I took four bottles of the Favorite Prescription, and five of the Anuric Tablets for my kidneys, and I must say no doctor has ever done me one-half the good I derived from the use of these medicines. I suffered with neuritis in my back for three years and it has disappeared and the kidney trouble also."—Mrs. Helen Pierce Reed, 653 W. Belgrave Ave., (Huntington Park.)

Dr. Pierce, president Invalids' Hotel in Buffalo, N. Y., discovered Anuric and it's sold by all druggists; or send Dr. Pierce 10c for trial pkg. and you'll find it's many times more potent than lithia. Write to him for free medical advice.—Adv

Present in Portland to attend the funeral of Charles V. Cooper, his brother, Fred V. Cooper, of Oswego, Or., died in St. Vincent's hospital yesterday morning, after being stricken with apoplexy in the lobby of the St. Charles hotel an hour before his death. His brother's body at the time was lying in the mortuary chapel of Finley & Sons ready for burial.

Cooper of Fuyallup, Wash., was registered at the Multnomah hotel. He went to the St. Charles to get Fred early in the morning and seeing him in the chair, sought to awaken him. Instead of being asleep, the stricken man was found to be in collapse. Dr. A. W. Moore, house physician, was summoned. An ambulance was called and Mr. Cooper died a few minutes after reaching St. Vincent's. The body was sent to Finley's where for a time the two brothers lay side by side.

Fred V. Cooper was 52 years old. He recently bought a home in Oswego and settled there. The funeral of his brother was not postponed on account of the second death.
