Greene Fish Bill Is Graft (Continued from Page One)

I am a citizen of the United States, over the age of twenty-one years, and a resident of Portland, Oregon: that on the 24th day of June. 1922, at or about 10 o'clock a. m. of said day, a Mr. Greene and a Mr. McCarthy came to my office in the Yeor building, in Portland, Oregon, a Mr. F. Barker and a Mr. Seufert having arrived there sometime earlier: that I thereupon introduced the two first mentioned gentlemen by saying: "Mr. Green, this is Mr. Barker of the Columbia River Packers' association, and Mr. Seufert of The Dalles; Mr. McCarthy, this is Mr. Seufert and Mr. Barker." Greene Comes With Proposition

All of those present were there-

ipon seated and I prefaced my con-

versation by saying: "Gentlemen, r will repeat to you what Mr. Greene said to me before, so that you may understand the situation clearly. Mr.

strictly a holdup. dent of Logan, died at the home of his as to how he had gone about the matsin, born 64 years ago. For the past that this was his graft and Albright's to have a chat with Greene and that interest was the bank graft.

Asks About Private Graft I then asked Mr. Greene if any of the citizens of Oregon City had any business was very small; that we ow, of Logan; a son, E. C. Gerber, of private graft of their own and he re had practically transferred our operafiled his petition with but twelve me that Greene was coming in that for the reason that he had to do it to Saturday. and \$5000 when it was broken.

Mr. Greene was then asked as to what guarantee he could give that would be interested. ient number of illegal signatures, and been filed," and further said that in name that was on the petition five or isted. Mr. Greene further stated that had been filed from Multnomah counclerk and that possibly a little higher of the names still unchecked could be Greene for some further time in Saturday, July 1, 1922, and Mr. get in direct touch with Greene through Mr. McCarthy, Greene was asked what interest McCarthy had in the matter and in reply he stated only as a friend, that he was a good friend and a good Scotchman and was interested with him in that way. The above and foregoing constitutes my recollection of the conversation between the persons named at the time above

mentioned. Knowledge Comes Thru Shoemaker I further state that the first knowledge I had at all of the above men Shoemaker, the date of which I cannesday evening, were held from the not exactly remember, but arose as follows: Mr. Shoemaker had been approached by telephone from some lawyer in Portland, whose name I do not know, asking that Mr. Shoemaker bly until the following Monday, but call on him relative to an initiative that he wanted to know if possible petition that was to be circulated by whether I could make arrangements man named Greene, of Oregon City. Mr. Shoemaker stated to me that he called on the attorney, who informed him (Shoemaker) that for the sum of \$1000 he, the said attorney, could

have the matter dropped. The next intimation I had of was on May 27, 1922, when one J. W. Moffat of West Linn, Ore., was in my office and told me that on the morning before he came to Portland he had met Mr. Albriight of Oregon City, who told him that the said petition was being circulated, and suggested that Mr. Moffat bring the matter to my attention, and that if I would get When two horses he was driving be- in touch with Albright that Albright

interest in the matter except primar- ested in it from the connection which ily a grudge against Mr. Shoemaker, he had with the Dolan Wrecking & but that principally it was a plan for Construction company in wishing to not very well talk to me about it in making some easy money; that he had see that concern get its money, and my office and wanted to know if it started the petition, which was drawn itimated that we might like to know by a lawyer by the name of Story in what was going on. He came in a Oregon City, who had given him a couple of days later and left with me liminary conversation he told me he part of the idea, and that he had then a memorandum, which I have in his gone out expecting to make as much handwriting, part of it being as folas he could out of the fishermen on lows Have received in Multnomah, the lower river and as much as he Clatsop and Marion counties 18,664 could out of the packers on the other signatures. It is only necessary to side; that in plain English, it was a have 13,261 signatures to put the money making proposition with him measure on the ballot. The sum of pure and simple and that he had no other interest in it, and admitted about \$15,000 subscribed for. No without any equivocation that it was money will be paid Greene until petitions have been filed. He wrote a from the Columbia river, if sustained Thereupon Mr. Seufert asked Mr. brief memorandum of what he under the seines, wheels and traps and Greene various and sundry questions stood the bill to be. A few days after ter whether Mr. Albright and some with me a typewritten copy of the further stated that he was not himself other people had any interest in it petition, and told me at the time he and Mr. Greene said they had not hought it would be advisable for me Greene wanted to talk with me,

Interest is Small I told him that my interest in the ent time. Then he stated that he had ple who might be interested. He told names in excess of the legal number afternoon, which was, I think, last able him to go down on the lower riv- would talk with Greene and ascertain from him as I remember until Thursdirectly with the packers on the sub- day, the 22d of June-I think it was ject, but that he could not see his in the morning-when he called me up way clear to handle it otherwise, but by telephone and stated that Greene ed to talk with me. McCarthy then explained that Greene was circulating a petition, the one he had shown me, in which he believed the packers

I told Greene that I had no particular interest in it, that my interests he replied, "you will have to take my on the Columbia river were comparaword for it," and further said: "I ively nominal at present, but that I know that those illegal names have had told McCarthy that if he, Greene, wanted to talk with the people who at least one instance he knew of one were interested, I would present the matter to hem and arrange a meeting six times and that no such person ex- date if that was what he was after. Greene then informed me that he was about 50 per cent of the names that in on a proposition in which he was not going to lose out either way; that ty had been checked by the county his arrangements with his partner were such that he would have to file percentage had been checked in the the petition within a certain length outlying districts; that of those that of time, stating that in fact he had had been checked by the county already filed with the secretary of clerk all the way from 25 to 50 per state petitions having about one huncent or more had been thrown out dred names in excess of the number and probably a very large percentage required, and it was up to the packers whether or not he filed some five thrown out. Mr. Barker asked Mr. hundred more. He stated that it would on into a state highway truck near be the easiest way out for him and which to consider the matter, until that he could collect from both parties ty. Arthur H. Gritzmacher, 28, of by filing the petition, but stated that Orenco, Ore,, was killed instantly, Greene agreed to allow that much a sufficient number of names could crushed against the radiator of the time. Mr. Barker or Mr. Seufert to easily be invalidatted to prevent the petition from going on the ballot. He so of Orenco, died at 11 o'clock after further said that he had filed the petition, half of the names on which had been certified by the county clerk, but that he was certain there were enough illegal signatures on it to throw it out and that he was prepared eling on the wrong side of the road. to show where those irregularities The fender of the truck was bent, the were and that that could easily be done. He stated that if anything was to be done with him that they would have to meet him before 10 o'clock the following Friday morning.

Proposition is Stated I told him that if that was the case, he better go ahead, because it was certain that no meeting could be arranged by that time. He then stated he would leave it open until 10 o'clock Saturday morning and possifor a meeting. I then asked what his proposition was, and he stated that he wanted to get \$10,000, half down and the balance when the petition was the county clerk's office Friday. invalidated, and that he proposed to collect from the other people on their notes on approximately July 6, and in that way get his money both ways. He and McCarthy then left, and immediately called both Mr. Seufert and Mr. Barker on the telephone and suggested that they come into town. They came into my office yesterday morning, June 3, 1922, and were present with Mr. R. S. Farrell, when we discussed the situation. They informed me that they would be willing to both of Oregon City. meet with Greene and hear what he had to say. I then called up McCarthy Oregon City Couple and told him that I would be able to arrange a meeting providing it was certain that Greene would be present. McCarthy said: "Don't you worry, I will get Greene; there isn't any trouble about that.'

Carthy came to see me and introduced cant unless I know for certain that himself as a member of the firm or Greene is coming, and you will have employed by the firm known as the to verify that with him." He said he Dolan Wrecking & Construction com- would do that and would let me know

Yesterday afternoon about 3 o'clock had been pressing Greene to secure McCarthy came to my office and said initiative petition; that he, McCarthy, stated that Greene, he thought, was a Greene was going to collect a lot of sation with us the day before and had money from some fishermen as soon set the price a little bit too high, and would then beat it, and that he, Mc- you can get it down somewhat lower Carthy, was going to be on hand so where it will be more advantageous," that Greene couldn't beat it.
