concert. Some students are planning to hear it.

The entertainers committee is planning a very interesting program for next Thursday in student body meeting.

SENIOR NEWS NOTES

The Senior class had a meeting Thursday after school and a committee was appointed consisting of Dorothy Vaughan, Mildred Henriksen and Louis Lorenz, to see about class rings.

Mildred Henriksen substituted as teacher, at the Mandor school Monday and she reports that she had a successful day and intends to make teaching her "hobby."

The Senior civics class enjoyed very much Miss Harding, who is taking Miss Eyre's place this week.

Eva Kraus attended the program and bazaar given at the Mackburg school house by the Lutheran Ladies Aid last Saturday evening.

The members of the Senior class attending the Methodist Episcopal social Friday evening were, Violette Loford, Mildred Henriksen, Noel Oathes, Eleonor Lent, Louis Lorenz, Easter Noble and Cora Ausve.

Merrill Hampton is back again after a long absence, part of the time, which he spent in a hospital in Portland.

JUNIOR CLASS

The girls' basket ball teams were organized Tuesday. The Juniors have two teams and they expect to get out a good practice next Thursday evening for the first time this year.

The Teachers Training 1 class has begun the study of drawing. Calendars, mottoes and borders have been drawn on the board for the month of October. These drawings will be used when students begin to teach classes.

Joyce Southerland spent the last two weeks at her home, picking up potatoes.

Clifton Marks visited the Junior class, Friday. He also attended the football game.

Margaret Brown, who sold three dollars worth of Chinese Relief Stamps last year, received a Chinese coin, Monday from the association. This coin was presented by the Chinese as a matter of appreciation.

SOPHOMORE CLASS NOTES

Lena Sandness was absent Monday on account of illness. We all sympathize with her.

Rex Barth was absent a half day last week.

The Sophomores are proud to have the class treasurer Ella Samielson on the entertainment committee for the student body organization.

Fergus West was absent an afternoon last week.

Among the Sophomores that visited the Oregon City carnival last week were: Lena Sandness, Evelyn Dalen, Olga Miller, Fergus West and Ray Boardman. They all reported a good time.

The Sophomore and Senior girls are going to practice together in basket ball. The condition of the floor prevents practice now.

Long Time Resident Of Clackamas Dies

CANBY, Oct. 19.—Alfred Robins, aged 63 years residing near Adkins Mill, died in Oregon City Wednesday night, after an illness of several months.

Mr. Robins has been a resident of Clackamas county for the past fifteen years, coming from the Middle West. Deceased is survived by a sister, Mrs. John Hodges, of Michigan; four brothers, Thomas Robins, of Georgia; William and Edwin Robins, of Arkansas and John Robins, of Canby.

Canby and Barlow Paving Completed

The paving on the Pacific Highway between Canby and Aurora has been completed and it is expected that the road will be opened within a month.

This will mean that the entire highway through Clackamas county will be open to traffic by the 15th of November, or probably a few days later. The paving between Bolton and Portland has been completed and is to be opened about the 20th of this month.

With the completion of the new Willamette River bridge, it is expected that the Pacific highway will be one of the most traveled roads in the state of Oregon, and Clackamas can boast a stretch of the most modern pavement in the west.

Undoubtedly a Record
A Chinese, fighting for citizenship in Chicago, declares he was born in San Francisco, but admits that his parents never left China. This is believed to be one of the most absurd-minded tricks the stork ever played.

Man Falls Under Plow; is Dragged for Twenty Rods

Dragged beneath a plow for more than 20 rods, Otto Peters, a farmer of Stafford, is in a serious condition at the local hospital.

Peters, it is believed, was running the tractor and plow with which he had been working, to the barn, when he fell off, and was caught beneath one of the lifted plow shares. The tractor continued and Peters was dragged along the ground until the machine struck a ditch which stopped it. The accident happened Wednesday evening.

Exactly how the accident happened is not known. One of the men on the ranch saw the tractor hit the ditch, and realizing that there had been an accident went across the field to find Peters severely cut between the lower abdomen and the right leg. His leg was nearly severed from his body.

The man is under the care of Doctors Mount. Just what hope can be entertained for his recovery is not known, as he may have suffered internal injuries.

PLANNING SOCIAL

The young people of Mulino are planning a Halloween carnival at Mulino Saturday evening, Oct. 29, when a musical program and old time games will be features of the evening.

Pretty booths have been arranged where, coffee, cake sandwiches, candy and soft drinks will be sold, the proceeds going to the church and Sunday school. Fortune telling, witched and ghosts will help make the evening one of pleasure and amusement.

IDEAS OF A PLAIN COUNTRY WOMAN

Dear Comrades enlisted in the great army of parents, founders of the greatest institution on earth, the home co-workers with God in his greatest work, the creation of the child, I believe the thing nearest our heart after all is our ambitions for them, our children. What will my child be?

We all want them better than ourselves. We hate our own weaknesses we see cropping out in them and take heart when a good characteristic shows forth, we dreamed of what they might be even before they were born, not being aware perhaps of what great influence we might have had in shaping their natural tendencies, that we might have had the kind we desired them to be if we had understood the value of pre-natal culture to enable us to weed out the undesirable in our own characters, leaving the best of

our physical, mental and spiritual natures to pass on as a legacy to our children. An asset which is the right of every child, if he had put as much thought on our child being well born as the farmer does in raising thoroughbred stock, the world could boast of more men and women born great. We put our produce upon the world's market with our own brand whether it be good or not, but let us take heart in fact that hereditary characteristics are not merciless and unchangeable they can be eradicated or strengthened, eliminating the old bug-a-boo theory that a child has to be what he is. We are all interested in what way we can make good with our children, we have placed them here and are responsible for what they are. How can we re-create them?

COUNTY CONTRIBUTOR

Brumfield Guilty Of Murder Charge

Dr. Richard M. Brumfield, Roseburg dentist, was found guilty of the murder of Dennis Russell by a jury Wednesday night after having the case for three hours and 40 minutes. The verdict was returned at 11:24.

This ends one of the most sensational murder trials in the history of the state and the penalty is death by hanging.

Brumfield received the verdict with the same unconcerned manner that he manifested throughout the trial but Mrs. Brumfield who has remained by her husband during the trial gave way under the strain and wept.

OIL CAN GRIP

A piece of sheet metal bent roughly in the shape of a buffalo's horns, with a hole punched in the center so that it will fit under the spot, which is then screwed in place, makes an admirable finger grip and enables the operator to shoot the oil more accurately.

Proved Tuesday Night to Oregon City

Big Audience at Liberty Theatre Hears Helen Clark and Joseph Phillips in EDISON-Tone Test

In a test of direct comparison, made Tuesday night at the Liberty Theatre, before a large audience, the New Edison scored a complete and convincing triumph.

Helen Clark, the famous contralto, sang in direct comparison with the Re-Creation of her voice by the New Edison. To every ear, there was no difference between her living voice and her Re-Created voice.

This is the most drastic phonograph test known. No other phonograph has ever sustained it. No other phonograph has even attempted it.

The New Edison's marvelous performance Tuesday vindicates everything that has been said or claimed for its perfect realism.

Helen Clark stood on the stage next to a shapely Chippendale cabinet. She began to sing. Her golden notes soared over the auditorium, bringing all under its magic spell.

Halfway through her song, she suddenly stopped sing-

ing. The New Edison, at her side, took up her song, and continued it alone.

Singer and phonograph thus alternated, throughout the song.

The only way the audience could be sure which was singing, was by watching Miss Clark's lips,—so exactly like the living voice was the Re-Created voice.

Joseph Phillips made the same test of comparison with the Re-Creations of his baritone selections. Again the same result—there was no difference between the Re-Created voice and the living voice.

Proof was piled upon proof! Evidence was massed on evidence! The end of the concert found the audience absolutely and completely convinced, through its own personal experience, that there is no difference between an artist's living performance and its Re-Creation by the New Edison,—that listening to the New Edison is, in literal truth, the same as listening to the living artists.

The NEW EDISON

"The Phonograph With a Soul"

Only one question can still bother your mind. This question we now answer.

The instrument used in Tuesday's tests was not a special model. It was an Official Laboratory Model, taken from regular stock. Every Official Laboratory Model in our stock is guaranteed to sustain the same test of direct comparison with living artists.

You can have an Official Laboratory Model in your home. You can own an instrument which will do everything done Tuesday in the test. Come in. Hear the wonderful Official Laboratory Model for yourself. Learn about our Budget Plan, which puts our Official Laboratory Model into your home for no more than you would "pay down" for a talking machine.
