A new volley ball and a fine new drum for the children of Mrs. Malar's room are the latest acquisitions of the grade school. These necessary adjuncts were a gift from the Parent Teachers association and will fill a long needed want. Traveling rings are also ordered. Mrs. Ditter and Walter Krebs made the purchases.

B. Nelson has picked up his courage again after losing a valuable young Jersey heifer, two fine brood sows and twenty-five young pigs and a \$200 horse, all within a week. "B" fed the carcass of the calf to the sows, though it is supposed it was the over eating that did the damage. The horse seemed to have throat trouble and the veterinaries could do nothing. County Agent Holt says the only salvation for potato growers, both large and small, is to plant only one of two varieties, Burbank preferred, and then market in new bags so car lots will be uniform. Much interest was shown at the Boshalm "dem" last Monday.

The Frank R. Kerr family are spending the Easter vacation at their summer domicile on the Bluff road.
