Its public auditorium equipped with a good stage and picture machine, its reading room, comfortable and inviting its gym, with full equipment and its kitchen which means "community feeds." These things all mean a happy wholesome community life where a community house exists. As far as possible the town's people should worship together. The community church is fast leaving the two or three struggling churches in one town far behind. Its possibilities and influence is far reaching. A town's streets, buildings and business means a great deal but the spirit of a town manifested by its people in these more important, essential constructive, social elements are what makes our town a good place to live in. IDEAS OF A PLAIN COUNTRY WOMAN

Dear Comrades:—A law-abiding healthy town is the very first asset to a good town. "Safe and Sanitary" is the slogan. Its second step forward is the care of its children, its growing timber; its schools must be such that will meet their needs mentally, physically, and morally by their educational course. Public play grounds and tennis courts are also valuable and no town can afford to be without them for they are safe channels for the youths energies of our town that must have an outlet somewhere. All wholesome games should be encouraged and played with other towns. Competition is healthy and does the whole town good, even dad and mother can be enthused and will root for the home town. Every live town can have a Community club and a community house that will be the attractive center

Union High School Notes

At the meeting of the Freshman class last Monday morning the members elected Garney Cranor, of Parkplace, president to serve in the place of William Mootry who failed to serve in the capacity as leader of the rooks. Joyce Mercer was retained as vice-president and it is now believed that the class will progress more rapidly as an organization than before. Cranor who plays guard on the basketball squad, is very popular in the student body and from all indications will make a capable leader. At a brief assembly held one day last week, the student body voted to change the official award of the school football from the W. L. formerly awarded to a ten-inch clock "U" of gold felt. The measure was adopted unanimously by the students and the letters have arrived for this years term. The letters were changed because of the fact that there was a great deal of dissatisfaction due to the arrangement of the two letters and as there seemed to be no other possible way to design them, it was necessary to adopt the one. Furthermore, the school is generally known as the Union High and the letters will come nearer to letting other communities know what institution they represent than the "W. L." Ellsworth Smith, recently enrolled from Salem high school has returned to school after being absent several days on account of illness. "Alice in Wonderland," a picture showing the desolation and miserable conditions of the Near East was presented to the students of U. H. S. in the auditorium Tuesday afternoon at 2:30. John Moffet, a sophomore was absent several days last week. The first important meeting of the annual staff held in the library Monday afternoon was an interesting and somewhat hted session. Questions concerning the work on the annual were discussed. Members of the staff were working hard on their respective departments. Tuesday of last week was given over to student body meeting when the constitution drawn up by the executive committee was referred to the vote of the students and only one clause was held before luncheon. The constitution as it now stands is more adequate for the growing attendance. Most of the measures were approved as the executive committee had written them although some changes were voted. The most important changes are in the order of succession of officers in case of vacancies, the percentage necessary for winning letters and the new designs of awards for each activity. The measure proposed by the executive committee for the winning of letters in football was the requirement of playing fifty per

Prominent Man to Speak at P-T Meet

MILWAUKIE, Feb. 2.—Friends and members of the Parent Teachers Association will be glad to learn that Mr. Teuscher of the Boys and Girls Aid Society will speak at the next meeting, Friday evening, February 3. He will speak on "The Boy Problem." There will also be a musical program. The business session is from 7:30 to 8:00 and attendance program there will be a social evening with refreshments. A good attendance is expected. Recall petitions against Mayor J. H. Seely were filed with Recorder D. P. Mathews, January 24. The mayor did not resign within the five day limit and the Recorder is preparing to call a special election. The basket ball games Friday evening, January 27, between the Hubbard and Milwaukie teams, resulted in a victory for the local teams. The score for the girls team was 26 to 15 in favor of Milwaukie and the boys team 62 to 7 in Milwaukie's favor. The girls were pretty evenly matched but the boys it was different. The Milwaukie boys did their best work landing goals and the Hubbard boys the best work obstructing progress of their opponents. Beatrice Cederson, Milwaukie center and captain of the local team, sustained an injured knee when she fell to the floor in the second quarter. This is an unfortunate circumstance for the local teams as she will probably be disabled the rest of this season. She was replaced in the game by Ellis Sloop. A young lady on the Hubbard team, whose name we did not learn, and playing guard for that team, in a rush for the ball collided with two of the local girls. Her head struck the floor so violently enough to cause unconsciousness for a moment or two.

Local Hoop Squad Defeats West Linn In Double Contest

The West Linn basketball team went down to defeat before the Oregon City High squad Wednesday evening to a score of 32 to 9. The game was one of the fastest ever witnessed here. The locals started out strong and drew first blood a few minutes after the start of the game. The first half ended 21 to 7 in favor of the locals, who held the big end of the score throughout the game. The lineup that started the game was as follows: Oregon City, F. Losh, 6; F. Sullivan, 10; C. Johnson, 6; G. Laura, 10; G. Eby, West Linn, F. Read, 1; F. Simpson, 6; C. Hammerle, G. Crannar, G. Peponon. The Oregon City girls defeated the West Linn girls in the preliminary in a score of 20 to 13. The Oregon City girls put up a very good game considering the experience they had. E. Krause scored 14 points for the locals. The lineup for the girls teams were as follows: Oregon City—Forwards, A. Hullenburg and Betty Krause; centers, Davis and M. Williams; guards, M. Rockefeller and D. Gay. West Linn—Forwarder, B. Junken and F. Karak; center, M. Peponon and G. Bitner; guard, M. Zaniker and M. Fromong. One of the largest crowds that ever turned out to an indoor sport was present at the game. "Dutch" Krouer of the Oregon City Athletic team refereed the game.
