CONDEMNATION ORDINANCE GETS COMMITTEE O. K.

A condemnation ordinance, placing in the hands of the fire department and the committee on fire and water, Attorney J. F. Clark, went to Hills. practically complete power in the deciding of what constitutes a fire hazard, and giving them the authority to cause its removal, will be recommend ed to the city council at its session March 17, according to I. C. Bridges, chairman of the fire and water com-

The ordinance was prepared by the state fire marshal's office, who reccommended it as applicable to the was among the Oregon City visitors peculiar needs of Oregon City. These recommendations were made following a survey here about a month ago. The ordinance was submitted by the council to the fire and water committee, and Chairman Bridges expects among the Oregon City visitors on that it will be handed to the council with a favorable report.

Fire Chief's Power Great

The ordinance provides that the fire chief or the fire and water committee may order the eradication of any fire hazard, and provides further the extent of more than sixty per cent of its value can be condemned and ordered removed.

Numerous attempts, according to Mr. Bridges, have been made during past years to get a workable fire ordinance which could cope with the situation in Oregon City. Nothing of lieve," he said in discussing the proposed ordinance, "that a measure like Mrs. Minnie Mighells, of Maple this will help Oregon City to get the Lane, has been in this city, where she insurance rates reduced. Just putting the law on the books will not help. but it will give the officers a way to get at some of the hazards that exist now, and when these are removed, the insurance commission will have reason to cut down the rates."

Provisions of Act Shown The specific provisions of the ordinance, as it will be presented to the council, follow

"Section 1-Whenever in the judgment of the chief of the fire department or the committee on fire and water, any building or structure or any part thereof or any appurtenances or fixtures thereto or any wall, chimney, smokestack, stove, oven, furnace, or thing connected with such building or premises shall from any cause whatever be in a situation to be dangerous to persons or property, or when any wooden building within the fire limits shall, in the judgment of the chief of the fire department or the committee on fire and water be damaged by fire or decay to the extent of sixty per cent of its actual acted as musician during the evening. value to be estimated above the line of the sidewalk in front of said building, the chief of the fire department or the committee on fire and water shall immediately give notice in writing to the owner or owners of such premises or to his, her or their agent, or to agents or to the persons having control thereof, if the owner cannot be found, to remove the same forthwith; and the person receiving such notice shall within five days after re-C. C. Brown, of Aurora, was among ceiving the same comply with the re-

quirements thereof. Claims to be Arbitrated

"In the event of a dispute as to the amount of damage caused by the fire the fire department or the committee on fire and water, said dispute shall be determined by arbitration of competent mechanics, the owner to select one abritrator, said chief of the fire department or committee on fire and water the other, and in case the arbitrators so chosen cannot agree, they shall select a third, and the decision of the majority shall be final and conclusive. All expenses of the arbitration are to be paid by the owner. Whenever any unoccupied building or buildings are not properly secured or enclosed the chief of the fire department or the committee on fire and water shall immediately- visit the premises and notify the owner or owners, agent or agents, or the person having control of the same. condition of such unoccupied building or buildings, and to have it or them within 24 hours properly secured so as to prevent evilly disposed persons from gaining access

Ordinance to be Enforced "Section 2.-The chief of police, the of Clackamas county, whose farm is chief of the fire department, the maylocated at Oswego, was in this city or, and the city engineer or the committee on fire and water are directed to see that the provisions of this ordinance are enforced and to that end are empowered whenever any complaint shall be made to them or either of them, of the violation of any of the provisions of this ordinance and they or either of them have reasonable Among those coming to Oregon City grounds to believe that any of the provisions of this ordinance are being premises or place, or go into any building about which complaint is made, or upon or in which they or either of them have reasonable provisions of this ordinance are being violated."

Section three provides a penalty of Estacada for the past three months, \$100 fine or 20 days imprisonment, or where she has assisted in caring for both, and provides further that any a number of cases of influenza, has builder or contractor who shall conarrived in Oregon City, and is now struct any building in violation of any visiting her sister, Mrs. Ida West.
