PLANS FOR CANNERY AT CANBY ARE UNDER WAY

CANBY, May 9.—The prospects are bright for a new cannery in Canby, for plans are under way for the establishment of such an enterprise by a Mr. Doty, of Portland, who has had much experience in that line. At present time he is engaged in such a business in Portland, specializing on preserved fruits. For several days Mr. Doty has been in Canby looking over the situation, and if such a plant is established here, he may occupy the building near the Southern Pacific railroad which was built for a cannery a number of years ago, and was later used as a strawberry plant packing house and then turned into a creamery. The building has not been used for about two years.

Many of the residents of this section of the county have devoted much of their time to growing strawberries and other small fruits, and if Mr. Doty decides to locate here, he is to specialize on preserving berries.

The business men of this city are encouraging Mr. Doty to establish his cannery here.

AUTO PARK TALKED BY CANBY BOOSTERS CLUB

At the regular noon luncheon of the Booster Club of Canby held at the Kozy Korner store Tuesday, the majority of the members, there were about 24 attending, were in favor of establishing the automobile park at the Clackamas County fair grounds, and the matter is to be further taken up with the county court.

At the present time the fair grounds are rented to owners of race horses who have been wintering their horses there. One of the owners of the horses, stated that he does not object to that portion of the grounds at present used as a grove being devoted to an automobile park, provided that a dividing fence be erected between that part and the spot where his horses are wintered.

The county fair grounds are considered to be the best site for the automobile park, for there is water piped to the grounds, an attractive grove, and outbuildings, and but a short distance from the main highway which can easily be seen by those passing over the highway.

There was much enthusiasm manifested at the meeting today.

BENNETT STARTS \$1,000 SUIT FOR ILLEGAL ARREST

Action Filed in Circuit Court Against George Titus Result of Previous Case Dismissed By City Recorder Kelly.

COMPLAINT FAULTY IN FORMER HEARING

Plaintiff Reiterates Charge of False Imprisonment in Statement Against Officer.

Suit for \$1000 for false arrest was filed in the circuit court Wednesday by Walter S. Bennett against George Titus, night patrolman on the Oregon City police force.

The suit is the outcome of an action instituted by Bennett in the police court against Titus for an arrest made on the night of April 29.

The damage suit charges that Bennett was "unlawfully and maliciously assaulted, beat, arrested and falsely imprisoned."

Bennett was taken into custody on the night of April 29 at 1:30 a. m. He was taken to jail, searched and released. He then instituted proceedings in the police court charging Titus with a breach of the peace. The specific count held against the officer was that he had shoved a gun into Bennett's stomach.

When the matter came to trial before Judge Charles Kelly it was dismissed, partly on the technical ground that the complaint was faulty. In the hearing, Titus alleged that Bennett had made threats against his life and that he pulled the gun as a matter of precaution when Bennett refused to allow the officer to search him on the street. Bennett on the other hand held that the police had it "in for him" and were molesting him without just provocation. Earle C. Latourette is Bennett's attorney.

COUNTY WOMAN'S CLUB MEETS AT OAK GROVE

A very enthusiastic and harmonious meeting of the Federated Women's Clubs of Clackamas county was held at Green's Hall at Oak Grove on Friday afternoon, with Mrs. Eva Emery Dye, county president in the chair and Miss Matthews of Oak Grove, secretary.

A series of resolutions were passed endorsing the work of Miss Hilda Morris, the county health nurse and of the health association; also endorsing plans for a county library and recommending each club to start a local library with the hope of eventually making it a branch of a county library; endorsing the work of Mrs. Agnes Buckley, county supervisor of schools; endorsing the 1925 fair; also plans for a federated club house at the Gladstone Chautauque; also endorsing and encouraging boys' choruses in all parts of the county; also endorsing progressive commissioners. It was not felt that the present commissioners had always shown themselves progressive.

New officers were elected, Mrs. V. G. Censis, of Oak Grove, president; Miss E. K. Matthews, vice-president; Mrs. O. E. Freytag of Gladstone, secretary, and Mrs. Parman of Wichita, treasurer.

Thirty delegates were present, representing clubs of Oregon City, Oak Grove, Jennings Lodge, Milwaukie, and Wichita, and messages were received from Oswego, also visitors from Portland.

SUIT FOR LIBEL EXPECTED TO GO TO JURY FRIDAY

The rebuttal of the plaintiff nearing completion, the opinion was expressed by both sides last night that the \$50,000 libel suit brought by Dr. H. S. Mount against seven local physicians, will go to the jury some time Friday.

Ten of the thirteen witnesses to be called by the plaintiff in rebuttal have already been on the stand. The defense however, is not certain as to the extent of its rebuttal but their counsel is certain that Thursday will see the final evidence submitted, which will leave Friday for the presentation of the closing arguments.

Plaintiff's Case Presented.
The entire session of court, yesterday was taken up with the witnesses by the plaintiff to give expert testimony regarding the medical case at issue. In their communication to the county court, the physicians virtually charged Dr. Mount had drawn incorrect conclusions from an autopsy over the body of Alec DeFord and stated that the conclusions were a medical impossibility.

Rhoda Dawson, graduate nurse at the Oregon City hospital, who had DeFord's case in charge was called by the plaintiff and examined by both sides at length. She testified as to his condition, but upon cross examination failed to substantiate her statements made relative to the man's temperature, respiration, pulse, etc.

Five doctors from Portland were called by the plaintiff to testify as to the medical facts concerned. Dr. A. E. Rockey, Dr. C. J. Smith, Dr. Geo. F. Wilson, Dr. A. J. Jiesy and Dr. Andrew C. Smith were questioned at considerable length as to the possibilities of death from a septic condition within 31 hours, which the defendants, in their communication, alleged could never happen.

Technical Questions Asked.
Questions of the defense indicated that an effort will be made to extricate their case from this statement on the technical grounds that it, in itself, presumed an impossibility. The statement read to the effect that "no person dies from a septic condition within 31 hours after the infection, especially where it is not followed by an abnormal rise in temperature or fever." The doctors were questioned by counsel for the defense as to whether or not a septic condition could cause death in itself, without some superinducing cause. They stated unanimously that without a superinducing cause there could be no septic condition, or infection. The defense, it is believed, in argument

WOMEN VOTERS INVITED TO BIG POLITICAL MEET

Final Arrangement of Detail On Program of Enterprise Gathering Still Under Way.

A special invitation to women voters in Clackamas county to attend the political meeting which is to be held Saturday night at the Moose hall under the auspices of the Morning Enterprise, has been extended and the committee in charge of the arrangements for the affair, is planning added accommodations for their convenience.

The program is being shaped slowly for the reason that the schedules of a number of the gubernatorial candidates include dates over the state and rearrangement of several engagements will have to be made before the announcement of the final program is ready. This will not probably be available until Saturday morning though it is assured that the leading Republicans will be on hand to explain their views on current problems and personally outline their platforms.

The meeting will be the first in the present campaign where different candidates for the same nomination will speak from the same stage.

Rev. C. F. Williams of Foster, Wn., has assumed the pastorate of the Gladstone Christian church, succeeding Rev. B. F. Clay, who resigned to take up farming at Cornelius. The parsonage is being renovated and improved.

will contend that the published statement was not incorrect for the reason that technically, it allowed for no superinducing cause and thus would not bring about a condition which could cause death.

Witnesses Are Called.
A number of witnesses were called to testify as to minor points in the case. Ed. Surtus, night officer from whom DeFord was escaping when shot, told of the affair in detail and Thomas A. Smith, an employee at the government locks, substantiated the statements of the defense that the dead man was in a healthy condition. He had seen him trucking paper the day before he was shot, he said.

W. A. Rittenhouse, brother-in-law of the dead man testified concerning the hiring of Dr. Mount to perform the autopsy in question.

The testimony of Mrs. R. Varley, sister of the dead man, was ruled out by the court on the grounds of immateriality. Miss M. L. Scott, nurse in charge of the hospital, was called to the stand to verify record charts of the patient introduced in evidence.

Senator THOS. F. RYAN for State Treasurer

HIS RECORD:
Ryan was born in Rhode Island, and received his education in the schools of the state and Massachusetts. He has been a resident of Oregon City for 38 years, and has been prominent for years in politics and civic affairs.

He served six years as recorder of Oregon City, and one term as mayor. For eight years he was county judge of Clackamas county, and he was assistant treasurer under ex-State Treasurer Kay for eight years.

In 1920 he was elected state senator, and rendered able service in the 1921 regular and 1921 special sessions.

He is now the president of the Bank of Commerce of Oregon City, and is also the proprietor and manager of the Ryan Fruit farm near Gladstone. He is a Mason, and is prominent in a number of other fraternal and civic organizations.

HIS PLATFORM:
PLATFORM OF SEN THOS. F. RYAN OF OREGON CITY, CANDIDATE FOR REPUBLICAN NOMINATION AS STATE TREASURER

SLOGAN:
Thirty per cent reduction in department expense by efficient American business administration. Conduct Treasury Department under strict business rules and methods. Insure safe and intelligent investment of trust funds. Eliminate all dead wood and unnecessary expenditures in state departments and institutions, requiring them to be conducted with efficiency and practical economy. Make workable Rural Credits Law that the farmer may have the benefit of its financial assistance. Favor just and equitable equalization of assessments and tax valuations. Favor law PROHIBITING JAPANESE OWNING or LEASING lands in Oregon. Favor employment of our service boys where possible. Favor strict enforcement of laws prohibiting state officers printing and distributing at state expense, personal and political propaganda. Will require of all employes honesty, efficiency and courteous treatment of the public.

WHAT OTHERS SAY:
With Judge Ryan as state treasurer the people would be assured that the affairs of the office would be administered honestly and economically, that every dollar would be protected and that the disgrace put upon the state by Mr. Hoff would be wiped out. Mr. Ryan's record is absolutely clean.—Portland Telegram.

Neither investor, nor guardian of public funds, nor as economist nor as administrator has Mr. Hoff earned reelection. His opponent, Thomas F. Ryan, of Oregon City, was for eight years assistant state treasurer and his qualifications for office seem superior to those of Mr. Hoff's.—The Capital Journal, Salem.

Dear Mr. Ryan:
"The result of my investigation of the office of State Treasurer is so eminently satisfactory that I wish to express my appreciation of finding an office where such a magnitude of business is transacted, conducted in the manner you are now and have been handling the office of Treasurer of the state of Oregon for the time you have acted as deputy. No man I know of in Oregon is better fitted to fill the position of Treasurer than yourself and I believe the voters will show their faith in you by electing you to the position."—R. E. Pinney, Auditor and Adj. of Official Bonds of State Treasurer.

Judge Thomas F. Ryan and O. P. Hoff, present state treasurer, are the two candidates for the Republican nomination to this office, and Hoff's administration is the principal issue. Ryan is making the race on his record as assistant state treasurer under former State Treasurer Thomas B. Kay, and a platform of constructive policies. Hoff's administration was subjected to a special grand jury investigation in the spring of 1920 resulting in the jury severely condemning his policy of purchasing bonds from Morris Brothers with state funds at inflated prices. It enabled the bonding firm to realize nearly \$100,000 in excess profits.—Portland Telegram.

TAXPAYERS: Do not be misled by statements from Hoff about "What the Records show." His WHOLE record tells the story of his inefficiency.
