

AVIATOR FORCED DOWN IN DARK NEAR BARLOW

Developing engine trouble in his aeroplane at a height of 5000 feet V. U. Ayres was forced to make a landing at 8:50 p. m. last night in a field near Barlow.

The trouble as explained by the aviator was first noticed when the plane was making the flight between Oregon City and Canby and the perilous conditions engendered by leaking pipes made a descent imperative if the machine was to be preserved from burning up.

The light over the water tower at Barlow was recognized by the flier and the knowledge of a nearby hop yard encouraged Ayres into attempting a landing. The descent was accomplished successfully and the two passengers were safely landed. The passengers were a woman and a man who were making a pleasure trip from Portland with the expectation of returning to that point.

Examination of the engine disclosed the fact that the water had leaked out of the engine from a burst pipe and a continuance of the flight stated Ayres would undoubtedly have resulted in the plane taking fire in the air.

The darkness and uncertainty made the descent unusually difficult according to the pilot, who expressed himself as being relieved at the fortunate outcome of an incident which might have resulted in a tragedy.

FOREST FIRE AT CANBY AGAIN CALLS FIGHTERS

CANBY, May 31.—The forest fire starting in the East Canby Garden tract on Saturday and gotten under control by Sunday evening, burst out anew in the rear of the tract on Tuesday morning, when it was necessary for the fire-fighters to again get busy. Had it not been for prompt action of these men and neighbors of S. B. Hess, their home located on the highway would have been destroyed. The building, a small structure, caught fire several times from burning trees.

About 100 cords of wood have already been destroyed.

The fire was started on Saturday by workmen employed in clearing for a road in the East Canby Gardens, and gaining headway after catching into a huge-pitch stump the fire was beyond control.

Exercises Given by Henrii Scholars

CANBY, May 25.—The eighth grade exercises of the Canby grammar schools were held on Thursday evening, May 25, when the following program was given:

Drill, first grade.
Piano solo, Hazel Barnes.
Song and drill, second and third grades.

Patriotic exercises, third and fourth grades.

Piano solo, Almira Shields.
Sketch—Mother Goose's Troubles—sixth grade.
Songs, fifth and sixth grades.
Sketch—"And the Lamp Went Out"—fifth grade.
Song—"Columbia, the Gem of the Ocean"—audience.
Salutary, Clifford Samuelson.
Songs, seventh grade.
Introduction Class '25, Blanche Kendall.

Piano solo, Lavern Eckerson.
Class history, Huga Schaubel.
Song, eighth grade girls.
Class prophecy, Pearl Stoller.
Song, eighth grade girls.
Valedictory, Dorothy Pitts.
Class song, Class '22.

The class motto is "Beginning, Not Ending," and the class colors are maroon and gold, while the class flower is the red carnation.

Those who completed the eighth grade and received diplomas on Thursday evening were Clifford LeRoy Samuelson, Pearl May Stoller, Mabel Gertrude Smith, Blanche Vera Kendall, Dorothy Mae Pitts, Lola Belle Griffith, Marabel Bates, Cleo B. Coitriu, Raymond Weyandt, Agnes Margaret Thompson, Ella Johanna Thompson, Ernest Willard Erickson, Clarence Peter Stoller, Chalmers Cleo Sauters, Vema Julij Yeary, Verena Olive Leach, Sarah Margaret Rice, Leonard Gilbert Boe, John Harrison Sweet, Edith Marie Hayes, Geneva Esther Lien, Omar Charles Crumley, Elmer William Rice, Earl Stanley Skinner, Bernice Meda Anneson, Caroline Lois Dodge, Ella Agnes Sauters, Lavern Emma Eckerson, Gerald Knight Bair, Ellen Christine Jacobson, Harold William Bulman, Hugo Adolph Schaubel, Christina Catherine Rueck, Gilbert Satter, Lilian Elizabeth Olson, Edward Norman Hagon, Gladys Marie Sather, Anita Louisa Huras.

The faculty is Mrs. Pearl Gregory.

Mercury Climbs to 100 on Wednesday

CANBY, May 31.—(Special).—The thermometer registering 100 degrees at Canby this afternoon at 3:30 has smashed all previous records for the month of May. The temperature around 90 degrees on Tuesday had prepared the people of this section for today's heat, so that no great surprise was expressed that the mercury had climbed to a record altitude. Readings at the residence of O. W. Berg, of Canby, which is situated in a cool place, showed the figure of 90 on Tuesday and slightly over 100 today.

Similar conditions are reported from surrounding sections, though no report so far has come over the Canby record.

Automobile Park Is Opened Sunday

CANBY, May 31.—The Canby Automobile park, recently established by J. E. Weyandt near the Good bridge spanning the Molalla river east of this city, had its formal opening on Sunday, when many motorists took advantage of the occasion to spend the day in the shade and enjoy picnicking beneath the big trees along the banks of the river.

Mr. Weyandt has purchased 40 acres of land from his brother, F. A. Weyandt, nurseryman of this city, and since making his purchase, has improved the grounds by building a new foot bridge to the island, where bathing has been a favorite pastime in former years. He is also to erect this week spring boards for the accommodation of the bathers, also bath houses.

Tables and benches dot the ground, where the picnickers may enjoy their lunches in comfort. Stoves will also be installed.

Groves are being cleared and when all the work is completed this will give Canby one of the most attractive automobile camps around.

New Building Is Nearly Completed

CANBY, May 31.—The new brick building erected by John Koehler, of this city, located at Front and C streets is now receiving its finishing touches, and adds to the appearance of Canby. The building of light colored brick with brown trimming, consists of two large store rooms, the corner room having been leased by C. H. Sheldon, druggist, who will move from the Masonic building the latter part of this week, and the store room vacated by the drug company will be occupied by C. O. Thomas, of this city, as a confectionery.

BALL IS SUCCESS

CANBY, May 31.—The ball given under the auspices of the Artisan Lodge of this city on Saturday evening was a successful affair, and largely represented.

Prizes were awarded for the best waltz to a young couple from Gladstone and door prizes were drawn by Mr. and Mrs. E. West and Miss Charlotte Bladen.

All attending reported having a good time and are all ready looking forward for the next dance which will probably be given some time in June.

SHELDON'S ENTERTAIN

CANBY, May 31.—Mr. and Mrs. C. H. Sheldon entertained at dinner in a charming manner on Sunday afternoon at their apartments.

Spring blossoms were used in centering the table, and places were laid for Mr. and Mrs. W. H. Bair, Mrs. Anna Knight, Mrs. Martha Sheldon, mother of Mr. Sheldon, Mrs. Andrew Koehler, Mr. and Mrs. Arthur Graham, M. J. Lee, Mr. and Mrs. C. H. Sheldon.

CANBY LOCALS

CANBY, May 31.—Mr. and Mrs. Weyandt of this city, accompanied by their niece made a motoring trip to Hillsboro Sunday, where they spent the day.

Mr. and Mrs. Henry Hoffman, of San Francisco, Cal., are in this city, as guests of relatives.

Among the Canby visitors on Memorial Day were Mr. and Mrs. Fred Clemenson, Earl and Ellen Hutchinson, of Newberg. While here they visited at the home of Mrs. E. Soper, mother of Earl and Allen Hutchinson.

Miss Lena Sandness was among the Oregon City visitors on Monday.

Mr. and Mrs. H. J. Jaspersen, of Kelso, Wash., were in this city the first of the week as guests of Mr. and Mrs. William Rider.

FREIGHT RATE CUT MAY LOWER COST OF LIVING

WASHINGTON, May 25.—The nation's cost of living bill probably will be reduced nearly \$1,000,000,000 a year as the result of the 10 per cent reduction in freight rates ordered by the interstate commerce commission, government statistical experts said today.

UNIQUE PRIZES QUOTED FOR BUYERS CARNIVAL

The homliest man in Oregon City stands to profit by his physiomy, likewise the fattest couple, the shortest man and wife and the biggest family, through the arrangements for special features at the buyer's carnival which is to be held here June 9 and 10. The carnival, which is to embrace a series of special features, sales, and prize awards, is being held through the Retail Trade Extension department of the local Commercial Club.

The arrangement for the premiums has been completed, and according to Al Price, head of the department of the club, will see no material changes through future plans.

The first prize given in a lottery to be drawn on the last night of the carnival will be a \$500 touring car the purchase of which has been consumed. Chances on the car will be given free with every \$1 purchase made at any local store.

Other cash prizes will be awarded as follows: For the largest family making any purchase, \$25; for the largest cash purchase, \$20; for the longest distance traveled to town, \$15; for the oldest couple to buy, \$10; for the "newest" newlyweds, \$10; for the tallest, fattest and shortest couple, each \$5 and for the homliest man, \$5.

The supreme court yesterday wrote a decision in the case of Effie E. Winfree vs. Philip Winfree, appellant; appealed from Clackamas county. The appeal was from an order denying motion for modification of decree in divorce case wherein plaintiff was given custody of minor child; the opinion was written by Justice McBride, and Judge J. U. Campbell affirmed.

The case was filed here on July 21, 1921. The couple had been divorced before and had remarried. Their first divorce proceedings were instituted in January, 1919. The woman at present has remarried.

HIGHER COURT AFFIRMS RULING IN DIVORCE SUIT

The trial of Tony Haas, on charges of bootlegging, has been set in Judge E. J. Noble's court for this coming Saturday. Chief of Police W. B. May will appear as the complaining witness against Haas.

Haas was arrested by the Oregon City authorities as the result of an affair nearly a week ago. Last Friday two Oregon City men were taken into custody on drunkenness charges and fined \$10 each in the police court. On information furnished by one of them, the charges brought against Haas, from whom it is alleged the men purchased the liquor.

The charges against the two men were heard in the police court but the bootlegger action will be heard in the justice court. No reason for the change of court has been ascertained.

DRESS TORN OFF WOMAN IN SEARCH BY BANDITS

SAN FRANCISCO, May 27.—Five motor bandits robbed Arthur J. Herbst, retired capitalist of Hillsborough, and Mrs. Herbst of cash, jewelry and furs valued at \$25,000 at an early hour this morning as they were returning from San Francisco to their home. Mrs. Herbst was partially undressed and rolled on the ground by the bandits in their search.

The bandit car came alongside and ordered the Herbst chauffeur to drive to the curb.

The bandits searched Herbst and took \$200 in cash, his watch and a chain. Mrs. Herbst attempted to conceal a \$3000 diamond chain in the upholstery of their car, but the bandits found it. In making sure that she concealed nothing more, the robbers tore off her dress, pulled down her stockings and rolled her on the ground.

GOVERNMENT WINNER IN SOUTHERN PACIFIC SUIT

WASHINGTON, May 29.—The federal government, by decisions of the supreme court, today won its big anti-trust suit against the Southern Pacific railway and associated interests.

The court held that the acquisition, ownership and control of the Central Pacific line from Ogden to San Francisco, by the Southern Pacific, restraining competition in interstate commerce and therefore violates the Sherman anti-trust law.

8 Killed, 3 Hurt In Explosion At Chemical Plant

SINNAMAHOING, Pa., May 26.—Eight men were killed instantly and three others slightly hurt in a series of explosions which today blew to pieces three loading houses and another building of the Grassell Chemical company plant here. The cause of the explosions will probably never be determined as all the men in the building where the powder first ignited were killed.

The plant is built in the hills just back of the village. The concussion was so great that buildings here were damaged. The first explosion occurred in a packing house on the edge of the plant, immediately workmen in the other buildings ran for their lives and none too soon, for they had scarcely reached places of safety when two other explosions followed.

Much blasting powder went up in the explosion.

EXPERIENCE

There are many kinds of experience. The kind of which I am going to tell you is of interest to every civilized mortal.

During my nineteen years of practice it is a matter of record in my office as well as in the offices of my friends, that those who were careful in selecting their Eye Specialist and took good care of their eyes enjoyed good eyesight when old. Those who abused their eyes by using glasses that were not suited to their needs usually lost the use of one or both eyes in their later years.

By your decision in the matter of caring for your eyes you will place yourself in either of the above classes. Which class are you in? This is a vital question which only you yourself can answer.

Over 11,000 patients cared for.

TONY HAAS WILL STAND TRIAL NEXT SATURDAY

The trial of Tony Haas, on charges of bootlegging, has been set in Judge E. J. Noble's court for this coming Saturday. Chief of Police W. B. May will appear as the complaining witness against Haas.

Haas was arrested by the Oregon City authorities as the result of an affair nearly a week ago. Last Friday two Oregon City men were taken into custody on drunkenness charges and fined \$10 each in the police court. On information furnished by one of them, the charges brought against Haas, from whom it is alleged the men purchased the liquor.

The charges against the two men were heard in the police court but the bootlegger action will be heard in the justice court. No reason for the change of court has been ascertained.

Negro Outrages Woman; Father Avenges Wrong

WACO, Tex., May 23.—A 23-year-old negro, who, according to a statement to the police by Mrs. Margaret Hayes, shot and killed her companion, Harold Bolton, and then attacked her on a road near here late last night, was killed here at 5:30 this afternoon by the father of Mrs. Hayes, when she identified the negro as the one who had attacked her.

Seven shots were fired into the negro at the home of the girl's father on the public square this afternoon by E. L. McClure, a telegraph operator, who, with his wife, took the negro to the home of the girl.

When the negro entered the room the girl threw up her hands and screamed that it was the one who had attacked her.

The father, Sam Harris, then grabbed a pistol and began firing. A crowd, estimated at 6000, stormed the undertaking parlor where the body was taken, dragged the corpse behind a truck through the streets and burned it on the public square.

GRACE FOSTER DIES IN STOCKTON, CALIFORNIA

Mrs. Grace Foster, who made her home in Oregon City for a number of years, where her husband, the late Hugh Foster, was connected with the Willamette Valley Southern Railway, died at the home of her sister, Mrs. Quinn, in Stockton, Calif., recently, according to word received in this city.

Mrs. Foster, while residing here, was active in war work, and was a member of the local Red Cross Chapter. She was a daughter of early Oregon pioneers, who resided in Portland for many years, both of whom are deceased.

Mrs. Foster went South for the benefit of her health over a year ago, making her home since that time in Stockton, California. She was well and favorably known here.

ORDER IS ISSUED FOR PAVING WORK ON 'BOLTON GAP'

Highway Commission Decides On Extension of Road from Willamette River Crossing; Portland Firm Makes Bid.

ROUTE TO BE FINISHED SAME TIME AS BRIDGE

South End Artery Sole Link Remaining to Connect With Stretch to California Line.

The paving of the "Bolton Gap," the 3 mile section of the Pacific Highway extending from the west approach of the new Willamette river bridge to Bolton, was definitely ordered Wednesday by the State Highway commission when bids for the construction of the pavement were ordered.

The only bid received was that of Parker and Schram, Portland contractors, in the sum of \$12,625. It has been referred to the engineer. The paving is to be of a type similar to that already placed on the west side highway, of reinforced concrete construction.

It is expected that the work will be begun in time for the opening of the road with the dedication of the new bridge.

The completion of the highway had been held up for the reason that it crossed the main line right of way of the Southern Pacific on that side of the river and no improvement was to be made until the plans of the railroad were crystallized and the proper crossings could be provided. The company, however, has given definite information to the effect that no improvement is contemplated or is likely for some time at that location and the commission has located the road over the old grade, with a surface crossing.

This section, with the South End road, are at present the only two unimproved stretches on the highway between Portland and the California line with the exception of a few places which are still under construction.

HEALTH INSTITUTE WORK IS REVIEWED IN REPORT

The report of Hilda Morris, county health nurse, made to the Clackamas County Public Health Association, shows that the recent tuberculosis clinic at the health institute here, 12 patients were examined, all but two of whom were members of a tubercular household. The nurse reports that she has records of 120 patients who have been diagnosed and reported to the Board of Health as tubercular; one hundred of these are under 40 years of age; all live in Clackamas county, and are now or have been a source of infection.

On baby's day at the institute with local physicians and child specialists in attendance, 20 babies were examined, and advice was given to each mother as an individual; a nutrition worker from O. A. C. demonstrated at a general gathering, "The Food for Growing Children."

Schoolchildren's Day was as popular with children as Friday was with the baby's mothers; schoolchildren presented themselves early for examination.

A health play, "David and the Health Elves," was given by Eastham school children, under the direction of Miss Helen Stanton, and Miss Teckla Schuholme.

Physicians and volunteer workers exhibited an attentive interest through the Institute. Volunteer workers were sent each day by the Oak Grove, Wichita, Milwaukie and Oregon City Public Health groups. During the institute 12 county physicians were registered. Estacada, Oswego, and Milwaukie were represented.

HALL VERDICT ON COUNT AWAITED WITH INTEREST

PORTLAND, May 31.—Politicians are waiting, with their ears cocked, to hear what Senator Charles Hall of Marshfield intends to do about accepting the verdict of the official count on the gubernatorial primary election; whether he will accept the verdict, or demand a recount of certain precincts in Multnomah county, or in other counties as well.
