AIR LINES IN EUROPE REPORT BIG BUSINESS

Last year \$42,937 kilograms of freight and 489 passengers were carried by the Amsterdam-London aerial navigation line, according to figures received by the Transportation Division of the Department of Commerce. On the Amsterdam-Brussels-Paris line traffic amounted to 346,203 kilograms of mail, 11,141,420 kilograms of goods, and 931 passengers. On the Rotterdam-Hamburg service 356,545 kilograms of goods, and 284 passengers were carried. These figures show a very significant increase over the 1920 returns, which were less than one per cent of the number of passengers.

MAN HELD FOR KILLING OF GERMAN SECRETARY

BERLIN, June 29.—Ernst Teschow, a monarchist agitator, was arrested at Frankfurt today on suspicion he is one of the three agents who assassinated Walter Rathenau last Saturday.

Three men, prominent in former monarchistic uprisings, have been named by the police as the assassins of Walter Rathenau, foreign minister. Ernst Teschow, Hermann Fischer and Fritz Kauer, all former members of the Echarth brigade, were betrayed to authorities by a man who alleged he was one of the conspirators, and that the three were deputed to carry out the assassination. They are being sought throughout Germany.

The men upon whom the police are centering their search were identified with the empyronic Kapp "putsch," and are known under several aliases as ruthless criminals.

FIRST TO CRATER LAKE WINS SILVER LOVING CUP

KLAMATH FALLS, June 26.—After battling through snow drifts for five days, Frank W. Hudson, a tourist from Oakland, Cal., driving a Ford coupe, reached Crater Lake rim at 4:20 o'clock Sunday afternoon and claims the honor of being the first autoist to reach the lake this year over any road, as well as the silver loving cup offered by Klamath Falls business men, through the Chamber of Commerce, to the first out-of-state tourist to reach the lake via The Dalles-California highway.

SOUTHERN PACIFIC RAIL DIVISION IS ADVOCATED

SAN FRANCISCO, Cal., June 23.—The state railroad commission announced today that as a result of the United States supreme court decision separating the Southern Pacific and Central Pacific systems, it will petition the interstate commerce commission for "such grouping and such consolidation of railroads as best will serve the ever growing transportation needs of the entire state of California." The interstate body will be asked to take up the situation "as soon as possible," the statement said.

According to the statement, it will be legally impossible for the state commission to take any action before the supreme court because the law does not provide for such appearance. The statement was issued, the commission said, because of many inquiries as to what its course would be in the unmerger emergency.
