## Whitney Chorus Plans Announced

The Whitney Boys' chorus has branches over Oregon which are rehearsing weekly under local directors. Rev. H. E. K. Whitney visits these different rehearsals at regular intervals, thus insuring the boys learning to sing the music in the same style.

Next month these boys will be brought to Portland and three concerts will be given by the entire chorus, numbering about 2000 boys.

Philip B. Jennings is organizing several week-end trips, arranged to visit all important towns within a radius of 100 miles from Portland. As many different boys as possible will go on each trip, thus giving nearly all boys singers and several of the outside boys opportunities of going on some trip before the big concert.

One recent Saturday 20 Portland boys of the Whitney chorus left for a week-end trip to Sheridan, Or., by special train over the Southern Pacific lines. They were met at Sheridan by a committee of boys from the rehearsal in that city. Following the reception at the depot they were escorted to the high school, where they were given lunch. Sunday morning all churches united in the opera house for special service. Forty boys from McMinnville drove to Sheridan and united with the Portland and Sheridan boys, making a chorus of 110. Following the concert luncheon was served at the Methodist church.

All boys were then transported to McMinnville. The Sheridan people arranged for automobiles to take both the Portland and their own boys to McMinnville from Sheridan, where they gave a concert in the First Christian church, which was crowded.

The first big trip will be Friday, Portland on the boat Madeline. That May 12, when 200 boys plan to leave evening they will give a concert in Kelso and Saturday evening in Astoria, besides appearing in several other towns en route. Both Kelso and Astoria will entertain 125 boys in their homes, while 75 boys will sleep on the boat. Those sleeping in the boat the first night will alternate with those in the homes the next night. A corps of adult workers will have supervision of the boys on the trip. William P. Merry, chairman committee outside work of the Rose Festival, will accompany the chorus. They will return to Portland late next Sunday evening. The boys will come from Portland, Newberg, Salem, Oregon City, Sheridan, McMinnville, Gladstone, Oak Grove, Jennings Lodge, Milwaukie and Witchita.

Each Saturday afternoon at 2 o'clock at the Sunday school temple of the First Methodist church, Twelfth and Taylor streets, all boys meet for special rehearsal, and the rehearsal is the only one directed by Mr. Whitney personally.

Following the rehearsal arrangements have been made whereby the boys will go to a building near for athletic work and swimming.

The chorus will close to new members after May 20. Many are joining. The rehearsals are at the Whitney chorus office, Oregon building, where new chorus members are enrolled, so that they can be with the boys at the week-end trips and be able to sing at the big concert.

Arrangements are now in progress by which it is hoped to bring Bobby Murray of New York, a native of Tacoma, as the principal soloist of the concert in June. Master Murray sings higher than any other person in the world ever has sung, to A in altissimo.
