Church Dedicated At Jennings Lodge

JENNINGS LODGE, May 4.—The Grace Congregational Community church was dedicated on Sunday with very appropriate exercises. The pastor, Rev. A. B. Snider was assisted by Rev. A. J. Sullens, in the morning service when he delivered a sermon on "The Church, Man's Mightiest Institution." In the afternoon, Rev. W. T. McElveen spoke on "The Gospel and Other Gospels." The Rev. A. J. Sullens gave the invocation and the benediction. An impressive part of the service was the song rendered by the Mens Gospel Quartet from the First Friends church of Portland. The home choir also assisted in the music.

While the attendance was small it was a happy time for those who have labored to bring about the attractive church building, which has a spacious auditorium, several rooms for social and community work and a large Sunday school and banquet room.

A bit of history of the church work here might be of interest to a few. In the summer of 1906 a Sunday school was organized here by the late L. Wilcox which met at his home, he being the first superintendent, Mrs. Mary Moore assistant superintendent, Lillian Steele, secretary and Delcie Rose treasurer. All of these officers have now passed on. Two pretty memorial windows have been placed in the new church for Mr. Wilcox and Mrs. Morse. After the school house was completed the Sunday school was held there till the summer of 1908 when the Evangelical Association whose camp grove is at this place, took up the Sabbath school work and they met in the grove until the cold weather came and they held forth in the empty store building. In the fall of 1908 work was commenced on a new church building under the direction of Rev. Noah Shupp, two lots being donated by Rev. Frank Smith, M. E. minister and one lot was purchased by the Evangelical Association. On Christmas eve 1908 the first service was held and many of the children taking part in the Christmas exercises have grown and are now filling positions of trust.

The building was completed in 1909 and dedicated on August 1, 1909 with impressive ceremonies. A. F. Russell, G. D. Boardman and Frank Pratt were the first trustees.

Few rallied to the support of the Evangelical denomination and it struggled along with the Sunday school and with the services held part of the time. In 1914 Rev. H. N. Smith, a Sunday school officer took up the work and a splendid Sunday school resulted. It was held at the Blue Front Hall and in February 23, 1915 the Grace Congregational church was organized with 30 members and the property was bought from the Evangelical Association with a fund left by the late Dr. Atchison as a memorial fund. A pretty coincidence is the fact that many years ago as Dr. Atchison was returning from a call made at the late Berryman Jennings home he made the remark to Mrs. Jennings on reaching the County road that "there," pointing to a spot, "would be a pretty place for a church," and today stands the pretty building within a few feet designated by Dr. Atchison.

The work grew in interest and became federated with the Congregational church in Oregon City. In 1916 and 1917 were very successful years. On Mrs. Smith's failing health, Rev. Smith resigned the work and Rev. A. B. time several prominent families of the time located elsewhere among them H. J. Robinson, C. P. Morse, B. Bruchert, Frank Tucker, A. C. MacFarlane, Geo. A. Ostrom, Wm. Jacobs and the church felt their loss in every phase of the work. Very recently Mrs. Wm. Jacobs took up the work and the growth of the new church is the result of his labor and with the assistance of the community in general who responded liberally with money and donations, the present building was made possible. Among the others prominently connected with the work are T. Woodham, former S. S. superintendent, and Daniel Jones, the present superintendent. The church is governed by a board of three trustees Messrs W. L. Bilstone, Nicholas Humphreys, Mrs. Bertha Hart and five board of managers, Mrs. Esma Newell is clerk, A. B. Smith, treasurer. The church was dedicated free of debt.
