LOS ANGELES, Cal., July 14.—The Los Angeles county grand jury today returned an indictment charging Mrs. Clara Phillips, under arrest at Tucson, with the murder of Mrs. Alberta Tremaine Meadows here Wednesday. Mrs. Meadows was slain by blows from a hammer fielded by Mrs. Phillips, according to the evidence of Mrs. Peggy Caffee, sole eye witness, as she gave it before the grand jury.

The full horrible details of the beating to death of Mrs. Meadows were revealed to the police today by Mrs. Peggy Caffee, a young woman who declared she was the eye witness to the hammer blows which crushed the life from the victim on a hillside road in the city.

Plains the night before, purchase of the instrument of death, the hammer, meeting of the victim, the attack the victim's pitiful cries for help, her flight, recapture and repeated blows until she sank in death were recited by Mrs. Caffee who named Mrs. Clara Phillips as the slayer.

Restrained by threats of death from answering the piercing pleas of the victim and nauseated by the scene, Mrs. Caffee said she fled down the roadway and was a few moments later picked up by Mrs. Phillips, who repeated threats of death should she reveal the murder.

**Officials Attribute Cause To Combustion of Magnesium; Building Complete Wreck.**

NEW YORK, July 18.—A stubborn, puzzling warehouse fire in the Greenwich village section of the city broke out about 8 o'clock this morning, burned through the day, and was still blazing tonight after nearly 4,000,000 gallons of water had been played on the flames by 40 hose lines.

District Attorney Banton, following a conference with fire department officials, said late this afternoon that an explosion of a case of magnesium powder caused the fire.

With the flames checked, but not conquered, investigation showed that two firemen had been killed, three more were missing, about 15 persons had been taken to hospitals seriously injured, and more than 175 had received first aid treatment at three emergency stations opened by the Red Cross. In addition, about 500 families were driven from their homes in the Bohemian quarter, and tonight were barred by the police from returning, lest the warehouse walls collapsed.

**PLOT TO SHOOT FRENCH PRESIDENT IS FAILURE**

PARIS, July 14.—An attempt was made here today to assassinate President Millerand of the French republic by Gustav Bouvet, 23-year-old secretary of the Paris organization of anarchists.

Premier Poincaré was riding in an automobile close to that of the president, when the shots were fired.

Bouvet was arrested immediately. He said at first he had not intended to kill either President Millerand or Premier Poincaré, but after vigorous questioning he broke down and admitted to the police that he had tried to kill the president "to set an example before the whole world."

The attack on Millerand was anticipated. Paris newspapers yesterday sounded the warning that an attempt on the life of the president was likely today, following inflammatory articles carried in the radical press.

**JUDGE LANDIS DENIES KENWORTHY REHEARING**

CHICAGO, Ill., July 15.—Commissioner of Baseball Landis today refused to modify his order indefinitely suspending William Kenworthy, former manager of the Portland club of the Pacific Coast league, from professional baseball.

Judge Landis criticized the agreement which limits punishment of minor league club owners to a reprimand. The petition for a modified order was filed by Kenworthy and William H. Klepper and James R. Brewster, owners of the Portland club.

The case arose when Klepper sold his interest in the Seattle club of the league and a few days later gave an unconditional release to Kenworthy, one of the Seattle players. Kenworthy was then hired by Klepper and his associates to manage the Portland team.

Seattle protested and Judge Landis declared the player ineligible.

**WIFE IS GIVEN DIVORCE FROM DANCING HUBBY**

PORTLAND, July 14.—The Rev. G. W. Moore, 66, a retired minister, attended dances four nights a week with women much younger than himself, according to the testimony of Mrs. Elizabeth Moore in a default divorce hearing before Circuit Judge Stapleton Wednesday afternoon.

"I thought he would have more sense than to go out and dance and get all covered with perspiration," declared Mrs. Moore.

The Moores were married March 15, 1921. According to Mrs. Moore everything was peaceful in the family for about four months.

"Then he started going to dances," she continued. "He went out four or five nights a week and returned home at 2 o'clock in the morning. One time a woman, who must have been under 40, came for my husband and took him to a dance."

Judge Stapleton granted the decree.

**Transcontinental Trip Is Made in 28 Days by Bicyclist**

LOS ANGELES, July 15.—Clarence ("Crazyhorse") Wagner, 22-year-old cyclist, was holder of the world's transcontinental bicycle record today, having crossed the country from New York in 28 days 4 1/2 hours.

Wagner left New York at 12:15 p. m. June 15, and reached Los Angeles yesterday afternoon at 4:30 p. m.

"I would have made it in two days less time if I hadn't had so much tire trouble," said the cyclist.

Wagner, a Terre Haute, Ind., boy, averaged 120 miles a day on the trip, and arrived in fine physical condition.

"One thing," he said, "the rail strike didn't hinder my trip."

His next trip will be an attempt to better the record from Mexico City to Vancouver, he said.

**Corvallis Editor Is Secretary of G. O. P.**

PORTLAND, July 14.—Claud Eugene Ingalls, swashbuckling editor of the Corvallis Gazette-Times, was elected secretary of the Republican state central committee yesterday by the executive committee. He will also act as publicity man.

Plans for fighting the G. O. P. battles in the state were chatted over in room 209, Imperial Inn, but nothing was said aloud regarding the O'Leary-Hall battle.

"We will support the entire Republican ticket regardless of names thereon," announced State Chairman Walter L. Toze, Jr., of McMinnville.

Arthur O. Jones, vice president of the First National bank, was elected treasurer.

**Fire Is Started In National Forest On Columbia Highway**

PORTLAND, July 14.—Fire in the Oregon national forest section, starting at Herman creek and running through the timber on a three mile front toward Hood River along the Columbia River highway, sent every available fighter from the Portland district office of the forest service today. The fire was started Thursday by a settler, it was announced by Forest Ranger Brown, who arrested him and lodged him in jail at Hood River.

At last reports, the blaze all along the line was still in the brush at the feet of the forest trees, and the fire fighters were doing their best to restrain it there.

The accused man is said to have watched the fire for two hours after it got away from the brush heap he was burning without making a report.

T. H. Sherrard, supervisor of the Oregon National forest, who got word of the fire when he was at Zig Zag this morning, set out posthaste directly across the mountains to take charge.

**Youth Slugs Umpire With Bat; Is Caught**

ST. LOUIS, July 17.—Charles Bouzek, 33, a deputy sheriff of Rock Creek, died in the Lutheran hospital here today of a fractured skull, caused by a blow over the head with a baseball bat in the hands of Charles Woolsey, 18, of Valley Park.

Woolsey, enraged over a decision made by Bouzek, who was umpiring a baseball game at Fonten, near here yesterday, struck Bouzek with a bat in an argument. Woolsey fled and was overtaken by fans attending the game. He was placed in the county jail at Clayton, where a charge of murder likely will be lodged against him.

**Revenue Officials Uncover \$2,000,000 Chicago Booze Ring**

CHICAGO, July 17.—Internal revenue agents today sought indictment of more than 50 men, including millionaires, a member of congress and former federal officials, in connection with the \$2,000,000 booze ring unearthed here, federal agents declared.

Evidence obtained when Harry Magner, former collector of internal revenue and Benjamin M. Mitchell, politician, were arrested, was presented to a federal grand jury.

Sensational evidence of wholesale corruption of prohibition officials has been obtained, agents said. Two prohibition officers are reported to have been on the payroll of certain brewers with salaries of close to \$100.00.
