30,000 Yards of Loom Ends at 3½c Yard

Loom Ends means goods wanting in lengths, slight discoloration or a coarse thread in some fabrics. They are identical in style and designs with the full piece goods. None of these slight flaws matter to the customer, but they prevent the mills or factory from selling goods at a profitable price. Our buyers are bargain hunters. They search the best mills of the country for bargains in immense lots. Some of the swellest modes are bought in this way. Buying sample lots at reduced prices from the mill and selling low is our specialty and shrewd buyers can do well at this store.
