### Motorists Make Trip To Southern Oregon

SANDY, Aug. 14—Last night Mr. and Mrs. Gilbert Haugum, Mr. and Mrs. Gilber Jonsrud and Grant Jonsrud returned from a 10 days' trip to Southern Oregon. After leaving Eugene the party visited friends at Wolfe Creek then on to Grants Pass, where they visited other friends, and also took a trip to the Marble caves which are 52 miles from the latter place, climbing an 8 per cent grade with minor ear troubles.

The marble caves are half mile underground, and daylight never enters. Mr. Haugum blew out his lamp to "see if he could see" but the inkiness was appalling.

At Medford Mrs. Joel Jarl was visited and also friends at Central Point. The party went to Crater Lake but the wind was blowing a hurricane and it was so cold they stayed only three hours.

Auto camp grounds at Ashland and Oakland proved very convenient. Hundreds of acres of pears were being picked for market in the Medford country. Around Roseburg is the big prune district, and the crop is promising. The return trip from Medford was made in just two days, and the entire journey was one of great pleasure which all enjoyed very much.

### Pure Americanism Is Theme of Jude

SANDY, Aug. 14—A rising vote of thanks was given Judge G. W. Stapleton at the conclusion of his address given for the Parent Teacher program here Sunday. The judge said the public school is the melting pot of the nation, and was the only place where children of every race and color were brought together on a common level, and made a forceful talk for pure Americanism, which, he said must come through the public school if our country is to endure. He deplored the "little Italys, Germanys" etc. that congregate in sections of our large cities, and speak their own language, live the customs of their native land instead of absorbing the true American spirit. A child's education begins in the home, and the early impressions have much to do in after life, said the judge, who also deplored the fact that mothers and fathers neglect to teach the practical things of life to their children, which compels the employment of so many "specialists" to teach the boys and girls how to feed pigs, cook and sew, thereby increasing the taxes.

Mr. Stapleton covered a wide range of vital subjects in his speech, all striking home to his hearers. One idea he advanced was that Germany cannot possibly pay her immense indemnity. France cannot pay, and that it would be better for us to wipe out every war debt, so that we can build up trade and go to doing business again. "The world needs our products, we need a market, and the time lost in waiting will be disastrous to the world."

Dorothy Eason sang a solo and Miss Eunice Jonsrud read Anthony Ewer's "The Soul of the Average Man." A cafeteria dinner was then served in the Odd Fellow's kitchen where ice cream cones and other light refreshments were sold for the benefit of the P. T. fund for a school piano.

### No Bids Made For Sale at Greenwood

SANDY, Aug. 15—C. C. Pilgrim of the Greenwood district who widely advertised 4 twenty, and 2 forty acre tracts of land and 5 room furnished home, stock, etc. at a sale, did not receive a single bid last Thursday although Wilson, the Portland auctioneer did his "mightiest" to arouse enthusiasm enough to get things started. Pilgrim was at a big expense, and there was a fair crowd present, but for some strange reason not even a chicken caught a bid.

The Pilgrims will dispose of their stock by private sale and will drive back to Iowa where they expect to move.

### Locating Fires Is Explained to Scouts

SANDY, Aug. 14—Scout Master H. S. of Gresham and his troupe of 16 scouts passed through town on their way to the Mt. Hood mineral springs where they were in camp all last week. Hisey and the boys made a visit to the Summit ranger station where Joe Graham and A. G. Jackson explained the system used for locating forest fires.

### Boring-Sandy Road Work Is To Start

SANDY, Aug. 15—Arrangements are being made to ship out material to Boring to begin work on the highway at Peterson's corner, working toward Sandy. The road will no doubt be put in condition for travel from Kelso to Sandy before winter since Multnomah county has arranged the financial part of the program.

### Sandy Blows Game In Ninth Inning

SANDY, Aug. 14—Sandy was playing fine last Sunday at the diamond until the boys blew up in the last inning, then Oswego walked over and took the game 8 to 6. It was a good game. Sandy is trying to get Oswego to play again next Sunday.

#### TO LAY GRAVEL WALK

SANDY, Aug. 14—The Sandy city council decided at its last meeting to get an engineer to establish the side walk grade on Main street from Gray's corner to Reed's and have a gravel base put in for the winter as it is hardly likely cement walks can be put in this fall.

#### ROAD WORK PROGRESSING

SANDY, Aug. 14—Work is proceeding splendidly on the sky-line trail, and Carl Alt, foreman has a camp 7 miles beyond Clackamas lake. He has a tractor and grader and has had as many as 40 men working at one time. Mrs. Alt is spending a couple of weeks at the camp with her husband.

#### SANDYITES SEE BALLOON

SANDY, Aug. 14—Last evening a balloon was observed here which soared about two miles high, and was going south east. It floated above the clouds till it looked very small. It was thought to be a gas balloon.

#### CHURCHILLS VISIT

SANDY, Aug. 14—State Supt. Churchill and Mrs. Churchill were recent visitors here for the day at the home of their daughter, Mrs. Weller.

#### SERVICES POSTPONED

SANDY, Aug. 14—During a big electrical storm up the mountains last Wednesday evening which made the phone "sizzle and pop" at Summit ranger station Joe Graham ranger, had a busy time putting out 8 fires started by lightning between Mt. Wilson and Frog Lake. Graham took 11 men and a truck, and where they could not drive they tramped until each fire was out and a trench dug around the spot.

While the above was taking place a sheet storm came up at Government camp and the telephone line was put out of commission to the look-out tower of Mt. Hood. The two look-out men, Phelps and Rotschy worked till 10:30 at night to find the break. At 7:30 next morning they were able to call up Summit, and the first message was "Thank God we are in touch with somebody again."

#### TO SHIP LOGS

SANDY, Aug. 14—The Dwyer Logging Co. is about to make another setting and will then ship out 15 to 20 car loads of logs per day. They are logging by Widmer's creek and about 60 men are employed.

Mr. and Mrs. Thos. Hunkins (Edna Deyoe) started out to the Sandyridge country from their Portland home recently to make a visit but had a car mishap in which they were thrown out and the car was slightly out of commission and they had to get help from a garage, so decided to go back to the city.

E. Milliron went to Portland Monday on a business trip. Milliron took his family down Sunday to attend the P. T. "doings."

Walter Krebs and Ed Gesch are digging a well for C. L. Henson, who has his barn under way on his place east of town.

John Motel has been learning a little "commercialism" while going about from town to town the past month taking orders for a Portland made line of goods. John may not enter U. S. till the second semester.

Marjorie Erickson, who is attending a sister's school in Portland, has been visiting at the Duke home the past week.

Mr. and Mrs. Les Schmitz were out from Linnton Sunday enjoying the association of home and friends, and also the ball game.

Mrs. Alice Shipley was in Gresham again for a short time during the week.

Mrs. Blanche Shelley was a Portland visitor and shopper a few days ago.

Miss Eileen Sprague of Portland was a house guest of Mr. and Mrs. for the dance. Miss Sprague C. L. Clinefelter last week, remained with the orchestra.

Mrs. Eason and Mrs. Duke have been distributing books to patrons of the circulating library on Tuesdays for Women's Club.

Some "folks" got mixed up on the picnic question last Sunday and went to the grove, thinking the program would be given there, regardless of the dampness.

Mr. and Mr. Edward Bruns and family spent a week at Garibaldi and Netarts beaches having a splendid vacation. The children were loathe to come home.

Attorney Wm. Hammond was out from Oregon City a few days ago on legal business. The day was too "sloppy" to bring the family.

Flayd Mack of Gresham, a former Sandy man was the electrician installing wires in the new Jonsrud home, and Lee Chalker, also of Gresham put in the plumbing.

Mrs. Sanderson, sister of Mrs. Carl Alt and little daughter are "keeping house" for Mrs. Alt while she is up the mountains for a vacation at her husband's camp.

Mrs. Harry Reed had a letter from her mother, Mrs. Hoerner, in which she says she and Mr. Hoerner expect to return from Baker about the first of the month.

Mr. and Mrs. E. C. Peik (Carrie De Shazer) and little daughter were here visiting the latter part of the week and were house guests of the Eason family. They also visited the Joe DeShazer family and other relatives. Their home is a little beyond Beaverton.
