FURNITURE AND

On Sale at Prices That Seem U

10 DAY

Beginning Saturday,

Here Are the Facts:

This extraordinary announcement as the result of a backward season and delayed shipments. We bought new goods at new lower prices, Thousands and Thousands of dollars worth, then came the back orders that factories were unable to deliver before the first of the year. On account of the inclement weather conditions people were unable to get out and do their buying, the consequences are we are OVERLOADED with merchandise.

We must and will sell regardless of costs and profits.
