Rice had been employed occasionally by the electric company, and was sent here to repair the lines that had fallen during the severe storm. The repair work was being done at 5:30 a m., and Rice and an employe of the company by the name of Chambers, after repairing lines in Canby Saturday were completing the work near Aurora. When arriving there found a live wire on the ground. While Chambers had gone to turn off the electricity, Rice had picked up the wire. It is thought that the young man believing the electricity had been turned off by Chambers, took hold of the wire. When the latter returned to where he had left Rice, he found him dead grasping the wire and his hand badly burned, one of the fingers almost entirely burned off. As Rice was slightly deaf, it is thought he did not understand Chambers when informing him not to handle the wire until he returned.

The young man was about 27 years of age, and was well known in this vicinity. His mother is Mrs. Cone, residing near Donald, and formerly of Kalama. Rice was known by his man friends as "Mugs," and was popular among his friends.

Heart Disease Fatal to Woman of Canby

Miss Charlotte Samson, well known resident of Canby, died in Oregon City on Sunday after an illness of several months from heart trouble. Miss Samson was taken to Oregon City for medical attention on Saturday. She recently met with an accident by falling, which is thought to have hastened her death.

Miss Samson was the daughter of the late Mr. and Mrs. Henry Samson, prominent early Clackamas county pioneers. She was born in 1866 on the old homestead of her father and mother in the Needy district, and after the death of her parents, she took up her home in Canby, where she resided alone. Miss Samson had many friends throughout the county, winning her many friends by her kind disposition.

Deceased is survived by a brother, F. M. Samson, of Needy. Her sister, Mrs. Albert Hardesty, of Needy, died in July 1921. Mrs. W. W. H. Samson, Canby Banquetted Oregon City, whose husband was sheriff of Clackamas county for a number of years, is a sister-in-law of Miss

CANBY, Dec. 7 .- Weather conditions in this section of Clackamas county have been favorable for the fall sown grain. In fields the wheat and oats are now making their appearance, some of which has already attained a height of two and three inches

In the Brown fields along the highway near this city the grain is looking encouraging to the owners.

This is one of the best tracts of land along the highway, and adjoining the property where Mr. Brown and his son, Ellis, have just harvested large potato crops. The former have grown 4500 bushels from a 32-acre tract, while Ellis Brown, from a 100-acre tract, harvested 15,000 bushels of po-

Both men are now plowing the ground where the potatoes were dug from and getting into readiness for planting other crops.

SENIOR CLASS CANBY, Dec. 8.-Eight members

out of the Senior class were present at the banquet Friday evening. The Senior English class has been doing debate work in class and some very good arguments have been pre-

sented. Miss Eyre talked to the Senior civics class one day last week about the different buildings and departments of government at Washington, D. C. She county fairs, and she was grand has visited there, so it was very interchampion at the Columbia county fair, esting to hear her description of our nation's capitol.

We missed Charles Bates the first part of last week but he got back just after the six weeks exams were over. Too bad, Charles, but we hope Mr. Cold's visit won't be so long and severe next time.

Three Senior girls, members of the Teacher's Training II class, are preparing to take the teacher's examinations this month.
