

CANBY AND SOUTHERN CLACKAMAS

Christ Trost Dies; Pneumonia Cause

CANBY, Nov. 29.—Christ Trost, well known resident of the southern part of Clackamas county, died suddenly at the family home in Meridian district, about four miles from Canby, Sunday morning.

Mr. Trost, although had been ill for about six months, nothing was thought of his condition, until Sunday morning at 5:30 when he was taken suddenly worse, and died at 10 a. m. Dr. Weaver, of Hubbard, was summoned, and held an autopsy, and found that Mr. Trost's death was due to tuberculosis and pneumonia.

Deceased was a native of Germany, born January 28, 1868. He came to the United States when he was 21 years of age, first settling in Iowa, where he remained for three years. He then started for the Pacific coast, settling in Oregon, and had since made his home in Meridian district, where he was well and favorably known. Mr. Trost engaged in farming up to the time of his illness.

Mr. Trost is survived by his wife, Mrs. Louise Trost; five sons, William, Christian, Jr., Edward, Walter and Eugene, Jr., and daughter, Miss Lillie Trost, all at home.

Thanksgiving Day Spent at Seaside

CANBY, Nov. 30.—A party composed of Mr. and Mrs. C. H. Sheldon, Mr. and Mrs. W. H. Bain and Mr. and Mrs. Arthur Graham, of this city, and Miss "Topey" Pendleton of Portland, niece of Mrs. Graham, formed a party to leave here Wednesday morning, Nov. 23, for their annual Thanksgiving outing at Seaside, returning to their homes Sunday evening after a most enjoyable time.

Leaving Canby by auto Wednesday morning at 10 o'clock they reached their destination at 5:30 to find the homes they were to occupy for the week-end brightened with a fire in the big fire-place, while the range in the kitchen was ready for preparing the dinner. Two large turkeys, nine wild ducks and other delicacies to make up such a Thanksgiving dinner always enjoyed by these people was served at 7 o'clock, the ducks having been prepared before leaving Canby. Thanksgiving day the turkeys were feasted on.

On Thursday night the party experienced their first electrical storm while at the beach. Thunder rolled while great flashes of lightning seemed too close at hand to be at ease, but the following day proved one that enabled the vacationists to enjoy golfing at Gearhart. While at Seaside the evenings were enjoyed in cards and music.

Several small slides were noticeable while making the trip home, but otherwise the roads were in good condition most of the way. When arriving in Portland the party enjoyed a dinner party and this was followed by a theatre party.

Civil War Veteran Dies at Canby Home

CANBY, Nov. 26.—John Pitts, a Civil War veteran, member of G. A. R. organization of Newberg, Oregon, died at his home in this city Friday evening, after an illness of several months.

Mr. Pitts was a native of Kentucky born August 27, 1837, and enlisted in the Civil War in Illinois. For some time the family made their home in Newberg, Oregon, and Mr. Pitts and wife moved to Canby recently to be near their son, James Pitts, a resident of this section of the county.

Deceased is survived by his wife and son, James Pitts, of Canby, six grandchildren, also of this place.

Spring Weather Is Enjoyed At Canby

CANBY, Nov. 30.—With many parts of the state of Oregon as well as Washington experiencing silver thaw and snow, Canby is still enjoying spring weather. Meadow larks are singing and various other birds making their home here during the winter months are heard singing from the tree tops, and raspberries have been found ripening on the vines. Golden colored dandelions are even found in bloom that reminds one that spring is trying to come.

So far there has been no snow notice in this vicinity to injure vegetation.

Paralysis Cases Show Improvement

CANBY, Nov. 30.—The two cases of infantile paralysis, where children are affected, are gradually improving, and from indications one of the child

ATTENDS LEAGUE MEET

CANBY, Nov. 30.—Among those attending the meeting at Silverton under the auspices of the Luther League was J. J. Sandness. The session began last Friday, continuing until Sunday, and excellent programs were given each day and evening.

The principal speaker was Professor Ordall, of Tacoma, Wash. Community singing was among the features, as well as musical programs. A chorus composed of many voices added to the interest of the meeting. There were representatives from various parts of Washington and Oregon in attendance.

CANBY LOCALS

CANBY, Nov. 30.—Mr. and Mrs. Carl Schmitt, who have been enjoying a trip in California, extending into Mexico, have returned to Canby.

Mrs. T. J. Gary, of Portland, accompanied by her children, were visiting in Canby during Thanksgiving week. They were guests of Mrs. Cary's sister and brother, Mrs. L. H. Wang and R. Swanby.

Miss Lottie Swanson spent Monday in Oregon City as the guest of her sister-in-law, Mrs. W. E. Swanson. The three children of Mr. and Mrs. Harry Garrett recently returning from Aberdeen, Wash., are suffering from severe colds and are confined to the home of their grandmother, Mrs. R. Soper, where they are visiting.

Mrs. James Haley, formerly Miss Anna Wilehart, of Portland, is in this city as the guest of her sister, Mrs. James Hylton, and family. Mrs. Haley arrived Tuesday afternoon and will remain until Sunday.

Mr. and Mrs. Harry Garrett and three children, leaving here about 10 days ago to reside in Aberdeen, Wash., have decided to make their home at Corvallis, where Mr. Garrett has a position. He had contemplated going into business, having purchased an automobile repairing establishment, but this he sold a few days later. They are for the present guests at the home of Mrs. R. Soper, mother of Mrs. Garrett, of this city.

Canby Schools

SENIORS
CANBY, Nov. 29.—The Seniors represented in the S. B. program last Wednesday with "A Newspaper," were Violette Ledford, Easter Noble on the affirmative of the debate, Mildred Henriksen and Eleanor Lent sang "Mummy's Little Coal Black Rose" with Cora Ausve pianist, and piano solo by Alma Kammerer, post graduate.

Eleanor Lent enjoyed Thanksgiving dinner with her grandparents in the country. In a Thanksgiving assembly held Wednesday morning Mildred Henriksen read a story, "The First Thanksgiving," and Cora Ausve read a poem, "Thanksgivings."

Two of our former classmates, Ella Bell and Walter Uppendahl, now of Woodburn high school visited us Wednesday. Cora Ausve visited at Eleanor's home Friday afternoon as they were preparing for a Sunday School class social given at the M. E. church Friday evening. There were four Senior girls present at the M. E. social last Friday evening, Easter Noble, Mildred Henriksen, Eleanor Lent and Cora Ausve. Eva Kraus acted as Red Cross nurse over the week end as her brother accidentally shot his pet dog.

FRESHMEN NOTES

A number of the "Freshies" went to the Methodist Sunday School party Friday evening.

The Freshman Class was well represented at the football game Thanksgiving Day. The two Gladyses, Harms and Gribble, enjoyed a show at Macksburg Saturday night.

A number of "Freshies" spent their holidays out of town. Wesley Mitts went to Macksburg; Violet Pfister, to Drain for Thanksgiving; Quentin Miller, several days in Portland, and Eva and Berdne Knutson went to Oregon City.

SOPHOMORE BRIEFS

Lena Sandness was absent from school Tuesday afternoon.

William Ayers was absent Tuesday on account of "high water." Lena Sandness spent Thanksgiving and the week-end with her cousin, who resides in Oregon City. Wanda Wallace returned Monday from her visit in Southern Oregon. She reports an enjoyable time.

Celena Tremayne, who is a Hubbard student visited the Sophomore class Wednesday afternoon. Alida Mattson spent Thanksgiving day at the home of Evelyn Dalen. Roy Boardman and Tergus West attended a party Saturday night. It was given at the home of Irene Smith. Vera Boardman and Almada Thompson visited with Evelyn Dalen and her brother Sunday.

FUNDS ASKED TO AID IN FIGHT ON TUBERCULOSIS

Sale of Christmas Seals Here is Started by County Public Health Association

Christmas seals, sold annually in order to raise funds throughout the state for the fighting of tuberculosis, have been sent to all schools, lodges, and other organizations in this county, and will be on sale from December 1, until Christmas eve.

The penny seals sold here under the direction of the Clackamas County Public Health Association. The funds go to the state organization, but the major portion is returned for active work in Clackamas county.

Quota is Assigned
According to the statement of the local association, Oregon's minimum quota is \$39,164.25, which is a per capita rate to every Oregonian of five cents.

The expenses and salary of the Clackamas county health nurse are being paid from the seal sale proceeds of 1920," says the statement of the association in regard to the seal sale. "For three months, Miss Hilda Morris, from Sioux Falls, S. Dakota is conducting an intensive demonstration of public health nursing. Miss Morris prepared for her work in St. Luke's hospital, Chicago and is experienced in county nursing. She has been well received every where and the people of the county are making up to the fact that the boys and girls of Clackamas county should have the same protection against tuberculosis as the herds are given.

Need is Shown
"The greatest single factor in the battle to stamp out tuberculosis is the penny Christmas seal with its enormous educational and financial potentiality. "Every one will wish to help if he is made to realize that this is just as much a war as it would be if we were fighting human adversaries. "The relentless microbe, tubercle bacillus, directs its attacks against those who are least able to withstand it. This national tragedy can and must be brought to a halt and the cheerful Christmas seals are the means to accomplish it."

ELEVATOR TO START BY END OF PRESENT WEEK

Trouble in Supply Pipe Line Fails to Impair Service; Reservoirs Gaining
The municipal elevator at Seventh street will probably be in operation again by the end of the present week or by the first of next week, according to Fred McCausland, city water superintendent. As soon as the supply in the reservoirs has reached a point where it has an approximately normal reserve, the elevator and the drinking fountains will be started.

Trouble Not Serious
Wednesday morning at six o'clock it was reported that the mouth of the intake pipe at the headwaters of the Clackamas had become clogged. The high water had lodged so much material in that vicinity that the flow was stopped. The damage was repaired by 10:30 and water was again pouring into the reservoirs.

The six inch pipe that forms an emergency repair over Clear Creek is allowing a delivery of some two and a half million gallons a day. Mr. McCausland says, which will prove sufficient when the reservoirs attain a normal height. The replacing of the small pipe which bridged the gap torn by the recent high water, will not be started until the river has receded enough to make working conditions fairly easy.

Supply Now Increasing
Water service to Oregon City has been uninterrupted since the repair of the pipe line last Saturday afternoon. The main was down for nearly a week and during this time the supply became depleted to less than a million gallons. The reservoir capacity here is six and one-half million, and the normal consumption is approximately two million gallons a day when the elevator is running and no local service is denied.

Recovering from Operation—
W. H. Matton, prominent resident of Clackamas county, whose home is at Viola, was able to return here a few days ago from the Oregon City hospital. Mr. Matton when arriving here a few weeks ago to undergo an operation for gallstones his condition was serious. He is rapidly recovering from the operation, although his age is 78 years. For a number of years Mr. Matton was county commissioner and has many friends throughout the county, who learn with pleasure of the success of the operation.

WAGE CUT MADE BY LOCAL MILLS IN EFFECT TODAY

DAY LABOR IS PUT ON NINE HOUR BASIS

Reduction Varies from Five to Eight Cents; Condition Of Market, Cause

Effective Thursday, wages at both of the paper mills here were cut, and day workers will go on a nine hour instead of an eight hour basis.

This was announced Wednesday at Crown-Willamette and Hawley mills. The reduction will involve nearly 1,000 men.

Day laborers received a blanket cut of eight cents an hour. This amount will be deducted from whatever pay they are now receiving. Instead of working eight hours, they will work nine. The day will be lengthened a half hour on each side of noon, work beginning at 7:30 a. m. and continuing until 5:30 p. m., with one hour off for lunch.

Shift workers will receive a blanket cut of five cents per hour. The number of hours which they work has not been changed.

Approximate minimum day labor wage which will be affected is 43 cents an hour, which will be reduced to 35 cents. The shift work scale will approximate 73 cents.

The cut amounts to approximately ten per cent, and under it the minimum wage will be \$3.15 for common labor. The last cut which was made at the two mills came on May 1, when a general reduction of 20 per cent was ordered, reducing common labor from \$4.32 a day to \$3.46.

Competition Keen
The reason given for the cut is the present necessity for reducing the cost of paper production so that competition in local and distant markets can be met. The coast paper mills are at present handicapped, due to the fact that foreign manufacturers are placing paper here at a much lower figure than the domestic concerns can meet. This is forcing a reduction, mill men say, in order to keep the plants running. When the market for paper becomes tight it is found impossible to operate the mills, and it is felt that the reducing of wages will be better than a forced shut down later in the winter.

The removal of duty from Canadian produced paper has considerable effect upon the local markets because the northern manufacturers are able to beat prices, not only due to a lower wage scale but because they are more favored by natural advantages.

Competition from Germany is also strong, and the paper manufactured there is placed in America far below cost prices of the domestic stock. This is due to the balance of foreign exchange. The low value of the mark makes it possible for the Teutonic concern to retail their product here at a figure which it is impossible for the local mills to meet, unless their operation expenses are reduced.

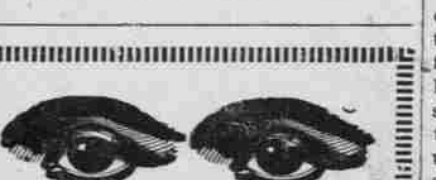

Elks Memorial to be Held on Next Sunday

The annual memorial services of the Oregon City Lodge 1189 B. P. O. Elks will be held at the lodge temple Sunday, December 4.

The memorial address will be delivered by George Neuner, Jr., past exalted ruler of the Roseburg lodge. Harriet M. Leach, Florence B. Leach, E. A. Morgan and A. E. Davidson, compose the quartet, a number of whose selection are included upon the program.

The committee in charge of the service is composed of E. J. Noble, W. Brown and Ben G. Igo.

Howard Shipley Improves—
Howard Shipley, ten-year-old son of Mr. and Mrs. Frank Shipley, of Willamette, who has been in the Oregon City hospital for about a week and a half, where he underwent a critical operation for ruptured appendixitis, is rapidly improving, and will soon be able to leave for his home.

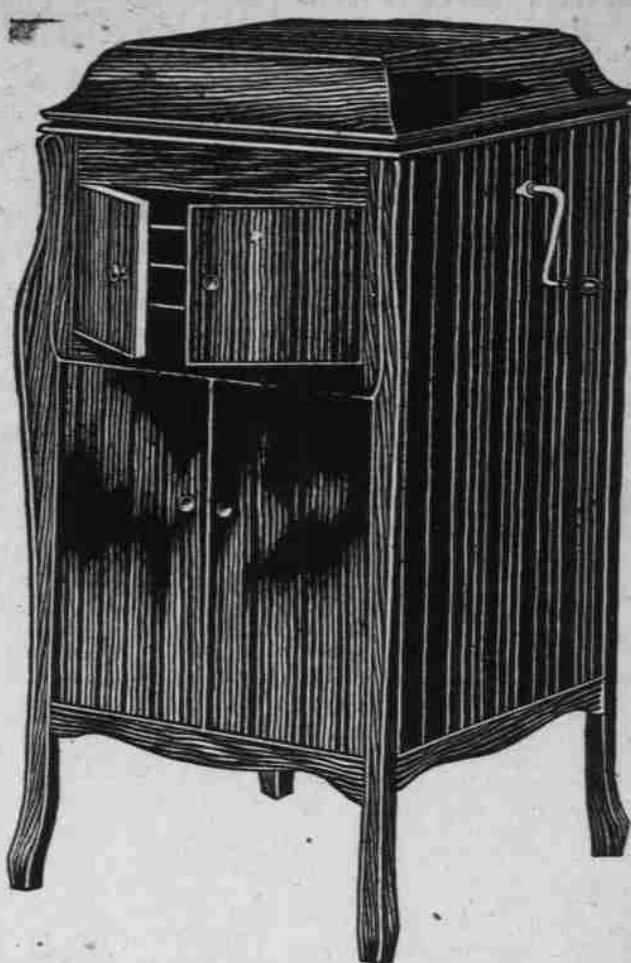

The Reason Why People Wear Glasses

Defective eyesight impairs physical and mental force. This fact is conceded by every learned scientist, and is the principal reason why in this day of conservation, men and women of strength—both mental and physical strength—wear glasses for the preservation of nerve force and vitality as much as for the betterment of vision.

A careful examination by the method I employ will determine whether or not they require attention.

EDUCATION WEEK TO BE OBSERVED IN OREGON CITY

BETTER AMERICANISM IS AIM OF MOVEMENT

Legion Aiding in Program to Foster Interest in Nation's Schools

Because the schoolroom is the cradle of the nation, because the foundation of every state is the education of its youth. The National American Commission of the American Legion and the National Education Association have joined hands to promote and foster education and thereby strengthen and perpetuate a better Americanism, build a more intelligent and better citizenry and withal, equip the youth of the nation more adequately to cope with life and forge ahead the interests and achievements of the entire United States.

United Spirit, Aim
The initial effort is to be made with the inauguration of "American Education Week," December 4th to 10th, which is to be fittingly observed in the Oregon City schools. A national proclamation, urging citizens to bend their efforts toward the successful accomplishment of the objectives of better education. While the entire plans for the observance of the week here have not yet been completed, the schools and the local churches will through appropriate programs, take up the work of securing closer cooperation in educational fields and fostering of a more united spirit of Americanism.

This is but the initial step in the elaborate plan of the two organizations working together for the accomplishment of their joint objective—better education and better Americanism. Each year this week is to be observed. As progress is made, situations clarified, definite plans will crystallize and solidify into perfected programs for this accomplishment.

Clubs Will Aid
Throughout the nation on December 4th, Sunday, ministers will preach upon the urgent need for better education. From all over the country come eager acceptance of the invitation to preach upon this subject. And throughout the week, the press, pulpit, educators, patriotic bodies, national clubs, community clubs and other civic bodies will co-operate to make the plan a splendid success.

The main purposes of the week are to inform the public of the accomplishments and needs of the public schools, particularly of the urgent support of this subject. The week is to be observed. As progress is made, situations clarified, definite plans will crystallize and solidify into perfected programs for this accomplishment. Crippled Man Plans To Walk 3600 Miles

Sixty-seven years of age, crippled, and carrying a crutch, James Alby Hill is walking 3,600 miles from the Pacific ocean, at San Francisco Bay to the Atlantic coast in Maine. Hill was in Oregon City Wednesday, on his way back to Berkeley, from Canada. He is walking for his health—walking for the reason that he believes it the best way to keep young, and because he has been a real tramp since he was a boy. He solicits no aid, and is making the entire journey on foot. He has just come from Canada, and will return to Berkeley, his home, for the holidays, then starting for the east.

Hill has an album containing letters of greeting from Western cities and organizations to the east. His special stunt is to get someone in a western town to write to the same official in a town in the east of the same name. Thus he carries a letter from George L. Baker, mayor of Portland, Oregon, to the mayor of Portland, Maine.

His autograph album is kept not to flaunt—but as a hobby. He has won the endorsement of dignitaries over the entire coast. Hill said Thursday that the morning would find him on his way—with a crutch under one arm and a grip in his hand—hitting the highways in search of health, peace, and recreation.

Mrs. C. A. McMillan Dies; Illness Brief

Mrs. C. A. McMillan, formerly of Oregon City, where her husband engaged in the grocery business at Fourteenth and Main streets for a number of years, died at the home of her daughter, Mrs. Gilbert H. Charters of Sellwood, last week, after an illness of several months.
