

OREGON CITY ENTERPRISE

FIFTY-SIXTH YEAR, No. 24.

OREGON CITY, OREGON, FRIDAY, JUNE 15, 1922.

ESTABLISHED 1886

TWO CANDIDATES ENTER RACE FOR SCHOOL DIRECTOR

E. T. Beverlin to Be Opponent Of Present Chairman; Date For Election Set June 19; Heavy Vote Is Anticipated

2 MEMBERS OF BOARD INDORSE J. E. HEDGES

Petition Favoring Incumbent Signed By 66 Names; Poll Booth to be at City Hall.

E. T. Beverlin and J. E. Hedges, the latter the present incumbent, will be the candidates for school director at the special election in Oregon City to be held June 19. A petition containing 66 names, together with the acceptance of Mr. Hedges, was filed with the school clerk Monday.

The petition asking Mr. Hedges' candidacy is headed by Roy B. Cox, a member of the school board, and is signed by J. A. Roake, also a member of the board. A petition headed by Carl S. Green was circulated for Beverlin's candidacy and contained the name of C. H. Metzner, who is also a member of the board.

Service Is Cited

Hedges has served for a number of years and at present is chairman of the board. The term is three years. The election this year will probably see a comparatively heavy vote for the reason that new territory has recently been annexed to the Oregon City district. Mount Pleasant is now under the jurisdiction of the local board. Only one voting place, however, at the city hall will be opened. Petitions for a polling place to accommodate the other parts of the district were received too late for the board to take action this year.

The Hedges petition reads: "Having faith in the good judgment and independence of action of J. E. Hedges, present incumbent, knowing of his preparation and fitness for the office, having known of his long and valuable service to our school district and our school children, and knowing his freedom from alliances that might hamper and restrict his freedom of action in aiding in the government of our schools, we request that his name be placed on the ballot." POLICE HOLD NEGRO FOR MALLETT GIRL MURDER
JACKSON, Mich., June 13.—A negro taken from a box car at Kalamazoo, a short distance east of here this morning, is held by local police for examination in connection with the slaying here Thursday night of Miss Alice Mallett, matron of the Crittenton Home for Girls.

The prisoner, who gave his name as Freeman Hackett, was unable to give a satisfactory account of his movements since Thursday, according to the police. The cuffs of his shirt were bloodstained and his right wrist was bruised.

GERVAIS CATHOLICS LOSE \$10,000 CHURCH BY FIRE
GERVAIS, June 10.—The Gervais Catholic church was destroyed by fire this morning at 1 o'clock. The origin of the fire has not been determined, but it is supposed that the cause was defective wiring. The loss is \$10,000, with \$3500 insurance. The school will be held in the school building temporarily.

OREGON CITY SCHOOLS ADD 3 EXTRA TEACHERS

Petition For Added Voting Booth Is Granted But Not Effective At This Election.

Additional members of the teaching corps of the Oregon City schools were named at a meeting of the board of directors Thursday evening. Miss Grace Spinger, Oregon City, a graduate of Bellingham Normal school; Miss Minnie Davis, Gilbert, Or., and J. W. Gantenbein, Portland, were elected to positions on the staff.

The board elected the following janitors: George T. Johnson and H. A. Rayl, high school; Fred Erickson, Barclay; Herman Bierman, Eastham, and Mrs. G. L. Durrell, Mount Pleasant.

A petition signed by several taxpayers, asking that an additional voting booth be established at Seventh and Molalla streets for the school election, June 19, met approval, but, due to the fact that the law requires that notice of the date and place of meeting be published more than two weeks preceding the election, the board was powerless to grant the request. It is the plan of the board before another election to establish one or more additional polling places to serve the widespread territory comprised in the district.

SUBPOENA IS SERVED AS LADY STEPS FROM BATH

Man Forces Way Into Home And Accosts Nude Woman Despite Screams of Maid.

NEW YORK, June 13.—Mrs. Robert W. Chambers, wife of the author, had a harrowing experience yesterday when a process server forced his way into her home, ran to the third floor with a maid screaming at his heels and served her with a subpoena while she stepped naked from her bath.

VERDICT OF \$750 GIVEN IN AUTO DAMAGE ACTION

A verdict of \$750 was won yesterday in the case brought in the circuit court here by Frank P. Stratat, of Portland against the Pacific Highway Garage. The damages were asked as the result of an accident when the plaintiff was struck by a truck operated by H. A. Raynor, an employee of the garage. The accident took place at East Broadway and Victoria streets, Portland, on November 18, 1921.

In the original complaint \$7,500 together with attorney's fees and costs was asked. The jury was composed of William Lewis, Maggie Johnson, Augusta B. Haberlach, Adam Keil, Annie Draper, Frances C. Goodridge, Sam J. Jones, Grover C. Pomeroy, Elizabeth M. Ingram, Clara E. Anthony and Louise Kamarath.

BEN DEY JR. IS HURT IN AUTO TRUCK ACCIDENT

Benjamin Dey, Jr., six-year-old son of Attorney and Mrs. Benjamin C. Dey, of Riverside, met with an accident Saturday morning while seated on the rear of an ice truck near the Dey home when he was struck by one of the large pieces of ice that slid from the truck when going up a grade.

The lad's arm was badly crushed and lacerated, several bones being broken. He was rushed to the Oregon City hospital where the injuries were attended to, and Saturday evening the boy was resting easily.

MILWAUKIE MAY SUPPLY WATER FOR OAK LODGE

Whether or not Milwaukie will furnish water to the Oak Lodge district, is to be decided by the council of that city after a conference with the engineers who installed the Milwaukie system. It is indicated that if sufficient water is available the service will be extended.

The matter was presented to the council Monday night by representatives of the Oak Lodge district. This district, recently formed for water purposes, includes the valley territory between Gladstone and Milwaukie. Originally plans were made for the construction of an independent system to secure Bull Run water but the engineers reported that this would be very expensive and the commissioners regarded the cost as practically prohibitive.

RECALL ACTION IN GLADSTONE FAILS TO MATERIALIZE

Proponent Of Move To Oust Mayor and 3 Members Of City Council Refuses To Discuss Status Of Affair.

COUNTER PETITION IS UNDER CONSIDERATION

Street Committee Chairman Denies Any Identity With Change In Administration.

The projected recall of the mayor and three councilmen at Gladstone failed to materialize over the week end. The much touted petitions which were to have been in circulation Saturday afternoon for the recall of Mayor Vedder and Councilmen Frost, R. Freytag and O. E. Freytag had not made their appearance by Tuesday evening.

A. D. Paddock, originator of the recall, Tuesday refused to discuss the status of the affair. Asked for a statement, he curtly replied that the matter was none of anyone's business. Whether or not the threat of a recall will be carried through was doubted in Gladstone Tuesday afternoon. The movement was characterized as the outcome of a change made in the office of water collector. The collection of water rents was formerly handled by Mrs. Paddock but has been transferred to Mrs. Carrie Terry, and will be collected at the postoffice instead of at Paddock's drug store beginning the first of the month.

When Paddock broached the recall, no definite grounds for the action were given other than "inefficiency" of the members of the administration against whom the action was taken. Hints at certain street improvement matters were made in a veiled way.

The name of the council and chairman of the street committee, was widely mentioned Tuesday in the discussion of the recall movement. Howell, however, denied any connection with the recall and stated that he had no interest whatever in it. He said further that he knew nothing of any petitions for a recall being placed in circulation.

Income Tax Law Bills Is Filed by State Grangers

SALEM, June 9.—A bill providing for a state graduated income tax, initiated by the Oregon state grange, of which C. E. Spence is president, was filed with Secretary of State Kozor today.

The term "income," the bill explains, includes the following: All rent of real estate; All interest derived from money loaned or invested in notes, mortgages, bonds or other evidences of debt of any kind whatever.

All wages, salaries or fees received for services, provided that compensation to public officers for public service shall not be computed as part of the taxable income in such cases where the taxation thereof would be repugnant to the constitution of the state or nation.

All dividends, stock dividends, profits or undivided profits derived from stock or from the purchase and sale of any property or other valuables acquired within three years or from any business whatever.

All royalties derived from any source whatever except those for which there are specific exemptions. Further, the measure provides that "so much of the income of any person residing within the state as is derived from rentals, stocks, bonds, securities or evidences of indebtedness shall be assessed and taxed whether such income is derived from sources within or without the state."

Certain deductions are provided for in the bill and the following types of incomes are listed as exempt: To an individual income up to and including \$1500.

To husband and wife, \$2500.

For each child under the age of 18 years, \$400.

For each additional person who is actually supported by and entirely dependent upon the taxpayer for his support, \$400.

The tax to be assessed, levied and collected upon the incomes of all persons, firms, co-partnerships, corporations, joint stock companies or associations, except as otherwise provided by law, after making such deductions and exemptions as hereinbefore allowed, shall be computed at the following rates, to-wit:

On incomes of \$1000, 1 per cent; \$2000, 1 1/2 per cent; \$3000, 2 per cent; \$4000, 2 1/2 per cent; \$5000, 3 per cent; \$6000, 3 1/2 per cent; \$7000, 4 per cent; \$8000, 4 1/2 per cent; \$9000, 5 per cent; \$10,000, 5 1/2 per cent; \$11,000, 7 per cent; \$12,000, 8 per cent; \$15,000, 10 per cent; \$20,000, 11 per cent; \$30,000, 12 per cent; \$40,000, 13 per cent; \$50,000, 14 per cent; over \$50,000 15 per cent.

Contract Is Let To House Oldest I. O. O. F. Lodge

On the wall of a lodge room on one of the islands in the Pacific ocean, there hangs an Odd Fellow charter that once bore the name of Oregon City. The name has been scratched out with a few pen strokes and the word "Honolulu" written beneath in a broad hand. That charter is the original document which authorized the first I. O. O. F. lodge west of the Rocky Mountains, and the events which brought it to the Hawaiian Islands date back to 1853, the date of the formation of an Odd Fellow chapter on the banks of the Willamette at Oregon City.

That was nearly seven decades ago. On November 1, when the seventy year period has nearly elapsed, the local organization will take possession of new quarters, one of the finest structures to house any order of its nature in the west. The final contract for the construction of the Odd Fellows building at Seventh and Washington streets, was awarded by the lodge Thursday night. The lodge quarters are to be built and furnished at a cost of more than \$35,000. The contract for the building, exclusive of the wiring, plumbing and heating, was awarded to Stephenson and Kaulback, 386 Montgomery, Portland, at approximately \$27,000.

Division Oldest in West

Although it is to be the home of the oldest division of the order in the west, the building will be known under the name of Oregon Lodge Number Three. The loss of the original charter is the story of a trip around the horn, an American postmaster in Honolulu and a mystery which even to this day has never been completely solved.

In 1852 Oregon City applied for a charter which was granted. With much ado, the papers were started on their way around the horn. But they disappeared. Just how and why was never found out. Then they turned up in the Hawaiian Islands. The postmaster there had been attempting to organize an I. O. O. F. charter and kept the document. In the mean time Oregon City, worried over the loss, entered into communication with Baltimore, but not before two other towns in the state had secured their recognition. Thus Oregon City, the first lodge to be approved, became Oregon Lodge Three.

Original Charter Traced

Then word of the original charter's trip eastward was received, and subsequently the Honolulu applicants were recognized. The original Oregon City charter, however, was granted them, and the name of the town in the states scratched out. Today there are two Oregon Lodges Number 1, one in the summery islands and the other in the states.

The new building which is to be erected is to meet the growing demands of the order, which has now 230 members here. The upper floor will be devoted to lodge rooms, banquet hall, kitchen club room and ladies' rest room. One of the features is the installation of a large stereopticon machine in the lodge rooms. The lower floor will be divided into two stores, fronting on Seventh street. One is to be occupied by Friedrich and Son and the other is still under negotiation. Each is to be 25 feet in frontage, running the entire length of the building, 120 feet. The structure itself, which is two stories high, will be of reinforced concrete construction, faced with light pressed brick.

The designing of the building was done by White and Wilson.

Construction on the building is to start at once, the contract calling for completion by November 1. The excavation for the basement and foundation is already completed.

OREGON GIRL BRUTALLY SLAIN WITH AX, RAZOR

JACKSON, Mich., June 9.—The body of Miss Alice Mallett, 40, assistant matron of the Crittenton Home for Girls here, was found with the head crushed and throat slashed near the home this morning. An ax and razor had been used by her assailant and indications are that a long struggle took place. No clew to the slayer has been uncovered, but blood hounds are being used in the pursuit.

Miss Mallett's parents are said to reside in Ontario, Ore.

PAPER COMPANY BUYS CANADIAN TIMBER PLOT

VANCOUVER, B. C., June 12.—One of the most important purchases of British Columbia timber land for some time past has just been consummated by the sale to the Pacific Mills, Ltd. of Vancouver and San Francisco, of a large tract of merchantable timber holdings in the Queen Charlotte islands. The deal involves an expenditure of approximately \$1,500,000, the sale being made by the North American Timber Holding company.

The Pacific Mills, Ltd., practically controlled by San Francisco interests, already has large timber and pulp holdings in this province. Including areas of pulp, created by the provincial government, and the new acreage to be acquired will make it one of the biggest timber concerns on the Pacific coast. The company is owned by interests in San Francisco, who also own mills at West Linn, Ore. and Camas, Wash.

NOTED JERSEY BREEDER DISAPPEARS AT SHEDD

ALBANY, June 13.—Friends and relatives of C. C. Dickson, of Shedd, one of Oregon's most widely known and extensive Jersey breeders, have instituted a search for him. He has been missing since Friday afternoon, having been seen last in Albany, where he was transacting business. Before leaving he deeded all his property to his wife.

Dickson is believed by his relatives to have wandered away. He was suffering from after effects of influenza, it is said. Fears for his safety are entertained. He is a member of the Shedd Masonic and I. O. O. F. lodges and of the R. A. M. at Albany.

P. R. L. & P. GRANTED CONCESSION FOR FREIGHT TRAFFIC

New Franchise Approved By Oregon City Council After Conference With Officials And Local Business Men.

LIMIT PLACED UPON DAYTIME LOG HAULING

Changes In Original Draft Of Ordinance Few; Provision Meaning To Be Clarified.

A franchise, extending the period of freight concessions of the Portland, Railway Light and Power company until 1942, was passed by the city council on first reading at a special session held Tuesday afternoon. The action of the council followed a conference of a committee of local business men and the traction company officials. The concessions granted by the city are in return for the aid given by the P. R. L. & P. in the financing of the South End road.

Practically no changes were made in the ordinance from its form as presented to the council Monday evening when the business men requested a committee to look it over. The length of the freight trais to be allowed the P. R. L. & P. during the day time is to be fifteen cars and the trais are to be limited to two 10 number. The understanding was reached that the use of the day hours for freight hauling is to be only on the condition that the extra freight is necessary to the industrial plants and conditions are such that it cannot be handled during the night hours.

P. R. L. & P. Head Attends

The conference preceding the council meeting was attended by Franklin T. Griffith, president of the P. R. L. & P. F. I. Fuller, vice president, Harrison Allen, chief counsel for the company, Clarence Fields, traffic manager of the local road, Ralph Shepherd, representing the Hawley Paper company, O. D. Eby, city attorney, Wm. Andress, Jack Toban, Linn Jones, John Humphrys and M. D. Latourrette, representing the business men. Mayor Shannon, I. C. Bridges, Charles Kelly and City Engineer J. R. Stafford.

Several additions to the wording of the franchise were made at the suggestion of the city attorney to clarify the meaning of the provisions. Under the terms of the franchise, the paving of Main street south from Third street will be maintained by the company until April 17, 1923, or to the expiration date of the old Fields franchise. After this time the thoroughfare reverts back to the city and the improvements incumbent upon the industrial plants who form the abutting property.

Franchise Cut Stands

The reduction in the franchise fee from \$1000 to \$500 will stand. The session of the business men which met during the morning made the suggestion that the original rate be maintained but this action was afterward dropped. He extension of the freight franchise for 20 years was also questioned but not changed when it was pointed out that the time had been set to correspond with the existing passenger franchise.

The morning meeting was attended by William Andress, John Humphrys, Fred Hoeg, Linn Jones, W. A. Huntley, W. E. Caufield, John Busch, Jack Toban, O. D. Eby, H. C. Stevenson, M. D. Latourrette, Charles Kelly, Al Price, C. G. Miller, W. T. Wright, Ben Harding and G. F. Anderson. Andress and Humphrys were named as chairman and secretary and the committee which appeared at the conference named by the chair.

BRITISH ACCEPT CHANGE IN IRISH TREATY TERMS

LONDON, June 10.—The British signatories of the Anglo-Irish peace treaty today agreed to accept Arthur Griffith's draft of the proposed constitution for the Irish Free State. The document has been amended from its original form to meet British opposition to clauses which had been inserted at the instance of Eamon de Valera and his Republican followers. Griffith is president of the Daill Eireann.

BIDS TO BE ADVERTISED ON ROAD NEAR MOLLALA

Four and Half Mile Stretch From Wright's Bridge Will Be Improved with Concrete.

Bids are to be advertised for the construction of a nine foot concrete road from Wright's bridge to Molalla corners, a distance of four and a half miles, under the decision reached by the county court Saturday.

The improvement will be handled under the bond road program if possible, the court indicates. The decision is the result of a conference with the court held by a number of the people from Molalla who were in the city Saturday for the purpose of conferring with the court.

In the call for bids will be included an additional four miles of roadway, two miles being South end road, which will be of similar construction. The remaining two miles is known as the Central Point road, of which the first half mile will be a sixteen foot concrete center and remaining portion a nine foot center. This will make a road program for the coming year that will call for the expenditure of \$160,000.

CANBY SCHOOL ELECTION IS TO BE HELD JULY 26

Consolidation of Fourteen of Districts There Are To Be Voted On; Petitions Out.

Petitions for a special election for the consolidation of fourteen districts and parts of two joint districts in the vicinity of Canby were put into circulation at a special mass meeting there Monday night. The consolidation, which is to be for high school administrative purposes only, is to be voted on July 26.

E. E. Elliott, director and supervisor of agricultural education of the State Board for Vocational Education, and Brenton Vedder, superintendent of Clackamas county schools, addressed the meeting, which was attended mainly by representatives of the outlying districts. The vote, it is pointed out, in order to be successful, will require not only a majority of the total ballots, but also a majority in a majority of the districts.

The consolidation plan involves the operation of the Canby High school as a union district and will bring the supervision of high school education of the entire district under the control of one board. The plan is in line with a general consolidation policy which Superintendent Vedder has inaugurated over the entire county. It has been the subject of many meetings and has been under way for nearly a year. The consolidation as being presented to the people is substantially that which was outlined at the outset by Mr. Vedder, and from the endorsement received throughout the entire territory is expected to carry by a sizeable majority.

9 MONTHS TERM PLAN FOR OAK GROVE SCHOOL

As a result of a majority of patrons having signed questionnaires favoring a nine months' term of school, the Oak Grove school board has decided to hold a nine instead of 10 months' term next year. For several years a months' term has been in vogue here.

The local schools will close next week. The closing exercises will be held Friday of this week with an opera by the primary grades. There will also be two days of events next week. Monday will be sports day and observed as a holiday by the business concerns of the community.

In the morning there will be the final picnic dinner will be held on the grounds and all are invited to remain for the evening when the eighth grade play will be presented.

Tuesday at 1 p. m. the students will assemble at the school house to get their report cards. That evening the sixth and seventh grades will give their class play, a Japanese, under the direction of Miss Gordon, to be followed by the eighth grade graduation exercises, the class numbering 18 students.

AUTO CARAVAN TO TOUR VALLEY FOR GROCERS' PICNIC

Meeting In Portland Plans Big Parade To Advertise Retail Men's Frolic At Gladstone Park On July Twenty Sixth.

AFFAIR WILL ECLIPSE ANY PREVIOUS EVENT

Entertainment To Be Evening Feature; Many Prizes Given By Merchants Open To All.

Plans for an automobile caravan to tour the Willamette valley as far south as Albany and over the McMinnville loop to advertise the Grocers' picnic at Chautauqua July 26, were laid at the meeting of the general committee and the Booster club in Portland Thursday evening. Joe Dunne, of the Hazelwood Ice Cream company, is in charge of the caravan.

Cooperating with the Portland merchants for the success of their annual frolic, to be held at Chautauqua park this year for the first time, is a committee comprising Arthur G. Beattie, secretary of the Clackamas County Business Men's association, James A. Brady, president of the association, Brenton Vedder, mayor of Gladstone, Charles Dickey of the Hub Grocery, and Hal E. Hoss, manager of the Oregon City Enterprise.

The affair, which always attracts many thousand people each year, is expected to eclipse any former picnic by far, as the location at Chautauqua park will permit many to attend the evening performances. Previous picnics at Bonneville did not attempt entertainment after late afternoon, as the distance from Portland was too great.

Prizes for various events this year will include a host of valuable articles, a partial list of which follows. Awards will be made for a great variety of stunts, and every person attending has an opportunity to win valuable merchandise.

Some of the prizes are:
