The program committee which consists of Mrs. C. Wagner, Mrs. Schechla, and Mrs. F. Ridder arranged the following program: song by association, "America, The Beautiful"; health exercise, primary pupils; vocal solo, Sherman Seely; a talk on "The History of the Formation of Our Government" by Bessie Stout; address, "Giving the Child a Square Deal" by Miss Griebble of the Lincoln High school of Portland. Miss Griebble taught her first school in Wilsonville thirty years ago and told some of her amusing experiences. She met many of her former pupils who now have children of their own attending the Wilsonville school.

After the program light refreshments were served and all enjoyed a social hour.

The social committee which consists of Mrs. Chalupsky, Mrs. Wiedeman, and Mrs. Holbrook deserves special mention also for the able manner in which they carried out their part of the evening's work.

A live P. T. A. is a great help to any school district and Wilsonville is fortunate in having such an organization. The officers for the year are: president, Mrs. J. R. Peters; vice president, Mrs. Wiedeman; secretary, Inza R. Wood and treasurer, Mrs. Holbrook. Regular meetings are held on the first Friday of each month, but on account of the first Friday of December being the day after Thanksgiving, the December meeting will be held on the second Friday.

There are thirty eight wide awake pupils enrolled in this district this year—seventeen in the advanced room and twenty-one in the primary.

The board has given the teachers permission to ask the children for donations of fruit, vegetables, etc. for the Boys' and Girls' Aid Society. The children have responded well and we have a good collection of things to send to the children less fortunate than ours.

The new scales have arrived for the school and the "Health Crusade" work is to be carried out in our community this year.

Parents and others interested in school work are invited to visit the school at any time and inspect our work.
