GERMAN MORIATORIUM IS REFUSED BY FRANCE

Control of Mines to Be Only Acceptable Guarantee Says Premier in Keynote Talk.

BAR LE DUC, France, Aug. 21,-France will not consent to a moratorium of any character to Germany unless the German state mines of the Ruhr and the national forests are placed in the hands of the allies as a guarantee and no matter what happens France will not depart from this

Such was the position of the French government with regard to the reparations question as outlined this afternoon by Premier Poincare at the opening session of the general council of the department of the Meuse.

The premier's speech had awaited with great eagerness in allied circles since it has been generally accepted that the definite and final position of France would be outlined in this address.

The premier disclaimed any desire on the part of France to ruin Germany under the guise of a demand for pro-
