## Fine Talks Made at Community Council

SANDY, Sept. 5—The second annual community council meeting of the Orient, Lusted, Victory and Cottrell school districts, was held at the Cottrell community church Monday. This splendid organization is to create a greater desire in these districts for "better schools, better homes, better farms, and better churches". The president and organizer, Rev. Earl Cotton, was chairman of the day. In the morning session Miss Margery M. Smith, food specialist, and H. C. Seymour, state club leader gave fine talks. A fine basket dinner was served cafeteria style by the Cottrell ladies.

The first speaker of the afternoon was J. F. Lander, president of the state normal school of Monmouth, who gave a scholarly address on the vital needs of today. He stressed the "group spirit" as was shown at this meeting, and urged getting together in community life regardless of different opinions, and said if we could carry the group spirit far enough to take in other groups, we can get rid of the difference between capital and labor. "The altruistic spirit is dominant in the U. S. today. More than 3 million men are working now than one year ago, yet Samuel Gompers came 'tremendously near to treason' in his statements concerning the present strike situation. 'We must catch the spirit that God is love, for these questions can never be settled by force. We are 'April-fooling' ourselves if we think war or strikes can settle national, or international differences.'"

President Lander made a few remarks in favor of school consolidation, claiming the passing of the little red school house is "logical", and that consolidation is "bound to come". He also referred to the county unit plan, but did not explain his views on the subject.

The next speaker was Rev. W. H. Boddy of Hood River who gave an excellent address on "The Community Church." He said he spoke of an "aspiration rather than an achievement", as the movement was too new to have any great record of experiences. However, the demands of this church was a growth of religious consciousness, because the church was not fulfilling the social needs of the smaller communities. He showed the loss from duplication of churches, and the purpose of the community church is to do away with duplicated machinery. He claimed the denominational church tends to life loyalty out of the community, and cited instances where "all benevolences must be sent out to church headquarters". The community church must serve at home first. "Unity is spiritual affinity, and we should be united by the 'heart.' He stressed the necessity of the passion for human service, and said the community church did not ask the giving up of one vital principle, saying respect for "un-likeness" was the greatest thing in the world, and showed how intolerance had filled history with crime. He pleaded for a broader humanism, for a spirit of fraternity, which is the "overmastering way," and until "Protestantism can learn to appreciate Catholic, and Catholic learn to appreciate Protestant," and we learn to "attain" together in the name of the Great Teacher we shall go on our weary way of division and strife.

Rev. Boddy explained the three types of the community church, and enlarged on the workings of the Riverside, and valley churches at Hood River, which are successful illustrations of what may be accomplished in this line.

Community singing was interspersed during the program and reports of committees read and adopted.

## Fighting Engineer Hands Out "Shiner"

SANDY, Sept. 5—It has been reported that O. A. Palmer has given up the rocking contract for this unit of the highway, but the report is not verified. There has been no work done at the crusher for nearly two weeks.

Last week Van Orden, an engineer running the "donkey" at the crusher is alleged to have jumped on to Palmer and gave him a black eye, claiming that Palmer had given him a worthless check for \$50, which left Van Orden's wife and baby stranded in Oregon City. C. Dahl and another man who happened to be passing through Sandy stopped their car and rushed in between the men, and Van Orden hurried to the city recorder, plead guilty, and paid his fine. Palmer tried to get the Sandy Justice of the Peace to sign a warrant for the arrest of the man, but the justice ruled that a man could not be arrested after he had paid his fine. Palmer then called up the sheriff's office at Oregon City, but the officials there would not take the matter up. A collection was made up among Van Orden's fellow laborers to give him the amount of his fine.

## Club Work Shows Good Yearly Gain

SANDY, Sept. 5—H. C. Seymour, state Boys and Girls club leader, who spoke interestingly at the annual community council meeting at Cottrell Monday said the percentage of completions in club work show the same steady growth as in the past, and he felt safe in predicting a 75 per cent completion average for the state, next year, and that Clackamas and Multnomah and other counties with club leaders will run up to 90 per cent. The quality of work is better, and the personnel is holding fast. After all expenses were paid the club members made a profit of \$67,900. The overhead expenses including the salaries of the state staff, literature, club agents, etc., amounted to \$21,000, the clear profit, \$36,900.

Miss Margery M. Smith, food specialist of the O. A. C. Home Economics department gave a talk on food values with blackboard illustrations that was well received.

## Birthday Party Is Given Sandy Woman

SANDY, Sept. 2—A surprise party was given for Mrs. C. L. Clinfelter in honor of her birthday by Mrs. Casper Junker on Wednesday afternoon Aug. 30 at the Junker home. A pleasant time was enjoyed by Mrs. J. C. Loundree, Mrs. J. C. Duke, Mrs. E. Beers, Mrs. "Beattie" Harris, Mrs. R. S. Smith and children, Mrs. Geo. Beers and Lois, Mrs. C. Scharke, Mrs. Henry Perret, Mrs. F. L. Proctor, Mrs. Katie Koch, Mrs. Frank Schmitz and little Betty Jean, Mrs. Junker and Mrs. Clinfelter. Several other invited friends were unable to attend. Refreshments were served.

## Flume Bridge Over Sandy Completed

SANDY, Sept. 4—The Beechel flume bridge has just been completed at Brightwood. This is a cable bridge 250 feet long, 12 feet wide, with a tower 30 feet high, and the structure is 60 feet above the Sandy river. Work on the flume will be rushed now, and will probably be finished by the middle of December. McIntyre and Mitchell are the contractors.

## OUT-OF-TOWN CHECKS are cashed without charge by this progressive institution.

This is just one of our many little services which we are glad to render residents of Gresham and the surrounding district.

Let us cash your checks on out-of-town banks and thus save you collection fees.

Our object to furnish facilities to meet your every banking need.

## FIRST STATE BANK GRESHAM, OREGON

## Prominent Speakers To Talk at Grange

SANDY, Sept. 6—Saturday will be a big day for the Sandy Grange members and their friends. The afternoon session will be open to everybody, and State Master Spence, Representative Matt Glover and County Agent Holt will be the speakers. Subjects of interest to all voters will be talked upon. A number of visitors from Eagle Creek Grange will be present.

## CHRISTENING HELD

SANDY, Sept. 4—A christening service was held at St. Michael's Catholic church here yesterday for little Marie Elizabeth, infant daughter of Mr. and Mrs. James Wolfe, by R. Father Boniventura of Mt. Angel. Mrs. Cyril Gray and Aloysius Gray were chosen godmother and godfather.

## P.T. TO MEET

SANDY, Sept. 5—The regular monthly meeting of the Sandy Parent Teacher will be held at the home of Mr. and Mrs. J. M. C. Miller and a large attendance is desired. After a short business session the remainder of the evening will be spent socially with music, etc. Husbands, come, bring your wives.

## CREEK NAME CHANGED

SANDY, Sept. 5—Contractor A. D Kern is having a rock crusher put in at Wild Cat creek, and is rushing the surfacing above Cherryville. The name of this creek has recently been changed from Boulder creek to Wild Cat creek, the reason being given that so many streams were named "Boulder."

## TO DEDICATE HOME

SANDY, Sept. 6—Mr. and Mrs. W. Smith, who have completed a new modern residence on their farm near Lusted hill will "dedicate" their home next Sunday after church, and have invited the Cottrell congregation to join in the service. A basket dinner will be served on the porch.

## CEREMONIES POSTPONED

## Water Question Is Again Talked Over

OSWEGO, Sept. 5—The continuation of the meeting that was held a week ago Monday night was again held last Monday night in the city hall, with a large attendance of people interested in the water situation. There was a general discussion of all those for and against the proposed formation of a water district. One of the most interesting speakers of the evening was J. N. Deasey, an attorney of Portland, who owns a large tract of land in Oswego. He urged the necessity of getting good water to the various parts of the town and brought out facts that the sale of valuable property was held up, owing to the lack of water. Others who are strongly in favor of bringing Bull Run water into Oswego, were heard. The nominees appointed for commissioners to be voted on at a special election on September 15th are William Boyd, Henry Bickner, Fred Norman, Robert Graham and W. H. Chapin. A committee named to circulate petitions for the commissioners are Mrs. W. S. Wessling, Charles Bickner and A. F. Webster.

One important fact that was brought out by Samuel Owen of Glenmorrie was that the rate on fire insurance would be less if a better water system were established.

## School at Oswego Opens on Tuesday

OSWEGO, Sept. 5—Oswego school opened Tuesday, September 5, for the fall term. The pupils were greeted with a new principal and teacher of the seventh and eighth grades in the person of Mrs. Agnes M. Buckley, who for three years, was Clackamas county school supervisor, and previous to that had charge of the school at Clackamas. She succeeds Miss Mary Bickner, who was not a candidate for re-election, after teaching in the local school more than 25 years. Mrs. Buckley resigned her position several weeks ago and since that time has been assisting in the instruction work at the girls' industrial school at Salem. Besides Mrs. Buckley as principal, Mrs. Lucille Goreshine will teach the fifth and sixth grades, Miss Irma Vose the first and second grades, Mrs. Gertrude EWING primary, Robert D. Rogers, manual training. The instructor in domestic science has not yet been selected. Arthur McVay will again be janitor. The school building looks much better since being repainted.
