This wil be convenient to the motorists, and an attractive place, for there is a grove of firs, which affords a most attractive place to pitch camp. The plan of the club is to have city water piped to that place.

Mr. Brock will have charge of the grounds, and will probably charge a nominal sum for camping privileges. WASHINGTON, May 20.—Jubilant CAMAS PAPER MILL MAN KILLED BY LOCOMOTIVE

CAMAS, Wash., May 24 .- John Dillon, 72 years of age, was killed here last night by a train on the S. P. & S. railway while he was trying to cross the tracks. Dillon was employed as a night watchman in the Crown-Willamette paper mills, and so far as is known has no family.

Dillon, when starting to cross the tracks, was warned not to, as a train was approaching at rapid speed. He paid no attention, it is said, to those who sought to prevent his carrying out his plan, and when nearly across was struck by the locomotive and hurled about fifteen feet. He died ten minutes later without regaining consciousness.
