**C. GEE WO CURES CLAIMED REMARKABLE**  
The C. Gee Wo Chinese Medicine Co. is an old established fixture at First and Morrison streets Portland, Ore., having occupied their offices there for a period of twenty two years in which time they have worked up a wonderful practice.  
Dr. Wo is your typical Chinese gentleman, courteous, business-like, smiling, a man who effects wonderful cures when all others have failed.  
By his wonderful system of work in which he uses the Chinese herbs and remedies handed down from a line of ancestors who had a high degree of civilization before some of our ancestors quit hanging in trees by their tails he has made some really wonderful cures.  
Dr. Wo makes it a point to diagnose his case thoroughly and if he can do nothing with a case he is frank to say so, sometimes people who come to him have been given up by many other doctors but if there is any hope left Dr. Wo can bring health back. He does not claim to be a miracle worker, and there is certainly nothing swell headed about him, though he literally works wonders at times.

**TRACTOR COMPANY MAKES BIG SLASH**  
The largest reduction made by any tractor type tractor company has just been announced by the Cleveland Tractor company through their distributor for the Portland district, O. V. Badley. In conformity with the lower tone in other articles the price upon the Cletrac model F has been reduced \$255, making the present price \$695, f. o. b. Portland. It is said that increased production has made this new price possible.  
"We now have over 800 Cletracs in Oregon alone," said Bradley. "With the increased distribution planned, Oregon will stand out as one of the best tractor states in the West."  
Badley has emphasized that the farmer of today can hardly ignore the economy in being able to play an acre or ground with a gallon of kerosene and that he has power which can work over an unlimited day without eating or sleeping; furthermore that whether the plowing is deep or shallow, the Cletrac is prepared to do the work.

CHICAGO, April 11.—Winds of especially high velocity seemed to center in Missouri. Three small towns, Ash Grove, Harold and Luck, northwest of Springfield, Mo., were in the path of high winds and two persons were killed and property was damaged to the extent of \$100,000.  
**CRIMSON TRAIL LEADS TO MUTILATED CORPSE**  
NEW YORK, April 11.—Slashed to death by an unknown assailant, the body of Miss Helen Tracy, 40 years old, was found lying face downward in the hallway of a tenement house in Catherine street early today. A crimson trail leading out into the street showed that the body had been dragged into the house from the outside.  
**6500 STEEL MEN IDLE; LACK OF COAL CAUSE**  
PITTSBURG, Pa., April 10.—The United States Steel corporation today met the United Mine Workers threat to tie up its rich coal properties in the Connellsville region by closing down one of its biggest plants here. The American Steel & Wire company works closed, throwing 1500 men into unemployment. Curtailment will also be made in the steel corporation's big plant in Donora, where 5000 are employed. Shortage of coal is the reason given.
