AUTOMOBILES COLLIDE; WOMAN'S HEAD IS CUT

Car of Mayor of Canby Is In Smashup; Machines Hit as Both Turn on Intersection.

CANBY, April 7.—(Special).—Mrs. H. D. Evans, of Donald, was severely cut about the head when the machine in which she was riding, and a car driven by Mayor W. S. Maple, crashed at the corner of Front and C. streets in front of the bank this evening. The machines were turning the corner.

The Maple car was badly damaged by the wreck, but both the mayor and Mr. Evans, who was driving the other machine escaped without injury. Mrs. Evans' injuries are not believed to be serious.

DRUG STORE AT CANBY SOLD TO C. H. SHELDON

CANBY, April 11.—C. H. Sheldon, who has been local manager for the Huntley-Draper Drug and book store, for the past four years, has purchased the Huntley-Draper interest, and will continue the business here. He will be associated in business by his wife.

Mr. Sheldon, former resident of Portland, has resided here for four years, accepting the position as local manager. It is his intention to move from the present location in the Masonic building to the new brick building now under construction, owned by John Koehler, adjoining the Masonic building, located at the corner of First and C street. The store room which will be 25x75 feet, will enable the firm to carry a larger stock than at the present time. One of the new features will be a confectionery and soda department. A \$3000 soda fountain has been purchased by Mr. Sheldon and will be installed as soon as the new building is ready for occupancy.

Mr. Sheldon is a member of the city council and also a member of the Canby Booster Club, an organization recently formed here.

CANBY SCHOOLS CLOSE; GERMS FOUND IN WELL

CANBY, April 10.—(Special).—Owing to bacteria being found in the water of the wells supplying the city of Canby, schools of this city were closed for Monday, as the children were not provided with proper drinking water, but will commence on Tuesday morning, when each child will come provided with proper drinking water, to be boiled before coming to school.

So far it is not known whether the contaminated water is from the new well owned by the city, which has a depth of 850 feet or that which has a depth of 85 feet. It is believed by many that one of these wells has become polluted with the bacteria from the recent heavy rainfall. A similar well used by the city a number of years ago, became infected from the same source and it was necessary to establish a new well.

The Southern Pacific company was the first to discover the bacteria in the water here, reporting it to the city officials. Immediate action was taken, so that it is necessary for every household to boil their drinking water.

VETERAN IS RECOVERING FROM SERIOUS ILLNESS

CANBY, April 11.—Joseph Schaubel, veteran of the world war, who served overseas in some of the big engagements, and who is at the Pierce's sanitarium in Portland, where he is receiving medical treatment, is improving. Mr. Schaubel suffered from an attack of pneumonia ten weeks ago at his home in this city, and has been at the Portland institution for over six weeks. His father, Otto Schaubel, a well known business man of this city, and daughter, Miss Sophia, bookkeeper for the Carlton and Rosenkrans store in Canby, visited the patient on Sunday, finding him much improved.

Canby Girl Suffers Septic Sore Throat

CANBY, April 11.—The 15-year-old daughter of Mrs. E. A. Wismer, of this city, who has been seriously ill suffering from septic sore throat, was brought here from Portland on Monday, having recovered from the effects of the malady. Mrs. Wismer, who is employed in this city, was called to the bedside of her daughter, who was making her home in Portland.

Two Canby Men Seeking Office Of Postmaster

CANBY, April 11.—Two native sons of Canby are to enter the race for the position of postmaster here, both of whom have already announced their candidacy for the office. They are A. H. Knight and M. J. Lee. Both are sons of early Oregon pioneers, who

A. H. KNIGHT

M. J. LEE

crossed the plains by ox team and settled on the Canby prairie, where these two men were born, reared and have since made their homes.

A. H. Knight served as postmaster of Canby during the time Theodore Roosevelt was president and some time after, when succeeded by the present postmaster, C. N. Wait, also a native son. Mr. Knight has been county commissioner for several terms, mayor, councilman, president of the Canby Commercial Club, when this organization was in existence, served as secretary of the Clackamas County Fair Association, and at present in charge of the maintenance of the Pacific highway in Canby district. He was among the proponents locating the highway along the river route between Oregon City and Canby. He is a prominent member of the I. O. O. F. lodge, being past grand patriarch and past grand representative of the patriarch branch of the I. O. O. F. Lodge. His parents came across the plains in 1852 and remained here continuously after arriving from the East.

M. J. Lee is the son of A. H. Lee, the latter crossing the plains in 1847, settling in Canby, where he is still making his home, and was the first postmaster in Canby. M. J. Lee was also secretary of the Clackamas County Fair Association, and has the honor of taking the first automobile stage over the highway after its completion, having operated this line a number of years. He was vice-president of the Oregon Irrigation Congress for some time, recently elected as councilman, and a promoter, having been instrumental in securing the Clackamas county fair grounds at Canby and also now actively engaged in promoting the union high school and the new electric light system. He is also an active member of the Canby I. O. O. F. Lodge.

Both candidates have their share of substantial friends, and the best feeling exists between the two candidates. Mr. Knight is a cousin of Mrs. Lee.

A. H. Knight is the nephew of William Knight, who is said to hold the office of school clerk in his own district longer than any other man in the world. He is past 80 years of age, and still making good on the job in Canby school district.

A. H. Knight to Talk At I.O.O.F. Function

CANBY, April 12.—A. H. Knight, of this city, will be one of the main speakers at the third annual Clackamas County I. O. O. F. district convention to be held at Gresham on Saturday, April 15. Mr. Knight is president of the organization.

UNION HIGH SCHOOL TO BE DISCUSSED AT CANBY

CANBY, April 12.—A meeting of the patrons of school district No. 91 will be held at the school house on Thursday evening, April 13. County School Superintendent Brenton Vedder will preside. The subject for discussion will be the proposed union high school for Canby.

A similar meeting will be held at the Meridian school house on Friday evening, April 14, when the county school superintendent will be in charge.

Much interest is being manifested in that section of the county over the prospects of establishing a union high school at Canby.

Automobile Park Is Talked at Meeting Of Canby Boosters

CANBY, April 11.—The Canby Booster Club, composed of some of the prominent business and professional men of Canby, held its weekly luncheon at the Cottage hotel today.

H. B. Evans, cashier of the First National Bank, presided over the meeting. The discussion at the affair was "Canby's Automobile Park," recently proposed by the business men of this city, and which will probably be located in the northern part of the city or near God's bridge, as several ideal sites for such a park have been suggested. The matter will be discussed by the city council, this to be discussed by that body at its next session, the first Monday night in May.

Addresses pertaining to the proposed automobile park were made by H. B. Evans, M. J. Lee, C. H. Sheldon, J. J. Sandness and F. A. Rosenkrans.

Next Tuesday's meeting will be at the Matthew's restaurant. Attending tonight's luncheon were H. B. Evans, C. H. Sheldon, M. J. Lee, J. J. Sandness, Clarence Eid, Melvin Eid, W. Bond, R. Smith, E. H. Hov, Charles Prouty and F. A. Rosenkrans.

Union High School Meet Well Attended

CANBY, April 12.—At a meeting held in the gymnasium in this city on Wednesday evening of last week for the purpose of hearing the report of the committee working in the interest of the proposed union high school in Canby, many out of town residents were in attendance, these being from the various school districts eligible for the proposed union high school district. Among the districts represented were E. C. St. Clair, of Mark's Prairie; M. J. Lee, Canby; Elmer Veteto, New Era; D. W. Shrock, District No. 91; R. F. Watts, Oak Lawn; F. J. Kraberger, Macksburg; P. A. Webber, Union Hall; Lou Smith, Barlow. Mr. St. Clair was chairman of the meeting.

The people of Canby turned out en masse, and took unusual interest in the proceedings of the meeting. A large number of the high school students attended and addressed the assembly.

The members of the committee talked on the subject of the union high school, and reported the progress that is being made on that line. They have found that many are in favor of the union high school where they have visited and also of the proposed in the eastern part of the city, two acres of which have been offered by Del. Clark who has offered also to sell two adjoining acres for \$250 each, while another resident of Canby has offered an acre adjoining the property free of charge. If the two acres are purchased the city of Canby will stand the expense, and this is presented for the establishment of the house school grounds, and that arrangements would be made for the present time by the school board for housing the high school students until such a building is erected by arranging the classes in the grammar grades.

This makes the fourth meeting held in Canby when the proposed union high school has been the subject for discussion, and many who were not in favor of the movement several weeks ago, have changed their opinion and are now looking favorably upon the proposition, which is not only encouraging to the committee, but also to the County School Superintendent Brenton Vedder, who is working in the interests of the union high school.

Long Illness Fatal To W. H. Mandeville

CANBY, April 14.—W. H. Mandeville, prominent resident of this city, died at the family home on Wednesday night at 9 o'clock, after an illness of about two years.

Mr. Mandeville was born at Rockford, Ill. September 23, 1844, and was the son of Henry and Anna Mandeville. In 1891 he came to Oregon with his family from Lyons county, Iowa, settling in Portland, where he made his home until 1892, when he and his family moved to Canby. Mr. Mandeville engaged in farming on a small scale. He was an active member of the Methodist church of this city.

Deceased is survived by his wife, Mrs. Maria Jane Mandeville, a son, Ralph Mandeville, both of Canby, a sister, Mrs. Carrie Corey, of Los Angeles, Calif.; two brothers, Eugene Mandeville, of Holton, Kansas; C. R. Mandeville, of Monroe, Kansas. Two brothers died some time ago.

The funeral services are to be held from the Methodist church in Canby on Friday afternoon at 2 o'clock. Rev. Boyd Moore, pastor of this city, and Rev. Atkinson, old time friend of the family, whose home is in Portland, will officiate. Interment will be in the Zion cemetery.

REBEKAH DELEGATES TO CONVENTION CHOSEN

CANBY, April 8.—At a meeting of the Kirk Rebekah Lodge, of this city, on Tuesday evening, the delegation to the grand lodge convening in Eugene during the last week of May, were chosen. These are Mrs. A. H. Knight and Mrs. J. R. Vinyard, of this city.

Mrs. Knight, who has served as financial secretary of Kirk Rebekah Lodge for the past ten years, has been recommended for deputy district president.

Canby Social Club Gives Masquerade

CANBY, April 11.—There were 75 people attending the masquerade party given on Saturday evening under the auspices of the Idle Hour Club of this city at the Artisan hall. Many handsome costumes were in evidence. Prizes were awarded to Mrs. Phil Miller and Avon Jesse.

The music was furnished by the Garrett orchestra.

The club, composed of the unmarried young people of this city, numbering about 27 members, will, for its next meeting, enjoy a hike, which will be on Sunday, leaving here early in the day, the destination of which has not been decided upon.

This club was recently organized in this city, and dancing parties or other forms of entertainment are given every two weeks, when the married people are given an opportunity to enjoy the festivities.

M. E. Aid Society Holds Silver Tea

CANBY, Or., April 12.—The Ladies' Aid Society of the Methodist church entertained in a novel manner at the home of Mrs. P. C. Reynolds last Wednesday, when Mrs. Reynolds, Mrs. E. D. Blackman, Mrs. T. B. Hamilton and Mrs. J. W. Snider were hostesses of the afternoon. The affair was in the form of a silver tea, and the proceeds amounted to a neat sum.

The early part of the afternoon was taken up with a program, each guest sang a selection or gave a recitation of childhood days. Prizes were won by Mrs. John Eid and Mrs. H. M. Brown.

There were about 40 women attending.

Spring blossoms were used in a most effective manner in decorating the rooms of the Reynolds' home.

No Salary Paid Welsh

Since July, no salary payments have been made by the county to Welsh, though his expenses for several months, including last month, have been allowed by the court.

Outlining the status of the affair, District Attorney Stipp writes as follows:

The law respecting the County Health Officer reads as follows:

"They (meaning the county board of health) shall elect a secretary who shall be in possession of a license issued to him by the State Board of Medical Examiners, who shall be the health officer of the appointing board when so commissioned by the state board of health, and he shall faithfully perform the duties thereof."

The same section also provides that the state board of health shall have power to remove, at any time, any county health officer for incompetence, failure to collect vital statistics, failure to obey rules and regulations, keep records, make reports, or answer letters of inquiry or obey orders of the state health officer concerning the health of the people. There is nothing stated in the law which gives the state board of health authority to remove a health officer for any other cause than those enumerated and there is no provision giving any court or board, including the county board of health, specific authority for bringing about the removal of a County Health Officer on account of failure faithfully to perform his duties.

Court May Prefer Charges

If the charges which you wish to prefer come within any of the enumerated classes, the Court itself or the County Board individually may prefer the charges to the state board of health.

If it is for failure to faithfully perform the duties of his office in respect to other things, then it may be that the county board of health would have jurisdiction and authority and the charges could be made by the county court or by any member of the County Court acting alone.

If, however, the charges are for a violation of the law or malfeasance in office, it might be that the charges should be brought directly before the grand jury. Not knowing, however, the character of the charges contemplated, it is impossible for me to give specific directions and it may be that the local board of health would be held to have no authority so far as concerning and determining any case is concerned. The law is entirely indefinite and as to what it exactly is, is nothing more than a guess.

WILLIAM MILLER NAMED ON REED COLLEGE BODY

REED COLLEGE, Portland, April 12.—(Special).—William Miller of Oregon City, a member of the junior class at Reed college, was today named a member of the committee on arrangements for the third annual Reed Day, scheduled for May 12. Reed day was substituted for the traditional Junior Week-end at Reed three years ago, and has proved an unusual success since that time. More than 500 Portland high school seniors will be guests of Reed students this year. A full day is being planned by the junior class, in charge of the program. Athletic events, a tennis match, canoe carnival, tug of war, baseball game and exhibits are scheduled for the afternoon, while a dance and dramatic production will be features of the evening. A buffet supper will be served on the campus.

TACOMA POLICE OFFICER CHARGED WITH ROBBERY

TACOMA, Wash., April 12.—William H. James, local police officer, in the county jail today charged with robbing the Young Hotel early yesterday. He occupies a cell with Eddie James, "stool pigeon" of the police department, who is alleged to have taken part in the robbery.

James was dismissed from the police department yesterday after he had admitted he had "raided" the hotel, and last night a warrant charging him with robbery was sworn out by Jack Edwards, night clerk at the hotel.

HEALTH OFFICER OPINION IS GIVEN TO COUNTY COURT

District Attorney Is Asked to Aid in Clearing Dispute Over Official Positions; Final Action Being Delayed.

FILING OF CHARGES MAY BE CONSIDERED

Salary of Welsh Denied but Expense Account Allowed For Considerable Period.

The first official legal opinion upon a question which has knotted the threads of official health affairs since last July, has been prepared by District Attorney L. V. Stipp at the request of County Judge H. E. Cross.

Information as to the status of Dr. Orei A. Welsh, and the necessary procedure to oust him from office, is given by the district attorney. The county court was expected to decide upon the matter, and to recognize as health officer, but no action was taken at the present time. The request of the judge for an opinion and the text of the district attorney's reply, indicate an effort to settle the dissension, and point to a probable effort by the court to secure the dismissal of the health officer.

Last July, upon grounds that Welsh was extravagant, the county court made an effort to combine the position of health officer, which he holds, and the county physician. Dr. W. E. Hempstead was appointed to the joint office. Welsh refused to step out, and his position was sustained by the state board of health. Hempstead, awaiting the decision in the case, has not been active in the fight, which has been waged between Welsh and the court.

Since July, no salary payments have been made by the court to Welsh, though his expenses for several months, including last month, have been allowed by the court.

Outlining the status of the affair, District Attorney Stipp writes as follows:

The law respecting the County Health Officer reads as follows:

"They (meaning the county board of health) shall elect a secretary who shall be in possession of a license issued to him by the State Board of Medical Examiners, who shall be the health officer of the appointing board when so commissioned by the state board of health, and he shall faithfully perform the duties thereof."

The same section also provides that the state board of health shall have power to remove, at any time, any county health officer for incompetence, failure to collect vital statistics, failure to obey rules and regulations, keep records, make reports, or answer letters of inquiry or obey orders of the state health officer concerning the health of the people. There is nothing stated in the law which gives the state board of health authority to remove a health officer for any other cause than those enumerated and there is no provision giving any court or board, including the county board of health, specific authority for bringing about the removal of a County Health Officer on account of failure faithfully to perform his duties.

Court May Prefer Charges

If the charges which you wish to prefer come within any of the enumerated classes, the Court itself or the County Board individually may prefer the charges to the state board of health.

If it is for failure to faithfully perform the duties of his office in respect to other things, then it may be that the county board of health would have jurisdiction and authority and the charges could be made by the county court or by any member of the County Court acting alone.

Not knowing, however, the character of the charges contemplated, it is impossible for me to give specific directions and it may be that the local board of health would be held to have no authority so far as concerning and determining any case is concerned. WILLIAM I. BAUER DIES AT HIS MOLALLA HOME

William I. Bauer, prominent resident of Molalla, where he resided for the past four years, and a mail carrier for three years on Molalla Route 2, died at the family home in Molalla on Tuesday night about 10:30 o'clock after an illness of three months, having undergone an operation in this city some time ago.

Mr. Bauer was born at Barlow on April 14, 1874, and resided in Clackamas county during his entire life. He was the son of the late Jacob and Lydia Bauer, of Barlow. He is survived by his wife, Mrs. Bessie Bauer, two sons, Wayne and Donald Bauer, of Molalla; his sisters, Mrs. W. W. Irvin, Mrs. Clara Atkinson and Mrs. W. P. Wurster, all of Portland; a brother, J. B. Leach, of all of Aurora; Mrs. J. B. Bauer, of Rupert, Idaho, who was here at the time of Mr. Bauer's death.

The remains are at the Holman & Pace undertaking parlors and the funeral services will be held from the chapel on Saturday morning at 10:30 o'clock, with interment in the family lot in Zion cemetery, Canby. The Masonic Lodge of Molalla, of which Mr. Bauer was a member, will have charge of the services at the Holman & Pace chapel.

COMPROMISE ON CITY HALL SITE IS AGREED UPON

Representatives of Hill and Down Town District Meet To Effect Settlement of Location of New Building.

MATTER TO BE PUT UP TO CITY COUNCIL

Title to Property Is Clouded; Right of Municipality to Use Land to be Determined.

A compromise location for the proposed city hall, agreed upon last night by representatives of the downtown and hill factions, will be presented to the city council. At a meeting last evening of a number of men who are interested in the selection of the location, it was decided to recommend the Singer Hill site, at the top of Eighth street. The proviso is attached that the fire engine shall be located so as to be on a level with the top of the bluff.

The joint meeting was brought into session in an effort to effect some agreement which would end the long drawn out battle over the city hall. Threats of recalls and injunctions which would indefinitely hold up the proceedings were barred, and a general sentiment prevailed that some action, agreeable to both factions, must be taken.

Plans Not Definite

The plan for the Singer Hill site is not definitely worked out, and is to be left to the engineers and the council to determine. Two locations are projected. One is north of the present Eighth street steps, and would entail the construction of a cement wall for the north side of the building. The other proposed site is just south of the steps where the fire bell tower stands at the present time. This would necessitate considerable rock excavation.

A committee composed of L. A. Morris, Carl Green, John Morris, Ed Johnson, J. B. Stinson, Walter Litz and L. A. Henderson was appointed to take the matter up with the council. An effort is to be made to secure the withdrawal of the other plans which were to be outlined to the voters in May. The question of purchasing the Caulfield property is ready for the ballot, -petitions are completed for the bond recall and petitions are being circulated to place the old Main street location up as a site for the new building.

Vote Is Unanimous

The approval of the compromise site, though considerably discussed, was unanimous. There is considerable contention over the exact design of the structure but the impossibility of arranging the details without the employment of an engineer precluded definite action upon this point last night.

The title to the Singer Hill site is somewhat clouded, but it is generally believed that the property is owned by the city. It was originally deeded to Oregon City by John McLoughlin, but no special purposes for its use were set aside. Later, the heirs of McLoughlin deeded the tract to Singer, who constructed a mill. The mill property changed hands and was sold for taxes. Later, during the Oregon California Land Grant suit, it was decided that the property reverted back to the city. Since then it has been abandoned and considered as a public thoroughfare.

One of the contentions in the use of the hill site is the location of the fire truck, which would be permanently placed on the hill, but it is not expected that any other arrangement can be made that will secure any support from the Hill section. The arrangement would also practically locate the fall down town, as the entrance would be from Eighth street.

\$25 Reward Is Set For Ferry Robbers

Some time during Sunday or early Monday morning thieves entered the pilot house of the gasoline launch used in towing the Oregon City ferry and secured thirty gallons of gasoline and a quantity of tools used in operating the ferry. Arthur G. Beattie, secretary of the Clackamas County Business Men's association, promoters of the ferry today will post a reward of \$25 for information leading to the arrest and conviction of the guilty parties.
