Tax Department Is Hit Hard; Move to Include Health Nurse Unsuccessful.

Bent upon making reductions somewhere in county expenditures, taxpayers at the annual budget meeting Friday voted for the elimination of two deputy clerks in the court house, cut the tax collector's salary and the salary of his chief deputy, abolished the office of county club leader, abolished all overtime in the tax department, prunde the alowance for traffic law enforcement so as to provide for one instead of two officers, cut the allowance of the circuit court \$500, and practically halved the appropriation for the salaries and expenses of the county health officer and county physician. They also killed moves to establish a county health nurse, a county poor farm and a county library.
