The bill has been agreed upon by the majority members of the Legislature. It provides that on the second Monday of next January all the state banks shall set aside an amount equal to 1 per cent of their average daily deposits for a fund, to be known as "depositors' insurance fund." Every year thereafter they will be required to add to this fund one-tenth of one per cent of the average deposits until the total fund equals 2 per cent of the average total deposits. It is expected that the guarantee fund will amount to \$1,262,000 after the first 1 per cent deposits have been set aside for it, and to \$2,500,000 when the full 2 per cent is paid.

NO SPECIAL SESSION NEEDED.

SALEM, Or., Feb. 4.—(Spl.)—Oregon's third Congressman, provision for whom will be made by Congress under the recent census, will probably be elected by the State at large, for the first term at least. It is unlikely that the legislature in its present session will take any action upon any Congressional redistricting, as only a provisional bill could be enacted. When approached on the subject Governor West could see no reason for a special session for the redistricting of the State.

REVOLUTIONISTS WIN.

If Report From Seat of Trouble Is to Be Credited.

WASHINGTON, Feb. 4.—The revolutionists in Hayti, according to a rumor which reached Port Au Prince, the capital of the country, have captured Fort Liberty, Ouanaminat and Trou. This information was conveyed to the State Department today in a telegram from American Minister Furniss at Port Au Prince. Two Ministers of the Haytian Cabinet, the Minister adds, have left the capital to lead the government forces against the revolutionists. The Secretary of War has departed from Port Au Prince on a gunboat with troops for Gonaves and the Secretary of the Interior is on his way to Cahobas.

WILL DOUBLE TRACK THE MAIN LINE U. P.

SEVENTY MILLION TO BE SPENT WITHIN FIVE YEARS FOR DOUBLE TRACKING SYSTEM.

PORTLAND, Feb. 4.—(Spl.)—The determination of the Board of Directors of the Harriman lines to spend \$75,000,000 in double tracking the western roads of the system and in other improvements, which has just been announced, means a great deal to the Pacific Northwest. Bonds are to be issued, it is expected, to meet the cost of the betterments. The double tracking the main line of the Union Pacific from Omaha to Portland will add largely to the volume of tonnage handled at this port for this step is necessary to take care of the constantly growing traffic that seeks an outlet here.

The recent organization of the Oregon-Washington Railroad & Navigation Company was largely for the purpose of prosecuting the contemplated improvements, the old O. R. & N. having almost reached the limit of the total debt it could contract. It had to call on the allied Northwest interests for more funds as the work of double tracking the road along the Columbia River, much of the way through the solid rock, will be very expensive.

Confidence in the future of the Pacific Northwest is shown to a marked degree by the appropriations voted by the Harriman interests. Judge Lovett is by no means a stranger to this section of the country, having made frequent visits here since he was put in command of the Harriman railroad interests. He knows what the Northwest offers in the way of future traffic and the fact he is providing for a big tonnage during the years to come is the best evidence of his faith in the opportunities and resources of this region.

LAI D TO REST.

Impressive Services Held Over Remains of Dorothy Gray.

The funeral services over the remains of Dorothy Gray, the 12-year-old daughter of Mr. and Mrs. J. W. Gray, of the West Side, who died at the family home on Friday morning of scarlet fever, were held yesterday afternoon at 2 o'clock at the Mountain View cemetery. The services were conducted by Rev. William H. Proctor, pastor of the Congregational church of this city, and Rev. E. S. Bollinger, of Portland, and many friends of the family attended. The casket was covered with beautiful floral offerings. A quartette, composed of Miss Ivy Roake, Miss Nellie Swafford, Harold Swafford and Victor Gault rendered impressively, "Safe in the Arms of Jesus," and "Jesus Lover of My Soul." The pall-bearers were Harold Swafford, Arden Hickman, Clayton Freytag, Waldo Gauffield, Victor Gault and Thomas Myers.

Mails Delayed Three Days.

There were no mails from the East for three days, ending with this morning. There was a wash-out of the Union Pacific, somewhere east of the mountains, and in consequence the Portland district received no mails on that line for three days. It is expected the delay in the pouches will show up in time for this morning's distribution.

PREXY WOULD EXTEND HIS COLLEGE FIELD

PRESIDENT KERR, OF O. A. C. WANTS MONEY FOR EXPERIMENT STATIONS.

CORVALLIS, Ore., Feb. 4.—President Kerr, of the Oregon Agricultural College, estimates in his biennial report, just being printed, that the farm crops of the Willamette Valley can be increased from 25 to 240 per cent by irrigation, and that the hundreds of thousands of acres of fertile lands in the eastern part of the State can be reclaimed and made highly productive by dry farming.

In order to carry on such work he is asking the legislature in his annual budget for funds for the establishment of a college extension department, through which the faculty may also assist the people of the State to surmount the difficulties arising in the development of horticultural, dairying, and other agricultural interests. A dry farming experiment station in the Harney Valley, a Southern Oregon branch station and irrigation investigations in the Willamette Valley will be secured through such appropriations.

HIT IN THE EYE.

Slight Injury Which Promised Endless Trouble.

Mrs. Agnes Silver, manager of the furniture department in the L. Adams' store, was hit in the eye some months ago by the handle of a child's toy wagon. The injury was trifling and nothing was thought of the matter until a few days ago she noticed a small tumor growing on the inside of the lid of her left eye. A Portland eye specialist, whom she consulted, saw danger to the eye unless given quick relief. An operation was resorted to on Friday and Mrs. Silver is sanguine of speedy recovery.

REPRESENTATIVE DEAD AT HIS POST OF DUTY

CAPTAIN EGLESTON YIELDS UP HIS LIFE AT THE END OF A BUSY CAREER.

SALEM, Or., Feb. 4.—(Spl.)—Representative M. F. Eggleston of Jackson county died unexpectedly at the Willamette sanatorium in this city at 12:20 o'clock this morning. Captain Eggleston had been absent from his desk in the house during this week and part of last and it was known that his illness was serious, but his death was unexpected.

A committee has been named by Speaker J. P. Rusk to accompany the remains of the departed member to Ashland this evening, where the funeral will take place at 2 o'clock Sunday. The members of the committee are Representatives Bonebrake of Benton, Westerlund of Jackson, Peterson of Umatilla, Brownhill of Yamhill, Smith of Josephine, Neuner of Douglas and Carter of Clackamas. The desk of Mr. Eggleston in the house is draped with crepe and flowers. Resolutions in honor of the departed member will be adopted by the house upon convening next Monday morning, and a short adjournment will be taken.

Representative Eggleston was about 60 years old. He was born in Indiana. He was raised on a farm and at the age of 19 received an appointment at large to the United States military academy at West Point. He graduated from that institution in 1877. Was commissioned a lieutenant in the cavalry branch of the army, and up to 1889, when he resigned from the service, he did duty on the southwestern frontier and in the Indian territory as a troop commander, engineer officer, staff officer and on special duty as judge advocate.

OUR ANNUAL FAIR PROMISES WELL

REPORTS OF OFFICERS SHOW A HEALTHY CONDITION OF FAIR ASSOCIATION FINANCES.

ALL BILLS AND WARRANTS ARE PAID

Capitalization Increased From \$5000 to \$20,000—Improvements Ordered Made in Time for Coming Event.

The annual stockholders meeting of the Clackamas County Fair Association was held in the rooms of the Commercial Club Saturday afternoon, convening at 2 o'clock. The first business of the afternoon was the appointment of a credentials committee, as follows: G. L. Hodges, J. E. Jack and John Risley.

The president's report was presented and read during the interim given the credentials committee. Principal among the items cited in the report were these facts: All business pertaining to the past year has been settled, all premiums and warrants have been paid; we have a good standing in the community.

We have made a number of improvements within the past year, all of which have been paid for, among which are these: New machinery hall, new sheep barn, new poultry house and equipment, new judges' arena, new double gates for the main entrance, new secretary quarters and office, new speakers' platform and new fence around the camp grounds, at a cost of \$517.

At the close of his report the president wished to emphasize the point that he considered much of the success of the Fair to depend on the quality of the man chosen secretary, and he urged that care be taken in making that choice.

There were reports from both secretary and treasurer—something never offered before and something not always required of public servants—and in this instance the reports were voluntary and not required. These reports showed an approximate profit for the past year of \$1400. Changes and improvements recommended and approved were as follows:

To install an electric lighting plant. To purchase and open a street from the Southern Pacific to the Fair grounds. Making needed improvements to the grounds at once so as to be in ample time for the fall meeting.

Decision made to hold the Fair four days instead of three. That date of Fair be changed to the week preceding that of the State Fair. By the changing of the date of the Fair it is believed that it will be possible to secure exhibits that otherwise would not come to Canby, as in that case the exhibit will be so close to the grounds to be visited the following week that it will be easy to secure more exhibits.

It was decided to appoint the different superintendents of departments at once so that they may consult with the secretary as to the premium list and as to premiums to be listed.

A permanent street for concessions will be chosen so that local concessionaires may build permanent structures if they so choose. A public cloak room will be established and a telephone pay station erected. There will be an effort to sell season tickets again this year, the sale last year having proved a success.

The association appointed the following committee to audit the books: J. E. Hodges, Oregon City; Wm. Everhart, Molalla; C. M. Wait, Canby. There were 234 shares of stock represented at the meeting, more than the number required for a quorum. The meeting proved enthusiastic and the information imparted by the reports more than satisfied those members who are interested in the success of the organization.

By an almost unanimous vote the stockholders authorized the directors to raise the capitalization of the association from \$5000 to \$20,000. This will give the association an opportunity to go ahead and make the improvements needed to insure that the Fair shall continue to grow until it is the success that the magnitude of Clackamas county warrants.

In an effort to stimulate subscription to this increased stock issue Messrs. George Lazelle, George Randall, O. D. Eby, M. J. Lee, Chas. Wait, John Lowelling, J. W. Smith and O. E. Freytag subscribed \$100 each conditional on \$10,000 being subscribed in Clackamas county.

The election of directors resulted in the choice of the following: J. W. Smith, George Lazelle, O. D. Eby, W. Everhart, O. E. Freytag, R. S. Coe, Robert Beattie, W. H. Mattoon and N. Blair. The directors will meet next Saturday, February 11, in the rooms of the Commercial Club at 2 p. m., for the selection of officers.

The members of the association in attendance voted unanimously to give the old officers and directors a vote of thanks for services the past year. Messrs. O. D. Eby, Oregon City; L. D. Walker, Canby; George W. Speight, Hubbard, were appointed a committee to get subscriptions for stock in an effort to have the whole issue taken in time for the appropriation of funds for needed improvements.
