DR. TODD TO BE HERE

NEXT SUNDAY MORNING

WILL SPEAK AT METHODIST
CHURCH—SPECIAL ILLU-
STRATED SERMON.

Dr. C. E. Todd, vice president of
Willamette University and one of the
best known Methodist ministers of the
Northwest, will occupy the pulpit at
the M. E. church next Sunday at 10:45
a. m. Dr. Todd has been unusually
successful in his work in connection
with Willamette University. He has
just assisted in securing a gift of \$50,-
000 from Mr. J. J. Hill, the great rail-
road magnate, for his school. He will
not, however, make a financial appeal
next Sunday. He comes to tour the
schools of Clackamas county with
Supt. Gary. A large crowd is expected
out to hear him.
In the evening at 7:30 the pastor
will give the first of a series of illus-
trated sermons on Old Testament his-
tory. The subject for next Sunday
will be "In the Beginning." About
50 pictures will be thrown upon the
canvas, many of them colored and very
beautiful. There will be a large
crowd. Come early to be sure of a
good seat.

TO PETITION LEGISLATURE.

Rev. Proctor Will Head Delegation to
Visit Salem.

Rev. William M. Proctor, pastor of
the First Congregational Church of
Oregon City, will head a delegation of
people from this city who will go to
Salem early next week and lobby for
the bill of Senator W. A. Dimick, pro-
viding for an eight hour day in fac-
tories where work is carried on more
than 22 hours a day. This bill is
aimed at such establishments as the
Oregon City paper mills, that operate
24 hours a day with two shifts and is
designed to compel the big companies
to put on three shifts, increasing the
number of laborers by about one third
and a consequent increase of the pay-
roll. Rev. Proctor has a brother in
the Washington legislature, who has
introduced a bill identical with that
presented by Dimick in the Oregon
Senate.

Silver Tea at Christian Church.
The silver tea at the Gladstone
Christian church Tuesday afternoon
was a very enjoyable affair, and 22
women attended. Four new members
were admitted into the Ladies' Aux-
iliary. Mrs. S. A. Hayworth gave a
very interesting talk on "Mormonism,"
and refreshments were served.

TOWN BULLETIN BOARD.

Usually Put Up in Conspicuous Public
Place, Destroying Beauty.

In most towns the law requires the
posting of notices in public places. In
selecting a conspicuous pole or fence a
disfigurement is of-
ten created which
will at times de-
stroy the looks of a
whole section.

What is there
more unsightly
than a large plac-
ard stuck up on a
telegraph pole in a
well kept street,
perhaps in the
town's finest res-
idential section?

Since commu-
nities are or should
be trying to over-
come the unsight-
ly decorating of
fences, buildings
and poles with all
kinds of advertis-
ing matter it is
necessary that the
authorities find
some other plan for posting such
notices than the use of bulletin boards
such as shown in the illustration.

New Town to Be a Model.
Announcement has been made by an
American of the completion of plans
for founding an entirely new city in
Lower California directly on the line
of the new San Diego and Arizona
railway, near the old town of Tia Ju-
ana and the international boundary.

The plans for the New Tia Juana
call for well constructed streets,
a modern hotel, a casino, a sunken gar-
den, a theater, a Spanish bull ring,
pavilions and other places of amuse-
ment, including a lecture hall, plunge
baths and a library.

ent were: Mrs. Laura Bullard, Mrs.

FIRWOOD.

Do not forget the social at Firwood
Saturday evening, January 21 at 8
o'clock. All are most cordially invit-
ed. Come one, come all and see the
fun. Ladies bring old hats and trim-
ming. The hats and pieces of trim-
ming will be sold to the gentlemen at
a low figure. The gentlemen will then
trim them fit to be worn by a queen.
No doubt. A prize will be given to the
best trimmer. Ladies bring lunch.
The supper will be Grange style—all
eating together.

The lecture given by W. J. Wirtz,
of Sandy, Sunday afternoon, was quite
well attended, considering the weather,
and all felt well repaid for making
the effort. Many considered it one of
the best talks he has given here. The
subject was "Character Building"—a
subject that should be of vital interest
to each and every one. Mr. Wirtz
brought out some very interesting
points, worthy of considerable thought.

Firwood and Dover were well rep-
resented at the Sandy Grange Satur-
day. Among those who attended were
Mr. and Mrs. J. G. DeShazer, Miss
Bina Douglas, Mr. and Mrs. A. Malar,
Mr. and Mrs. E. D. Hart, Miss Jennie
LeGrand, Mrs. W. F. Fischer, Clair
Cory, Victor Bodley, Mr. A. J. Mor-
rison, James Lamper, and Ray Howe.

Mr. Leo McCabe, who has been
spending a few days with his parents,
has returned to Johnson's Mill, where
he has been working.

Mrs. B. F. Hart visited over Sunday
with her parents at Cherryville.

Miss Bina Douglas, of Eagle Creek,
has been visiting with her sister, Mrs.
J. G. DeShazer, for a couple of weeks.

Fred E. Black, of Portland, visited
Firwood friends over Sunday.

A. Milliron spent a few days in
Molalla the past week looking after
business interests.

Hoffman, of Sandy, attended the Fir-
wood-Dover Telephone Co. meeting
last Saturday evening.

Mr. E. C. Strong has been on the
sick list the past week.

Miss Bertha Stucki has gone to Kel-
so to work for the next few days.
The school is melting fast and it is
hoped will soon be out of sight.

MOLALLA.

One week of winter weather with
snow three inches deep and the ther-
mometer down to 10 degrees above
zero—one night only. At many fa-
vored localities it was several degrees
warmer than that. With the regular
weather "Chinook" now in sight every-
body is beginning to feel better al-
ready.

Why yes, Molalla has redeemed her-
self by voting three mill special road
tax. Don't know if Meadowbrook
would call that "waking up" or
merely doing along. However, things
do not look very bright for that steel
bridge this year.

Carry Herman has sold his farm to
Mr. Edgemond for \$6000. Carry con-
templates entering the mercantile
business at this place.

Mr. Barney Frederick, who recently
got hooked in the jaw by a cow, is
getting along nicely.

Mr. Lamb, who recently underwent
an operation for appendicitis at En-
gene, is home again feeling fine and
has a good word for the city of En-
gene in more ways than one.

Clyde Engle has taken up his posi-
tion in the store again looking more
like himself every day.

Mrs. Anna Clifford has consented
to take charge of the Mutual Tele-
phone central station for another year.
Miss Sailer, our very efficient oper-
ator, has also consented to wait at
the switch. The uniform good ser-
vice will be assured for 1911.

Now that we are on the verge of a
systematic road improvement, it may
be reasonable to hope to see some of
our steep grades reduced by "cutting
out" the worst hills instead of trying
to cut them down.

Molalla Assembly No. 82 United Ar-

"The Gould Girls," Two of a Family Of Goulds That Are Much Admired

Copyright by American Press Association.

Probably no name is better known throughout the United States than that
of Gould, unless it be that of Roosevelt. Nearly everybody seems to be inter-
ested in the Goulds. There is a large family of them, and several have been
in the papers for some years past in an unenviable position. This cannot be
said, however, of the Goulds of Oregon. They constitute a family of whom
the American people are properly proud, remarked a well known St. Louisan
the other day who has met Mr. Gould, Mrs. Gould, their sons and their daugh-
ters, even to cute little Gloria, in the course of his railroad connections. "I
do not know a family anywhere that I admire more warmly, and, while I
cannot call myself an intimate friend, I do say that I look upon every member
of George J. Gould's family as a person of the right sort." The second Gould
daughter, Miss Vivien, who is to marry Lord Decies soon, and her sister, Mrs.
Anthony J. Drexel, Jr., both are gracious and charming young women. They
are called "the Gould girls" in their set and out of it, and they are said to be
most loving sisters.

ians installed Enormous Robbins M.
A. and Solon Echerd, superintendent.
This Assembly has an interesting con-
test on this winter.

On the 14th Saturday and the 28th
day of January will be the regular
meeting of Molalla Grange No. 310,
when the officers for the ensuing year
will be installed; also the officers of
Juvenile No. 3 will step into their
work. Members all take notice—there
will be something doing for a pleasant
meeting.

CLACKAMAS.

Show and ice are rapidly disappear-
ing under the influence of a steady
downpour of rain.

Installation of officers in Clackamas
Grange No. 298, took place at the regu-
lar meeting, Saturday, January 14.
Mrs. Eva Paul served as installing of-
ficer. The grange has bought a fine
new stove for the hall, and the build-
ing can be comfortably heated for all
occasions.

A company of young people, of the
Epworth League and Endeavor soci-
eties, took a moonlight ride out to the
home of Miss Gertrude Hargreaves
Saturday evening. They met with a
cordial welcome and were pleasantly
entertained.

Wednesday evening Miss Francis
Cummins gave a social at her home for
the benefit of the Christian Endeavor
society.

The annual meeting of the Congrega-
tional church was held after service
last Sabbath evening. By acclamation
Wilson Dewalt was elected trustee for
five years. J. R. Landis, deacon; Mrs.
A. M. Spurgeon, deaconess; Mrs. Eva
Paul, treasurer. The financial report
showed the pastor's salary paid up to
date. Sunday school had raised \$49.
C. E. society, \$50; Ladies' Aid, \$150.
Each society, after meeting its obliga-
tions, has a surplus in the treasury.

Harrison Imel is having his house
in town put in thorough repair. It
will be ready for its new tenants, M.
Heacock and family, by February 1.

Mrs. A. M. Spurgeon, now in Park-
road, will take possession of her old
home early next month.

Several families of the town have
united to organize a whist club to
meet on Wednesday and Saturday
evenings at the home of each member
in turn.

A few "Jolly Daddies" of the town,
meet one or two evenings a week,
here and there, and without lunch,
punch or beer, enjoy a social game of
so-called cribbage, etc.

Home and School Club Notes.

At the regular meeting of the club
which was held in connection with
that of the school board about thirty
patrons of the school were present,
and much interest manifested. The
school board took precedence, and at-
tended to such matters as came within
its province. The chairman then
turned the meeting over to the pres-
ident of the club, C. C. Sargent.

A member of the civic improvement
committee reported that W. W. Smith
would have gravel for sidewalks on
the street leading past the school
building as soon as the necessary grad-
ing was done. Chairman of ways and
means committee reported that teams
could be secured if necessary; suggest-
ed that for the distance under con-
sideration one man with shovel could
do the work. President Sargent ap-
pointed E. Harrington to secure help
and get the work done. Committee
on electric lights for the town absent.

No report sent in. Under head of new
business the president suggested that
the club take up the matter of ridding
the town of the powder houses. Com-
mittee on civic improvement stated
she had information from agents of
the powder companies that said com-
panies were only waiting to have the
people make some movement towards
the removal of what was a serious

menace to the community at large.
Several present being in doubt as to
whether there was a government or
state law prohibiting powder houses
within certain limits, the president
appointed a committee, with clerk as
chairman, to investigate the matter in
all its bearings and report at the next
meeting of the club. President Sar-
gent then introduced the question for
discussion: "Resolved, that the re-
sponsibility for 'good manners and
morals of pupils' in the school build-
ing, on the ground, and to and from home,
rested with the teachers." A lively,
interesting, but informal discussion
followed, in which most of those pre-
sent took part. The question for the
next time was given out—"Resolved,
That boys and girls should have sepa-
rate playgrounds." Upon motion the
club adjourned to meet Friday after-
noon, January 27, at the school house.

OAK GROVE.

Miss Emma Hall, a teacher at Port-
land, spent Saturday with Mrs. R. L.
Herron and family.

Mrs. Louis Brandt is sick and
Miss Gussie Brandt remained at home
from her position in the Oregonian
office to assist her mother.

Oak Grove Camp No. 9207 M. W.
A. installed their officers Tuesday eve-
ning. Mr. Snorelle and E. C. Warren
were installing officers. Consul, Geo.
F. Nokes; banker, Ed Oland; adviser,
A. Linn; escort, R. Kelly; clerk, E.
W. Bunnell; guard, Geo. Jones. Re-
freshments were served and a jolly
good time had.

The P. R. L. & P. Company have
material here to extend their electric
light system south to Concord station,
thus enabling the residents there to
have electric lights.
A line has been received from Dr.
McFarland and wife stating they are
enjoying their trip in Southern Cal-
ifornia.
The name of Pine station has been
changed to St. Theresa, much to the
dislike of the residents there, and the
people have a lengthy petition in cir-
culation to be presented to the rail-
road company to change the name
back to Pine, and we hope everyone
will sign it.
Road supervisor Fred Harris has
filed the bonds for oath of office and
is now ready to receive complaints and
kicks from anyone in the Oak Grove
district. Judging from the steady
rains Mr. Harris' troubles will be num-
erous.
John Risley was in Portland Monday
evening.
