POINTED OUT
Walter Tooze, visiting in this city, has returned to Falls City, Oregon.
Mrs. J. E. Green, daughter of Mr. Green, is confined to bed with rheumatism, and is unable to attend school.
Mrs. Rands, of Palouse, is here for a few days from Vancouver to return home a few days hence, one of the most popular of the county, and one of the State Grange, was in business in this city Friday.
James E. Crabb, of Portland, is in Oregon City on legal business.

LOCAL BRIEFS
H. L. Morrell, of Gladstone, surprised his family by the purchase of a piano a few days ago. It is a new Hoffman.
Dr. George Hoeye, Dentist, Caulfield Bldg., Oregon City.
The D. K. Bill Co. has just put a deal through whereby Captain Apperson transfers the old Johnson home to E. M. Howell. The property is to be improved.
Coal-oil 15c a gallon at Seeley's.
The Ladies' Aid Society of the M. E. church has purchased an electric carpet sweeper for the church work. The ladies are greatly pleased with it and say it is saving many a back-ache.
Go to Seerest's for that hot lunch—successor to Lents, 610 Main street.
Citizens say that if Gladstone is to be a dry town there will need to be a larger culvert installed in the county road, to lead the water through and not back it up over all the lowlands.
Oranges 10c dozen at Seeley's.
All trains on the Southern Pacific are running as per schedule, but in rare instances are they on time. The soft condition of the roadbed in many places makes it imperative that the trains run slowly, otherwise there would be great danger to passengers and property of the company.
Seedless raisins 6c a pound at Seeley's.
Cars on the O. W. P. run through to Portland again. The story is rife that the cause of so much water on the tracks near Naele was due to the putting in of the small culverts, backing up the water on themselves to the injury of the traffic on their own railway. Parties living in that neighborhood say that employees of the road were told of their error but would not listen.
The best Homemade Bread that can be baked; you can get it at Schrader's Bakery, on Main street near Postoffice.
Dr. George Hoeye, Dentist, Caulfield Bldg., Oregon City.
Try Dunn for Cigars and Smokers' Goods. Next to Postoffice.
3 pound box of soda crackers 20c at Seeley's.

SKI JUMPERS IN BIG MEET.

National Tournament to Be Held in Chippewa Falls.

NEW RECORDS ARE EXPECTED.

Course Has Been Lengthened and Takeoff Widened to Help Skiers Make Great Jumps—Extra Inducements to Man Who Beats Record.

By TOMMY CLARK.

Wisconsin ski jumpers and those of other states have been hard at work for the past few weeks preparing for the national ski tournament to be held this year at Chippewa Falls, Jan. 28 and 29. This event of the old world winter sport in America is always looked forward to by the followers of the daring jumpers, who gather in large crowds to witness the wonderful flights of the sturdy competitors on their wooden runners.

This fascinating winter pastime is extremely popular in Michigan, Minnesota and Wisconsin, and it is expected that skiers from all three states and the Dominion of Canada will be on hand to set new figures for the long leap that is the magnet that attracts the admirers of this reckless form of sport.

Improvements in Big Slide.

Great preparations have been made to perfect the long slide so that the daring knights of the spruce blades will have every opportunity to either equal or excel the record figures of 144 feet, made by Ole Feiring at Duluth, Minn., a year ago. The long incline, which measured 800 feet in length last season, has been added to still more, and the takeoff has been moved thirty feet back.

These improvements will give the men an opportunity to get up greater

SKI JUMPER IN AIR AFTER LEAVING TAKEOFF.

momentum, and the moving of the take off will afford them a much safer landing place. A feature of the Chippewa slide that is enjoyed by few others in this country is that the path is sixteen feet wide at the "bump," or takeoff, thus enabling the men to take the jump in their own peculiar manner and not to have to follow the beaten track of their predecessors, as is the case at all other foreign ways.

One hundred and twenty-two feet was done at this course at the last meet of the skiers, and it is expected that with the improved conditions several feet will be added to this mark when the lovers of the sport gather for the banner event of the season.

There is every reason to believe that the slide will be lightning fast, provided that the weather man is kind and furnishes conditions favorable for fast participation in the sport.

Ski Jumping Gaining Favor.

Ski jumping has rapidly forged to the front rank of winter athletics in the western section of this country since its introduction by the Norwegians here not many years ago, and it bids fair to retain the popular favor by reason of its freedom from objectionable features that enter into other sports. The love of victory is firmly installed in the minds of the fearless and shifty followers of the sport, and as the money prizes are comparatively small and the betting conspicuous by its absence there is absolutely no reason for the men not putting forth their best efforts.

No thoughts of holding back enter the mind of a man when he faces a glassy stretch of nearly 300 yards that requires his utmost skill and nerve to slide down at a death defying speed and then exacting a gathering of all his power for the leap that sends him sailing through the air to a safe landing in a snow bank or perhaps a dangerous fall.

As a consequence skiing is slowly earning a well deserved popularity, and from all indications there is every reason to believe that this form of sport will in time become a fixture.

13 ACRES

of sandy loam, all good farm land free from stone and gravel. 1/4 acre is cult, balance all slashed, burnt and seeded but one acre and has been for a good many years so the clearing is not very hard; 4 room box house, barn 20x22; good well, also borders the Tualatin river. This is fine peach, berry or garden land, in fact good for anything that grows; 4 1/2 miles of Oregon City on a macadam road; 10 miles of Portland on a macadam road. The price of this place has always been \$2650 but for a quick sale owner will take \$2200, \$800 down, balance 3 years at 6 per cent.
