

CANBY AND SOUTHERN CLACKAMAS

UNIT SCHOOL CONTROL TO BE TALKED AT MEET

Question of Union Hi School At Canby to be Considered At Joint Conference Mar. 4

CANBY, Feb. 18.—County School Superintendent Brenton Vedder, of Oregon City, who has arranged for a meeting to be held in Canby on Saturday, March 4th, when the subject for discussion will be the union high school to be established at Canby, has outlined the subjects that will be brought up for discussion that day.

During the afternoon the unit plan of administration, new school plan being taken up in the state of Oregon, will be discussed. Crook county has already adopted the plan, and it is probable that Clackamas county will also adopt the plan.

Mr. Vedder expects to have the entire program completed by the first of next week.

MUNICIPAL PROBLEMS ARE TALKED AT CANBY

CANBY, Feb. 21.—(Special).—At a citizens' mass meeting held in the Canby band hall on Monday evening at 8 o'clock the subjects for discussion were "Electric Lighting System" and the "Proposed Union High School of Canby."

The meeting, presided over by M. J. Lee, was largely attended, and much enthusiasm was manifested.

At the meeting it was shown that five school districts had voted in favor of the Union High school, and in order to hear from other districts upon the subject, it was planned to have an all-day meeting in Canby on Saturday, March 4th, when 16 districts would be represented. Canby is to be host on that day, and arrangements were made to serve the visitors with a free lunch in the basement of the Methodist church, arranged for such an affair. Members of the various Aid societies of Canby are to serve the lunch. This will be for visitors only. M. J. Lee is chairman of the committee on arrangements.

County School Superintendent Brenton Vedder, who has worked untiringly in establishing the Union high school, will preside over the meeting, while prominent speakers will take part. Among these will be Judge Grant B. Dimick, of Oregon City. State Superintendent Churchill of Salem, has been extended an invitation to take part and will probably be in attendance.

If a union high school building project is carried a new building will be erected, a beautiful site having already been offered near Canby and centrally located near the residence section.

DEATH OCCURS AT CANBY OF MELINDA MAINWOOD

CANBY, Feb. 20.—(Special).—Mrs. Melinda Mainwood, wife of William Mainwood, well known resident of this city, died at the family home near the fair grounds this morning at 2 o'clock, after a lingering illness. Her death was due to cancer.

Mrs. Mainwood was a native of Minnesota, born December 25, 1866, and sixteen years ago came to Canby, where she has since resided.

Deceased is survived by her husband, William Mainwood, of this city; her children, Mrs. Gladys Frazer, of North Bend, Wash.; Misses Florence, Violet and Martha Mainwood, of Canby; Clay Mainwood, of Canby; Fred Howard, by a former marriage, of White Salmon, Wash. Another son, F. Howard, by a former marriage, has not been heard of since the war. Mrs. Mainwood also leaves six brothers and three sisters.

WOODBURN WINS DEBATE OVER CANBY HIGH TEAM

CANBY, Feb. 18.—(Special).—In the state debate participated by the Canby and Woodburn high school students on Thursday evening resulted in a victory for Woodburn, although the debate in this city between the two teams was very close and difficult to decide. The judges in this city for the affirmative side were Dr. M. C. Strickland, Attorney William Hammond and City School Superintendent R. W. Kirk, all of Oregon City.

The subject for debate was "Resolved, that the Plumb Plan for the management and operation of the railroads be adopted." The Canby negative team was composed of Corwin Hein and Dorothy Vaughan, and the affirmative team composed of Easter Noble and Ordon Cole.

Both debates brought out large and enthusiastic audiences.

NEW PASTOR ANSWERS CALL BY CANBY CHURCH

CANBY, Feb. 21.—(Special).—Rev. O. Skilbred, of Billings, Mont., has accepted the call to the Lutheran church of this city, and will arrive in this city with his family on Thursday morning, taking up his duties next Sunday.

The first service will be at Barlow on Sunday morning at 11 o'clock, when Rev. Skilbred will officiate in English. On Sunday afternoon at 3 o'clock he will conduct his service in this city at the Lutheran church in the Norwegian language. At 7:30 p. m. he will conduct a third service, this being to the young people of Barlow.

Rev. Skilbred was in Canby about a month ago, where he held service in the Lutheran church, and so favorably impressed were the members of this church, that they extended the pastor a call.

CANBY BASKETEERS ARE BEATEN AT MILWAUKIE

CANBY, Feb. 18.—(Special).—A double-header basketball game was played at Milwaukie on Friday evening, when the boys' and girls' teams of the Canby high school met the two teams of the Milwaukie high school, when the boys' game was one of the most exciting games of the season. During the first half of the game the Canby boys were one point ahead, the score being 16 to 15, but at the close of the game the local boys lost, the score being 25 to 28 in favor of Milwaukie.

The Canby girls lost in their game with the Milwaukie girls.

Potatoes Shipped By Commissioners

CANBY, Feb. 22.—The two large warehouses of W. H. Lucke and W. H. Bair, commission merchants of Canby, are now in the midst of a busy season, for large shipments of potatoes are being sent out daily on their way to southern points, California depending largely on the shipments of potatoes from this section of the state.

The 1921, although not as large as in former years, contains some of the best potatoes ever shipped from this point. After being received here they are sorted, and then loaded on the cars in waiting. As care is given in selecting these, the local commission-ers have no trouble in finding a market for the potatoes each season.

Mackburg, Central Point, Molalla, Mulino and other sections of the county are assisting in supplying the southern markets, and brought here by the growers.

Mr. Lucke says that so far this season he has shipped 90 carloads of potatoes, and expects to continue shipping at least for four months more.

DeMoss Family to Appear on Feb. 24

CANBY, Feb. 22.—The DeMoss musical entertainers will be at the M. E. church on Friday evening, February 24, when a varied program of musical numbers will be rendered. Among the features of the evening will be George DeMoss playing two cornets at one time. Nova Miles a pianist and reader of not, is also to make her appearance for the first time in Canby.

For the past 47 years the DeMoss family have been known to the public from the Pacific to the Atlantic. The present organization consists of Henry and George DeMoss, who took part in the concerts with their parents in 1872. The two youthful prodigies are Elbert, and Homer DeMoss.

Melinda Mainwood Is Buried at Canby

CANBY, Feb. 21.—(Special).—The Nazarene church was filled with friends of the late Mrs. Melinda Mainwood, wife of William Mainwood, who attended the funeral services this afternoon at 2 o'clock. Rev. Wicker, pastor, officiated.

Interment was in the Zion cemetery, Canby, and many friends attended the last rites at the grave. The grave was completely covered with flowers.

\$10,000 IN BONDS FOR LIGHT PLANT VOTED BY CANBY

CANBY, Feb. 21.—(Special).—By a majority of 101, the city of Canby today voted a \$10,000 bond issue for the establishment of a municipal electric light plant. A total of 201 votes were cast of which one was thrown out, leaving a total of 152 in favor of the proposition and 51 against it.

The bond issue is the outgrowth of agitation in Canby since last July when the Molalla Electric company boasted its rate a sizable cut, but unable to secure a rate. The council, after failing to secure a rate, concerns to operate a plant at lower charges, submitted the question of municipal ownership to the people.

Two Plans Made Two plans are now projected as possible means of procedure. If a reasonable figure can be secured the city will purchase the equipment of the Molalla Electric company and operate it. If the city decides that the amount asked is not with reason, the present transmission lines will be ordered removed and new equipment installed. In either case the city will buy power from the P. R. L. and P. company, which is at present furnishing it to the Molalla people. The idea of construction of a water power plant for the generation of electricity has been abandoned.

The Molalla company is at present without a franchise in Canby, its agreements having expired last year. Under the orders of the Public Service Commission they are still furnishing electricity, and the commission, in an order issued last Saturday reduced the rates some 12 per cent.

Rate Said Too High The city of Canby maintaining that service can be provided there for the going rate, or \$1.49 per 20 k. w. h., while the present charge in Canby is said to be \$2.78 for the same service.

The plant, in Canby, is valued, according to the Public Service Commission's figures, at \$8,000. J. Robinson, owner of the Molalla company plant came to Canby about seven years ago from Arlington, Washington. Some time ago he moved the headquarters of his company from Canby to Aurora, Marion county.

The election here was preceded by a meeting held Saturday among the prominent residents of the city, to make a final canvass before the polling. The sentiment was practically unanimous in favor of municipal ownership.

The next definite step, it is understood, lies with the city council. Officials at the election were: Judges—L. H. Wang and J. J. Sandness; clerks—O. W. Krueger, A. H. Knight and Carl Fischer.

Father and Son Buried Same Day

CANBY, Feb. 20.—(Special).—Marion Samson, one of Clackamas county's most prominent residents, whose home is at Needy, several miles from Canby, died at a Portland hospital on Sunday evening, where he was taken three weeks ago for medical treatment, having suffered for several months from organic trouble.

Paul Samson, only son of Mr. Samson, whose home is also at Needy, died on Saturday afternoon, the day previous to his father's death, being due to influenza, contracted while at the bedside of the father. His death occurred in Portland, and Miss Lola Samson, daughter of the late Marion Samson, is also critically ill in Portland suffering from influenza, having accompanied her father to Portland when he was taken to the hospital.

Marion Samson, who was the son of the late Henry and Eleanor Samson, was born at Molalla 67 years ago. His parents were among the early Oregon pioneers crossing the plains in 1853, settling in Molalla. After his marriage to Jane Dickey, of Molalla, daughter of early Oregon pioneers, he moved to Needy, where he has since resided, and not only was highly respected in that section of the county but in the Molalla country as well. He was an active member of Champeog Lodge No. 27, Masonic Order of Canby, and also of the I. O. O. F. Lodge and Rebekah Lodge of Canby.

He was the last member of the Samson family, his sisters, Mrs. Hardesty died at Needy in July, and Miss Lottie Samson died in this city in December 1921. He was the brother of the late Sheriff W. W. H. Samson, of Oregon City. Mr. Samson is survived by his wife, of Needy, and a daughter, Miss Lola Samson, of Needy. He was a brother-in-law of Mrs. W. H. H. Samson, of this city, and of J. B. Jackson, of Clairmont, Clackamas county.

Paul Samson, the son, was born at Needy 22 years ago, and has since made his home with his parents. He was unmarried and was also a member of Champeog Lodge, A. F. and A. M., and of the I. O. O. F. Lodge, of Canby.

MRS. CLEMENSON ILL

CANBY, Feb. 22.—Mrs. Fred Clemenson, nee Violet Roberts, who is well and favorably known in this city, where she has visited on many occasions and niece of Mrs. R. Soper, is critically ill at her home in Newberg, suffering from blood-poisoning. Mrs. Clemenson recently injured her finger resulting in blood poisoning. Her mother, Mrs. W. B. Roberts, formerly of Canby, now residing at Red Bluff, Calif., has been notified of the serious illness of her daughter, and will probably arrive within a few days to be at her daughter's bedside.

Rebekah Men Hosts To Women Members

CANBY, Feb. 22.—The men members of Kirk Rebekah Lodge of this city were royal hosts to the women members at the I. O. O. F. hall Tuesday evening, proving a most delightful affair. The early part of the evening was taken up with business of the order, after which Franklin Launer, well known pianist, gave a number of piano selections, and followed by a supper, prepared and presided over by the men.

M. J. Lee was master of ceremonies, and arranged for the menu, which consisted of lettuce salad, prepared by himself, roast pork, olives, pickles, bread and butter, cake, ice cream and coffee. As three of the women's birthday occurred on that date, each was honored with a handsome birthday cake. These were Mrs. Howard Eccles, Mrs. Ralph Swanby and Mrs. W. H. Bair.

Assisting M. J. Lee in serving the feast were T. B. Hamilton, Ralph Swanby, Mayor W. S. Maple, Howard Eccles and Clarence Eld. T. B. Hamilton and Mayor Maple were the champagne dishwashers at the close of the banquet.

The affair was largely attended and thoroughly enjoyed. Don't forget Dollar Day, Saturday, Woolworth's.—Adv.

Entertainment Is Given Card Club

CANBY, Feb. 22.—Mr. and Mrs. Arthur Graham entertained in a most delightful manner members of the Canby Card club at their home on Wednesday evening. After several hours had been devoted to cards, the hostess served refreshments. Enjoying the affair were Mr. and Mrs. Grant White, Mr. and Mrs. A. H. Knight, Mrs. C. H. Sheldon, Mr. and Mrs. W. H. Bair, Mr. and Mrs. E. G. Robinson, M. J. Lee, Mr. Haines, Mr. and Mrs. Howard Eccles, Mr. and Mrs. Graham.

Mr. and Mrs. Eccles will entertain the club in two weeks.

Don't forget Dollar Day, Saturday, Woolworth's.—Adv.

MUSICIANS ENTERTAIN

CANBY, Feb. 22.—James Walter Hoggard and wife, blind entertainers and musicians, gave an entertainment at the Canby school auditorium on Tuesday evening under auspices of the Canby schools. The musicians gave an excellent program and highly appreciated by those in attendance.

CANBY LIGHTING RATES REDUCED BY COMMISSION

What will amount to approximately a 12 per cent reduction in the rates charged by the Molalla Electric company, whose headquarters are located at Aurora, has been required by an order received from the Public Service Commission Monday.

The order reduces the minimum charge from \$1.25 to \$1.10, with reductions on all classes of service in proportion. The cut is the outcome of a hearing held at Canby January 24, when three separate cases were disposed of. The original action was a petition filed by the Molalla company for an increase in rates. Temporary permission for the increase was granted, but when a dispute over the rates arose, the city of Canby filed a protest over the discontinuance of electric service for street lighting purposes. The commission then, upon its own motion, called the hearing to investigate the entire situation.

Big District Affected

The district served by the Molalla company covers the city of Canby, Barlow and Wilsonville in Clackamas county, and Aurora, Butteville, Donald, Fargo and Hubbard in Marion county. It is understood that the movement for the establishment of the municipal electric plant, which is to be voted on at Canby Tuesday, will be materially affected by the reduction in rates. The election is to be held upon the issuance of \$10,000 in bonds for the construction of a plant on the Molalla river. Should the bonds be voted, the plant would provide service for the city of Canby only and the surrounding country, which represents the large part of the Molalla company's investment will not be materially affected.

According to the findings of the commission the greater portion of the overhead is due to rural lines, the return from which is not sufficient to give a large return upon the investment, but they hold that any loss must fall upon the company and that a charge cannot be placed upon a basis which makes it out of proportion to the service rendered.

Better Service Ordered Considerable improvement in the service given by the company, against which numerous complaints were registered during the hearing. The definite improvements to be made are not set out in the record.

The residential lighting rate is reduced to a minimum charge of \$1.10 for the first six k. w. h. The next 14 k. w. h. are charged at 12 cents, next 40 k. w. h. at 5 cents and in excess of 60 k. w. h. at 3 cents each. The primary commercial scale is built up on the same minimum with a 12 cent charge per k. w. h. over 6 and under 50, next 150 k. w. h. 8 cents, and over 200, 6 cents. The secondary commercial schedule provides a charge of 5 cents per for the first 100 k. w. (Continued on page seven.)
